III. DAILY PROCEEDINGS

JOURNAL OF THE DAILY PROCEEDINGS OF THE ONE HUNDRED AND FORTY-SIXTH SESSION OF THE KENTUCKY ANNUAL CONFERENCE OF THE METHODIST CHURCH

(Twenty-eighth Session of the United Church)

FIRST DAY, WEDNESDAY EVENING SESSION, JUNE 8, 1966

Opening Session. The Kentucky Annual Conference of the Methodist Church met in its one hundred and forty-sixth session at Brock Auditorium, Eastern Kentucky University, Richmond, Kentucky, June 8, 1966 at 7:30 p.m., Bishop Roy H. Short, presiding.

Devotions. Bishop Short announced the hymn, "Glorious Things of Thee Are Spoken" and the conference was led in singing by Orin Simmerman Jr. This was followed by the hymn, "Spirit of Faith Come Down" and the repeating of the Apostles' Creed after which W. A. E. Johnson led in prayer.

Offering. Robert J. Scott, host pastor, received an offering for Conference entertainment at the request of the Bishop and the cabinet. Mrs. Donald Dudham, conference organist, presented the organ offertory.

Special Music. Orin Simmerman Jr. presented a vocal solo, "Sweet Rose of Sharon."

Message by Bishop Short. Bishop Short read part of the Christmas Story from the gospel of St. Matthew, Chapter 2 and used as a text "And Thou Bethlehem in the land of Judea art not least among the princes of Judea." He spoke of the contributions of Kentucky Methodism to the kingdom of God out of all proportion to its size and importance among Methodist areas—to Missions Church Extension, Evangelism, Education Scholarship, Church-wide leadership and Christian Witness from a host of unknown or little known people in Kentucky Methodism. He closed his message with prayer and led in the singing of "Faith of Our Fathers."

Roll Call. The secretary called attention to the standing rule section 2 paragraph 5 and announced that cards were provided in the lobby for Ministerial and Lay Delegates to register.

Nominations. Leslie M. Rogers, Secretary, nominated the following staff: Journal, T. O. Harrison, William R. Jennings; Reports, Albert C. Savage Jr.; Rolls and Service Records, I. S. Pineur. They were elected.

Greetings. The Secretary made the statement that greetings had been received from the following Conference members unable to attend the session: Ronald Markle, S. C. Rice, R. R. Rose and Robert M Smith. Bishop Short read a letter of

Adoption of Program. Harold W. Dorsey, secretary of the cabinet, moved that the printed program be adopted as the official schedule of this session of the conference. The motion was seconded and passed.

Bar of the Conference. Harold W. Dorsey moved that the bar of the conference be designated as the seats on the main floor back to and including Row M and it was done.

Order of the Day. Harold W. Dorsey moved that the resolution on hospitals be the order of the day for Thursday at 2 p.m. and that the presentation of the hospital financial campaign be the order of the day for Friday at 11:00 a.m. It was so ordered.

MINIMUM INCOME PROGRAM

The Minimum Income Program, adopted by the 1964 Annual Conference and amended by the 1965 Conference, shall be further amended to read as follows:

A Minimum Income Program shall be adopted by the Kentucky Conference of The Methodist Church, for all full Conference Members, including Probationers, who are serving full-time Pastorates.

The minimum income, consisting of Basic Salary plus any National Board Appropriation and other extra remuneration, shall be \$4,500.00 with a maximum payment of \$3,500.00 for a pastor serving a new congregation in the Conference, which congregation shall have been established in the priority list submitted by the Board of Missions and approved by the Conference. For pastors serving other Churches or Charges, the maximum payment shall be \$1,500.00, or such larger amount as may be authorized by the Board of Missions, or the Executive Committee; but in no instance shall the total income, plus any National Board appropriation be in excess of \$4,500.00, except as provided in the following paragraph:

The amended program shall be effective as of June 1, 1966, and shall be set up on a four year basis; each year there shall be a reduction of 25% of the original Mission Board appropriation, which reduction shall be absorbed by the local Church, or Charge. Failure to absorb such reduction shall not increase the obligation of the Mission Board under the program. Conference Members enrolled under this program shall, after the first year, be entitled to an additional payment equal to the increase in Basic Salary made by the local Church, or Charge, not to exceed \$200.00. Any increase greater than the 25% reduction shall not effect the Mission Board payment, except as provided under the paragraph "Maximum Increase" as set forth below.

When a change in pastors occurs the plan for that particular Church, or Charge, shall be re-calculated for another four-year period. A re-calculation shall also be made if the pastor serving beyond the four-year period is still receiving Total Income of less than \$4,500.00. Should a change occur during the Conference Year the new appointee, provided he qualifies under the program, shall be treated as though the appointment were made at the beginning of the Conference Year. Payments under this program shall be on a monthly basis.

MAXIMUM INCREASE. In such cases where the Total Income, including the Mission Board aid and the National Board payments, exceeds the previous year by more than \$500.00 the payment by the Board shall be reduced by such excess. But in no event shall there be any reduction in the allotments made by the National Board of Missions.

