Dear Colleagues:

Please join us from 10 a.m. to 12 p.m. in Heritage Commons on Thursday, September 21st for the first campus engagement event of the fall semester. We will focus on supporting students by exploring integrated approaches. Goals for this session are to develop insight into moving forward with retention initiatives while building a knowledgeable community for supporting students. We will engage representatives from functional units in student affairs to discover their expertise, opinions, and findings on effectively supporting students. Participants will be a part of the learning process to appreciate the opportunities, limitations, and challenges facing student engagement.

Agenda:

- Student Engagement 101: Brief Introduction
- Panel Discussions: Current Structure of Student Affairs
- Case Study: Integrated Approaches to Supporting Students
- Moving Forward

If you plan to attend, [please RSVP here](#).

Sincerely,

The Academic Dean Team