INCOME as used above shall be defined to mean the basic salary plus such extra remuneration as may be paid, such as assistance from other Churches, Expense Allowance, Auto Expense, Utilities, etc. In the case of Utilities the figure to be used is the amount paid by the Church, or if the amount varies from month to month use the total amount paid the previous year, taken to the next lower \$50.00. In such situations where there is no separate meter the District Superintendent shall set the amount after consultation with the Pastor and the Church Treasurer, or other officer of the Official Board. Excluded from income shall be fees for weddings, funerals, bona-fide gifts, or any amount paid under unusual circumstances, such as flood relief, etc.

There shall be no exceptions to the foregoing, except as duly authorized by the Board of Missions, or the Executive Committee, under unusual circumstances.

VI. RESOLUTIONS, REPORTS AND FINANCIAL DISPLAYS

A. RESOLUTIONS

RESOLUTION No. 1

CONCERNING A CONFERENCE-WIDE FUND-RAISING CAMPAIGN FOR THE TWO HOSPITALS OF THE CONFERENCE

WHEREAS, The Good Samaritan Hospital, Lexington, and The Methodist Hospital of Kentucky, Pikeville, which are the two Methodist Hospitals of the Kentucky Annual Conference, are critically in need of new and expanded physical facilities and equipment; and

Whereas, these needs are currently imperative and must be met if the hospitals are to continue to render hospital care in accordance with standards established by nationally recognized hospital accrediting agencies; and

Whereas, the Kentucky Annual Conference at its 1964 and 1965 sessions authorized a Conference-wide campaign to yield \$1,500,000 for the two hospitals to assist financially in meeting the respective needs of the two institutions; and

Whereas, the Kentucky Annual Conference at its 1964 and 1965 sessions authorized the \$1,500,000 goal of the campaign to be distributed to the two hospitals on the basis of \$1,000,000 for the Good Samaritan Hospital and \$500,000 for the Methodist Hospital of Kentucky; and

Whereas, the Kentucky Annual Conference at its 1965 session stipulated that the campaign be conducted during the fall of 1966 with the pledge period to extend over a three-year period beginning in January 1967 and that the kickoff for the campaign be launched at the 1966 session of the Kentucky Annual Conference; and

Whereas, Bishop Roy H. Short, Presiding Bishop of the Kentucky Annual Conference, authorized the Board of Hospitals and Homes of the Conference to select and appoint a Hospital Campaign Committee which has been charged by the Bishop with the responsibility of developing a fund-raising program for the two hospitals of the Conference;

Therefore Be It Resolved, That the Kentucky Annual Conference, assembled in official session on June 9, 1966, adopt the following policies for conducting the aforementioned fund-raising campaign for its two hospitals, the Good Samaritan Hospital, Lexington, and The Methodist Hospital of Kentucky, Pikeville:

1. The membership of the Hospital Campaign Committee shall include, in addition to the individuals appointed by the Conference Board of Hospitals and Homes and approved by the Bishop, all of the District Superintendents of the Conference.
2. The Hospital Campaign Committee shall establish a Conference-wide, district, sub-district and local church organization which shall be responsible for properly conducting the campaign to its successful conclusion.
3. The Department of Finance and Field Service of the National Division of the Board of Mission of The Methodist Church shall be engaged to provide the professional leadership needed to direct the fund-raising program. The agreement for these professional services shall be signed by the Bishop, Campaign Chairman and the Conference Treasurer, all on behalf of the Conference.
4. The intensive phase of the financial campaign shall be conducted from September 6, 1966 to November 30, 1966 with such preliminary work as is necessary to be conducted between the dates of June 12, 1966 and September 5, 1966.
5. The funds necessary for the cost of the promotion of this fund-raising program shall be advanced by the Conference Commission on World Service and Finance from funds on hand or such other sources as the Commission may secure, with the understanding that these amounts shall be repaid from the receipts of the fund-raising campaign as soon as possible.
6. The Boards, Agencies and local churches of the Conference shall carefully plan their respective schedules and programs for the fall of 1966 in order that they

may give their full cooperation during the intensive phase of the campaign.

7. Each of the seven districts of the Conference shall be given a financial objective as its part of the total campaign goal. These objectives shall be based on an equitable formula established by the Hospital Campaign Committee and endorsed by the Conference Commission on World Service and Finance. Further, each District Superintendent with the District Committee shall allocate to each church of the district that church's fair share of the district's financial objective. The Official Board of each church shall be asked to accept this allocation as its minimum objective. Such acceptance shall be defined as a serious and conscientious effort to reach the amount allocated.
8. Each church shall be expected to conduct a personal gifts solicitation of its membership to implement that church's acceptance of the financial objective allocated by the District Superintendent with the District Committee. In the event a church finds it necessary to raise its acceptance in some other manner, it may do so with the written consent of the campaign Executive Committee.
9. All funds raised in each local church for the campaign shall be paid by the treasurer of that church to the Treasurer of the Kentucky Annual Conference.
10. An individual donor may designate his gift to a particular hospital, either the Good Samaritan Hospital or The Methodist Hospital of Kentucky, Pikeville, provided that the designated gifts do not exceed the pro rata share for the hospital involved.
11. After the expenses and professional fund-raising fee of the campaign have been paid, the balance of the funds raised shall be administered by the Treasurer of the Kentucky Annual Conference. Including designated gifts to a particular hospital, the funds shall be distributed on the proportionate basis of two-thirds to the Good Samaritan Hospital and one-third to The Methodist Hospital of Kentucky.
12. The Board of Trustees of each hospital shall be charged with the responsibility of using care, discretion and sound judgment in expending its institution's share of the proceeds of the campaign. Such expenditures shall only be used for major capital improvements in the hospital's physical facilities, and shall not be made until a grant in an amount at least equal to that received from the proceeds of the Conference Campaign has been allocated or assured to the hospital by the Federal government through the Hill-Burton program or similar government programs or private foundations.

Moved and accepted this 9th day of June, 1966 at Richmond, Kentucky, by the Kentucky Annual Conference in official session. The Secretary of the Kentucky Annual Conference hereby attests to this action by fixing his hand below.

LESLIE M. ROGERS, *Secretary*
Kentucky Annual Conference

RESOLUTION No. 2

RESOLUTION ON PUBLIC RELATIONS TO THE KENTUCKY AND LOUISVILLE ANNUAL CONFERENCES

WHEREAS, the Kentucky and the Louisville Annual Conference Councils are making a recommendation to each of their conferences that the Louisville Area Public Relations office be discontinued, and

Whereas, this office CANNOT be operated or continued without the full support of the two annual conferences,

Therefore Be It Resolved:

1. That since this recommendation is coming to each annual conference from its conference council, the Louisville Area Commission on Public Relations and Methodist Information feels that it would be unwise to request the continuation of this area office therefore we are making NO request of the Commission on World Service and Finance of either conference for funds to continue the support of the Area Public Relations office.

2. We recommend that in abolishing the office that we divide the funds that are on hand at the time of the annual audit, on the same percentage basis as the two annual conferences have paid into this Area office's budget since the Memphis Confer-

ence ceased to be a part of the Louisville Area, AND that said funds be paid to the conference councils.

3. We further recommend that a committee of two be appointed by the Bishop, from each annual conference to work with Mrs. Howard Matthews in the disposition of the equipment now owned by the Public Relations Commission, and that said committee be given authority to make final disposition of the equipment. This committee shall be convened by Mrs. Matthews.

4. We further recommend that the funds received from the sale of the office equipment and other property, after all expenses involved are met, be divided between the two conferences as the 'cash' is to be divided in the recommendation above stated, AND that these funds be placed in the hands of the two conference councils.

5. We recommend that the work of Public Relations and Methodist Information be carried on in some form within the structure of the conference council, AND that a staff member from the general Commission on Public Relations and Methodist Information in New York, be invited as soon as possible to discuss and guide the councils on the best way to work under the structure of the conference council.

6. We further recommend that the TANE (TOGETHER Area News Edition) which is printed free by TOGETHER, be continued with appropriate personnel assigned by the conference councils, to gather and channel the necessary news material to the editorial office in Park Ridge, Ill.

7. That the Louisville Area Commission on Public Relations and Methodist Information expresses its sincere gratitude to Bill Hearn, Reginald Smith, Sam Adkins, Mrs. Jean Buckby, Mrs. Eula Mae Matthews, and the office secretaries, for their devotion to the work of public relations in the years since this office was established.

RESOLUTION NO. 3

RESOLUTION FROM THE SOUTHEASTERN JURISDICTION, MAY 11, 1966

Plan for Completing the Elimination of the Central Jurisdiction Within the Geographical Area of the Southeastern Jurisdiction in Accordance With the Recommendations of the 1964 General Conference

WHEREAS, it is the established policy of The Methodist Church to dissolve its Central Jurisdictional Conference, and achieve racial inclusiveness at all levels of the church, and

Whereas, the 1964 General Conference recommended as the first step that the Annual Conferences of the Central Jurisdiction transfer to the other jurisdictions within which they are geographically located and that the second step of merging such Annual Conferences with the Annual Conferences of the geographic jurisdictions "will be a Jurisdictional matter to be worked out when such merger is mutually agreeable;" and

Whereas, the Central Jurisdiction and its Annual Conferences, and the Southeastern Jurisdiction and its Annual Conferences desire to take such actions, individually and conjointly, as will implement as expeditiously as possible the said policy of The Methodist Church, recognizing that the problems and procedures involved in the merger of the Annual Conferences transferred from The Central Jurisdiction to The Southeastern Jurisdiction differ in many material particulars in the several areas involved, and that the best interest of The Methodist Church, of both Jurisdictions and of all the Annual Conferences will be best served by the second step of merger being taken when the same is mutually agreeable to the Annual Conferences affected,

Be It Resolved, therefore, as follows:

1. That the adoption of this resolution, in accordance with the requirements of Section 2 of Amendment IX of the Constitution of The Methodist Church, by the following Annual Conferences of the Central Jurisdiction shall constitute a vote of each to transfer to the Southeastern Jurisdiction:

- | | |
|---------------------|-----------------------------|
| (a) Central Alabama | (e) Upper Mississippi |
| (b) Florida | (f) North Carolina-Virginia |
| (c) Georgia | (g) South Carolina |
| (d) Mississippi | (h) Tennessee-Kentucky |

The same vote of each of the Annual Conferences named above shall constitute the required approval of the transfer of all the other said Annual Conferences of the Southeastern Jurisdiction.

2. That adoption of this resolution (in accordance with the requirements of Section 2 of said Amendment IX) by the other Annual Conferences of the Central Jurisdiction, and by the Annual Conferences of the Southeastern Jurisdiction shall constitute a vote to approve the transfer to the Southeastern Jurisdiction of all of the Annual Conferences named in Section 1 hereof.

3. The adoption of this resolution by the Annual Conferences of the Central Jurisdiction and the Southeastern Jurisdiction shall constitute an agreement that any one or more of the Annual Conferences named in section 1 hereof may merge, at any time subsequent to transfer, with one or more other Annual Conferences in such manner or on such basis as will eliminate one or more racially segregated Annual Conferences, provided that the details of merger shall be formulated by joint commissions of the Conferences involved in the proposed mergers and approved by such Conferences prior to merger, with due consideration to the re-drawing of district boundaries, re-organization of boards and agencies, real and other properties, equal rights and status for all ministerial members (full and on trial and approved supply pastors), pensions and minimum salary. Following the transfer of the Annual Conferences named in section 1, we pledge continued progress toward the merging of Annual Conferences at the earliest date mutually agreeable to the Conferences concerned.

4. That this resolution shall become effective upon:

- (a) A vote of the Central Jurisdictional Conferences to transfer the resident bishops of its Atlantic Coast Episcopal Area and its Nashville-Carolina Episcopal Area to the Southeastern Jurisdiction; and
- (b) A vote of the Southeastern Jurisdictional Conference to approve the transfer of the bishops of the said Episcopal Areas into its College of Bishops for residential assignment by that Jurisdictional Conference.

5. That each Annual Conference's adoption of this resolution shall constitute an urgent request of the bishops of the Central Jurisdiction, the Southeastern Jurisdiction, and the South Central Jurisdiction to convene special sessions of their respective Jurisdictional Conferences prior to the 1968 General Conference, said sessions to be held concurrently and in the same city, for the specific purposes of:

- (a) Transferring and reassigning Central Jurisdiction bishops.
- (b) Dissolving the Central Jurisdictional Conference of The Methodist Church.

6. That the secretary of each Annual Conference of the Central and Southeastern Jurisdictions shall certify the records of voting on this resolution to each of the following bodies of The Methodist Church:

- (a) College of Bishops of the Central Jurisdiction.
- (b) College of Bishops of the Southeastern Jurisdiction.
- (c) College of Bishops of the South Central Jurisdiction.
- (d) Council of Bishops.

REPORT NO. 2

Section I

BOARD OF MISSIONS

During this year, the Conference Board of Missions has endeavored to undergird the quadrennial emphasis of Methodism, "One Witness In One World." In this connection, Dr. Eugene Stockwell's book, "Claimed By God for Mission," has had wide use as a basis for mission study. With the cooperation of the Conference Woman's Society and the Conference Board of Education, mission study came to be an integral part of the work of the Church and Church School, and not just an added feature. We urge all of our churches to move in the direction of a unified mission study program. We plan to have, as recommended by the General Board of Missions, a Conference Committee on Mission Study, the personnel of which will be announced at the Annual Conference. Recognizing that planning for mission study must be done jointly, we recommend that all mission study be planned by a district committee and a local church committee on mission studies. The membership of the district committee should be:

- (a) The district missionary secretary.
- (b) The district chairman of missionary education and service of the Wesleyan Service Guild
- (c) The district secretary of missionary education and service of the Woman's Society of Christian Service.
- (d) The district director of adult work.
- (e) A representative of the district board of Lay Activities.
- (f) The district President of the Woman's Society of Christian Service as an *ex-officio* member.
- (g) The District Superintendent as an *ex-officio* member.

In local churches where it is appropriate, we recommend that there be a Subcommittee on Mission Studies with a minimum of six members as follows:

- (a) The chairman of the committee (who may be the chairman of the Commission on Missions or some other person appointed by him).
- (b) The secretary of missionary education and service of the Woman's Society of Christian Service.
- (c) The chairman of missionary education and service of the Wesleyan Service Guild.
- (d) Two representatives of the Commission on Education.
- (e) At least one additional member elected by the Commission on Missions.
- (f) The lay leader.

We further recommend that in smaller churches there should be a Subcommittee on Mission Studies and School of Missions of three:

- (a) One from the Commission on Missions.
- (b) One from the Commission on Education.
- (c) The secretary of missionary education and service of the Woman's Society of Christian Service, AND, if the church has such a person, the chairman of missionary education and service of the Wesleyan Service Guild.

In the event the church has no Commissions, the Official Board has responsibility for the functions of the Commissions.

If we will follow the above suggested pattern for mission studies in the district and local church, we can begin to make mission study a vital part of the entire church program, and not just an activity sponsored by one segment.

As a further indication of unity in approach to our mission, our district rallies were held this year in connection with the Board of Evangelism, the Board of Hospitals and Homes, and the Conference Woman's Society. Our Conference Rally was shared with the Board of Evangelism and the Board of Christian Social Concerns. We expect to continue this pattern in the future under the direction of the Inter-Board Council.

We ask each local church to set the following goals for missions:

1. Full support of World Service and Conference Benevolences with each church on the Honor Roll each quarter.
2. A church-wide mission study in each congregation using this year the book by Dr. J. Edward Carothers on our theme "Affluence and Poverty: Dilemma for Christians."
3. Each Church School sharing the Fourth Sunday offering for World Service.
4. Regular use of World Service leaflets and other promotional literature.
5. An Advance Special in each of the four areas of interest:

- (a) National
- (b) World
- (c) Conference
- (d) MCOR

6. A Prayer Covenant with our missionaries.

We especially commend to your attention the April TOGETHER News Edition of the Louisville Area, featuring our missionaries from Kentucky. Of the 18 families listed, 16 were from the Kentucky Conference. We express our appreciation to Mrs. Eula Mae Matthews, the Editor, for this excellent issue.

Appalachian Committee

Under the leadership of Bishop Short, and on his recommendation, we now have at work an Appalachian Committee of the Kentucky Conference. The committee is composed of the following:

From the Conference Board of Missions: E. L. Tullis, G. R. Tomlin, A. E. Bodenstein, W. R. Wood, James Norsworthy.

At Large from the Conference: Miss Jennie Flood, Ed Cawood.

Representatives from other Conference Agencies:

Board of Education—Robert Wallace.

Town and Country Commission—Dr. R. R. Patton.

Rural Advisory Committee—Mrs. J. W. Holbrook.

Sue Bennett College—Dr. Earl Hays.

Union College—Dr. Mahlon Miller.

Pikeville Hospital—Jack Dupuy.

Methodist Mountain Missions—Dr. William F. Pettus.

Official member to attend sessions from the Commission on World Service and Finance—Charles G. Turkington.

We ask the approval of the Conference for the continuance of this committee with the addition of the Chairmen of the Conference Board of Christian Social Concerns and the Commission on Town and Country Work. We expect to present a more detailed report of our work at Annual Conference. We are pleased to have working with us in this capacity Miss Cornelia Russell, Coordinator for Appalachian Work in the National Division, who is located in Knoxville, Tennessee.

Minimum Income Program

The Minimum Income Program, adopted by the 1964 Annual Conference and amended by the 1965 Conference, shall be further amended to read as follows:

A minimum Income Program shall be adopted by the Kentucky Conference of The Methodist Church, for all full Conference Members, including Probationers, who are serving full-time Pastorates.

The minimum income, consisting of Basic Salary plus any National Board Appropriation and other extra remuneration, shall be \$4,500.00 with a maximum payment of \$3,500.00 for a pastor serving a new congregation in the Conference, which congregation shall have been established in the priority list submitted by the Board of Missions and approved by the Conference. For pastors serving other Churches or Charges, the maximum payment shall be \$1,500.00, or such larger amount as may be authorized by the Board of Missions, or the Executive Committee; but in no instance shall the total income, plus any National Board appropriation be in excess of \$4,500.00, except as provided in the following paragraph:

The amended program shall be effective as of June 1, 1966, and shall be set up on a four year basis; each year there shall be a reduction of 25% of the original Mission Board appropriation, which reduction shall be absorbed by the local Church, or Charge. Failure to absorb such reduction shall not increase the obligation of the Mission Board under the program. Conference Members enrolled under this program shall, after the first year, be entitled to an additional payment equal to the increase in Basic Salary made by the local Church, or Charge, not to exceed \$200.00. Any increase greater than the 25% reduction shall not effect the Mission Board payment, except as provided under the paragraph "Maximum Increase" as set forth below.

When a change in pastors occurs the plan for the particular Church, or Charge, shall be re-calculated for another four-year period. A re-calculation shall also be made if the pastor serving beyond the four-year period is still receiving Total Income of less than \$4,500.00. Should a change occur during the Conference Year the new appointee,

provided he qualifies under the program, shall be treated as though the appointment were made at the beginning of the Conference Year. Payments under this program shall be on a monthly basis.

MAXIMUM INCREASE. In such cases where the Total Income, including the Mission Board aid and the National Board payments, exceeds the previous year by more than \$500.00 the payment by the Board shall be reduced by such excess. But in no event shall there be any reduction in the allotments made by the National Board of Missions.

INCOME as used above shall be defined to mean the basic salary plus such extra remuneration as may be paid, such as assistance from other Churches, Expense Allowance, Auto Expense, Utilities, etc. In the case of Utilities the figure to be used is the amount paid by the Church, or if the amount varies from month to month use the total amount paid the previous year, taken to the next lower \$50.00. In such situations where there is no separate meter the District Superintendent shall set the amount after consultation with the Pastor and the Church Treasurer, or other officer of the Official Board. Excluded from income shall be fees for weddings, funerals, bona-fide gifts, or any amount paid under unusual circumstances, such as flood relief, etc.

There shall be no exceptions to the foregoing, except as duly authorized by the Board of Missions, or the Executive Committee, under unusual circumstances.

Matching Salary Program

This plan shall be available for all appointments not enrolled under the Minimum Income Program, who are serving a Church, or Charge, paying a Basic Salary of at least \$1,000.00. The Mission Board will match the increase in Basic Salary made by the Church, or Charge, up to a maximum of \$200.00, provided that the income consisting of Basic Salary, plus any extra remuneration, such as Expense Allowance, Travel Expenses, Utilities, Mission Board Aid, etc. does not exceed \$4,000.00.

Advance Mission Specials

Your Conference Board of Missions thanks the churches for their giving during the Conference Year 1965-66 to Advance Specials in the four lanes—Conference, National, World and Methodist Committee for Overseas Relief. We will submit a report for this year showing the amounts given in each lane by church and district at a later time.

Our Advance Specials for the Conference Year 1966-67 are as follows: Conference Lane—Methodist Mountain Missions in Kentucky, Incorporated, Aldersgate Methodist Church in Pike County, Trinity Methodist Church in Ashland, Ida Spence Mission in Covington District, Aldersgate Methodist Church in Lexington, Nathanael Mission in Lexington, St. Paul Methodist Church in Frankfort; Tates Creek Church, Lexington; National Lane—Teacher Education Program at Alaska Methodist University in Anchorage; World Lane—Pastoral Support, Hyderabad Episcopal Area, India, a new assembly hall at Bidar High School of the South India Conference in the amount of \$10,000 during this Quadrennium, and the Burleigh Law Memorial, Congo, to construct a school for secondary students at Wembo Nyama in the amount of \$100,000 from the Southeastern Jurisdiction; and Methodist Committee for Overseas Relief Lane—money from MCOR charts and special offerings.

Our Advance Mission Special giving during the Conference Year 1964-65 amounted to \$86,960.24 from 242 churches.

Your Conference Board of Missions challenges the churches of the Kentucky Conference to aspire to that day when each church in our Conference will have an Advance Mission Special in each of the four lanes—Conference, National, World, and MCOR. If you have not already accepted this challenge, why not accept it this Conference Year!

JAMES A. NORSWORTHY, *Conf. Missionary Secretary*

Church Extension Committee

The Church Extension Section of the Board of Missions has administered funds committed to our care by the Board. We have also handled recommendations to the General Board's Division of National Missions.

From our regular Church Extension Funds coming to us from the Conference Treasurer, we have assisted the following churches this year. Sandy Hook—Parsonage; East Bend Church; Pleasant View Church (Barbourville District); Goddard Church; Vanceburg—Parsonage; Sunny Acres Church.

From the Crusade Funds we have assisted the following: The purchase of a lot for re-location of Washington Church; re-location of Alexandria Church; Pleasant Valley—new church; part of purchase price of lot for new church in Danville; and new church at Frankfort.

We are planning the purchasing of lots for new churches in the immediate future.

The report of our Treasurer is filed with the Conference Secretary for the Journal. (See Financial Exhibit R).

Section II

Methodist Mountain Missions in Kentucky, Inc.

THE RE-BUILDING PROGRAM: During the past 12 months the "Re-Building of our Lewis Memorial Building" has been a major feature in our program of work. We now have a building which is greatly improved over the building before the fire of January 1965. We have about 15,000 square feet of floor space, well-suited to our program of work, which affords much better working conditions for our workers. The re-building costs ran over \$54,000.00. With the \$31,274.37 received from our insurance, plus near \$14,000.00 in gifts and Advance Specials and the income from our stores, we were able to "Pay as we re-built" without borrowing any additional money.

INDEBTEDNESS: As of January 1, 1965, we owed a total of near \$78,000.00. By April 1, 1965, our indebtedness stood at \$74,000.00. As of April 1, 1966 our indebtedness stands at \$62,100.00, plus some interest. We are indeed grateful to our Kentucky Conference Board of Missions and to our many friends who have helped in our repayment of our loans.

INCORPORATION: After several months of careful consideration and having weighed the counsel of several capable people, the Board of Trustees voted to have Methodist Mountain Missions in Kentucky incorporated according to the Kentucky Revised Statutes 273.020. Following the guidance of Attorney Frank G. Gilliam, papers of incorporation were prepared and then properly filed and recorded in the office of the Secretary of State of Kentucky and in the Office of the County Clerk in Breathitt County on April 4, 1966.

OPPORTUNITY STORES: In September 1965 we opened our 8th Opportunity Store in Paintsville. Our sales have increased at Jackson, Hazard, and in the Barbourville Store. Sales at Paintsville have been good. Sales at the other stores have shown some decreases. Still we are offering to the people in these areas good clothing and house-hold furnishings at very reasonable prices. The work of our stores has been made possible by the good cooperation of pastors and Methodist People all over Kentucky, West Tennessee, and in Southern Indiana, who have shared many good and useable items as our trucks have visited their churches.

CHARITY: It is difficult for us to give complete reports on what we have shared with needy people, since we do not have complete records on all items shared. We do have figures on over \$848.00 worthy. Also some of our services to needy people have been carried forward through our church related work and the many acts of service by our pastors. We cannot place a financial value on these services.

EMPLOYMENT: Our employment has increased during the year. Our January pay roll showed 51 persons were being paid for services rendered. We have also given wage and salary increases to our workers during the year, trying to raise these as much as we can and still operate in the black.

CHURCHES: Working with our three churches in Breathitt County we have the Rev. and Mrs. Allen Mitchell and the Rev. and Mrs. Seldon Short. In addition to the Sunday school sessions and the preaching services, we have had Youth Programs, our D. V. C. S's, revivals, and other pastoral services reaching into the homes and lives of our people.

Our three Church Buses are old—two of which must be replaced. Our Church work has been hurt during the past months by the frequent failures of our buses to start when needed.

During the year we have shared \$1,000.00 with churches in the Ashland District, \$500.00 with Churches in the Danville District, and \$800.00 with Churches of the Barbourville District. We have made commitments of \$500.00 to each of these three districts for the coming Conference year.

GIFTS RECEIVED: During the year we have received nearly \$15,000.00 in Advance

Specials and personal Gifts from individuals and from Churches. These Gifts have enabled us "to keep in the black" in our re-building and also to continue many of our services to the Churches of our area.

VISITORS & GUESTS: During the year we have been honored by visits by Mrs. Porter Brown of the General Board of Missions, by Dr. and Mrs. P. J. Trevethan of the Goodwill Industries; by Miss Cornelia Russell of the National Division; and Bishops Roy H. Short and W. Ralph Ward. Also by a number of pastors and lay groups from churches in our Conference, with several out of state visitors. We do welcome these to see the type of work which we are trying to do.

CONTACTS: During this Conference year the Superintendent of the Mission has had the privilege of speaking in 25 churches of our Conference and in 6 churches outside the Kentucky Conference, sharing with these some of the challenges of the Mission.

TRUCKS & BUSES: In January we had to purchase a new truck, which gives a fleet of three good trucks. We are now in need of two church buses and a new carry-all type of vehicle.

We have seen a lot of good work and some marks of progress during the year. We still have much to do and many people who need our helping hands.

The report of our Treasurer is filed with the Conference Secretary for the Journal. (See Financial Exhibit G.)

WILLIAM F. PETTUS

Section III

Woman's Society of Christian Service and Wesleyan Service Guild

Several years ago during a meeting of the Southeastern Jurisdiction Woman's Society of Christian Service Dr. Tracey Jones addressed the group with an impressive message, "Feed my Sheep." This report is about what the women of the Kentucky Woman's Society of Christian Service and Wesleyan Service Guild have done this past year to feed our Father's sheep. As this is being written the final report from the treasurer is not available since the money is still coming in. Our pledge for this year 1965-66 is \$98,700, a giant step in faith, which we women will surely meet. A further giant step has been set in front of us with a new pledge of \$100,000 for 1966-67. This amount will challenge each woman to think prayerfully about her pledge to missions. "Feed my sheep."

Our membership figures are not accurate, they cannot be until we find a way to impress on each local society the importance of sending in an evaluation report. The last reported figure was 9,600 members, but since 77 of our societies did not report, we know this is incorrect. We who are active members are desirous of reaching *all* the women who are not in our group, not only that they may help us in our responsibilities but that we may help them "grow in the knowledge and experience of God as revealed in Jesus Christ."

During the past year we have taken still another giant step in assuming \$3,000, each, in the support of Mr. John Lashbrook and Miss Glenda Lee Cox in the mission field. These workers are in addition to the missionaries we were already undergirding with our money and prayers. Miss Cox, a graduate nurse from the University of Kentucky School of Nursing is serving in Christ Hospital in Kapit in Sarawak. Mr. Lashbrook graduated from Asbury College, Wilmore, and has gone to work in a slum area in Rio de Janeiro, Brazil. Please remember these new special-term missionaries in your prayers. "Feed my sheep."

The East Kentucky Rural Work is progressing nicely with Miss Jennie Flood (a Deaconess) acting as coordinator for work in the Harlan County Area. Miss Virginia Emery (a U.S. 2) and Mrs. Ferne Johnson (employed worker) assist Miss Flood. With money appropriated by the Division of National Missions a church bus has been purchased to help the transportation problem. A bi-monthly paper, the "Harlan County Methodist Messenger" is published giving news of the churches. In the February issue it was interesting to read that the Black Mountain Church has opened its doors to a Day Care School. This offers help for the poverty stricken families that have children 4 and 5 years of age and gives work to some of the members of the church who are employed as staff of the school. Last summer Mrs. Paul Wheeler of Harrodsburg, a member of the Wesleyan Service Guild, felt that she would like to make a worthwhile contribution in home missions. She went to Harlan, helped in the summer program of the area, loving and serving the people. Miss Sarah Casey (employed worker) works with

the churches in Letcher County. Her reports tell of many activities, particularly with the MYF. "Feed my sheep."

Miss Laura Wells, our Church and Community Worker in Lawrence County says that she will probably not have the opportunity to work in every church on her charge simply because her services will not be requested. The local congregation must become aware of a particular need and request her assistance. To quote Miss Wells, "A Church and Community Worker works *with*, not for people and seeks to help persons become more effective and dedicated witnesses and leaders in their churches and communities. She is to 'work herself out of a job' by making herself dispensable."

Miss Doris Shover, our employed worker in Casey County, left to accept a position in Ohio during this past year. It was indeed a loss to us, for Doris was growing in her capabilities. It is with pride that I announce that Miss Mildred May (Deaconess) from Danville will be returning to this conference to assume duties in the Danville District in August. Miss May has been working in Utah for a number of years. "Feed my sheep."

Mrs. J. W. Holbrook, of Morehead, is chairman of the Rural Advisory Committee, the group which oversees and helps the above cited Church and Community Workers in the Kentucky Conference. The Handbook used by her and her committee for guidance reads, "The role of the church and community worker is difficult to define . . . however, certain concerns are prevalent in every area: the development of a more effective Church and a community of concerned Christians. In order to build a more Christian community it is necessary for Christians to be concerned about the welfare of all the people of the community and for the church to be a part of the community—not separate from it . . . these workers serve as resource persons to bring enrichment to the total community and an enlarged social concern and world vision to the churches. They cooperate with government agents, civic and educational leaders, as well as with ministers. . . . Their task includes planting seeds of new ideas; helping individuals and organizations discover ways of working together for the welfare of all; finding and helping develop leadership; stimulating churches and other groups to action." "Feed my sheep."

Sue Bennett College at London, under the capable leadership of Dr. Earl Hays, is an institution of which we are justly proud. The new McDaniel Library Science Building was completed last fall and put into immediate use. The Library was moved into it during the week of November 8-15 and the first science classes were conducted there on November 8th. The Student Center is now under construction, hopefully to be completed during the fall of 1966. Permission has been granted by the Woman's Division to borrow money to erect a faculty apartment building. This project should get under way sometime this summer. Sue Bennett's enrollment showed a 30 percent increase over last year with 373 individuals listed as students. Approximately 180 students are from Laurel County and 275 students are located in the Appalachian area. Sixty-nine students are from out of the state of Kentucky. "Feed my sheep."

After reading this report of the work we have done this year, let me challenge each of you and you return home from this Annual Conference—if you do not have a Woman's Society of Christian Service or Wesleyan Service Guild in your local church—wouldn't you like to have one? Invite your District President or Secretary of Membership Cultivation to help you organize the women of your church that they may have a share in these GIANT STEPS! "Feed my sheep."

NORMA CURRY (MRS. E. T.), Conference President

Courtesies

As we close this year, Mr. A. E. Bodenstein relinquishes his duties as the efficient and able Treasurer of our Board. For many years, he has served as a volunteer, and has literally given thousands of hours of detailed work for the Board of Missions. We express our deepest appreciation to him, and to Mrs. Bodenstein, whose attendance at our meetings and interest in our work has endeared her to all of us. As our Conference Treasurer now assumes this responsibility, this Conference and this Board expresses gratitude to this dedicated layman for his devotion to missions.

We also express appreciation to Mrs. C. L. Cooper for her outstanding service to Methodism as the Conference President of the Woman's Society of Christian Service, and we welcome to our Board, the new President, Mrs. Earl T. Curry.

We continue to express our gratitude to our own resident Bishop Roy H. Short,

who so ably leads the missionary forces of all Methodism. As President of the Board of Missions, Bishop Short gives able leadership and brings honor to our own Area.

We are especially pleased with the fine leadership given to Methodist Mountain Missions by Dr. William F. Pettus. For his dedication we are grateful, and for the splendid progress being made in this field, we give thanks to God. We urge every church in the Kentucky Conference to not only support the clothing project of Methodist Mountain Missions, but to plan for an Advance Special to aid in strengthening our work and witness in Eastern Kentucky.

Report of the Appalachian Committee of the Kentucky Conference

Since the organization of this committee at the suggestion of Bishop Roy H. Short, we have met on three occasions. The Committee has endeavored to outline the scope of its responsibility. At the present time, we are still in the process of study and we do not have a detailed program formulated.

Each District Superintendent with churches in the Appalachian Area is presently making a study of the needs of these churches. Some of these reports have already been received and thus far, we have determined from these districts three areas of need:

1. Closer identification of our Methodist institutions in Appalachia with the people of the Area.
2. A needed merger of churches and a re-alignment of charges.
3. A much more vigorous program of inter-denominational cooperation to meet the spiritual needs of the Area.

In the next few months, we are going to give special attention to the relationship of our colleges to the Appalachian Area. We hope to follow this with a careful study of the relationship of our other institutions and our hope is that we will be able to recommend both to the institutions and to the Conference some patterns of work that will bring a more effective relationship between the institutions and the immediate area served.

We intend to explore every area of need that we can discover in the Appalachian Area which relates to the responsibility of the Methodist Church. From time to time, we will report to the Conference Inter-Board Council and we will hope to develop a program that will make the work and witness of the Methodist Church in Appalachia more effective.

REPORT NO. 3

Section I

BOARD OF EVANGELISM

During the year we have tried to face realistically and earnestly our responsibility to bring all men into living, active fellowship with God through Jesus Christ as the Divine Savior and through the regenerating power of the Holy Spirit; and to gather them into the fellowship of the Church.

This having been the year of "District Evangelism" in our quadrennial emphasis in the Jurisdiction we have encouraged the district secretaries to work closely with the District Superintendents in developing the district program of evangelism. Our direction was clearly defined by Bishop Short in a special meeting of the Cabinet, district secretaries of evangelism and the conference secretary early in July. After presenting a study of the last ten years of our evangelistic record in the Kentucky Conference, it was observed that while we have shown some net gain, our losses have been too great, particularly by Quarterly Conference action; (we dismissed by quarterly conference action 44% of the number received on profession of faith during the ten year period) and the number of charges and churches not reporting additions by profession of faith, alarming. (35% of the churches in the Conference failed to receive one new member on profession of faith during the year of 1963-64.) Across the Conference it took 31 persons to win one new member.

In the light of this, Bishop Short suggested four evangelistic goals for the year, charging the District Superintendents and the district secretaries to close and careful cooperation in carrying them out:

1. A commission on membership and evangelism with a positive emphasis in each local church.
2. Each pastor taking a positive lead in a program of pastoral care for the entire constituency: the active, inactive, and prospective.
3. Professions of faith in each local church with a minimum goal of one.
4. Net gain in membership in each local church.

In each cabinet meeting this year the evangelistic report has been the number one item of importance. The reports have been encouraging. While we wish that the number could have been much greater, we are happy that we can report that we have had a net increase in membership this year of 627, making our present Conference membership 78,721. There was a slight increase in the number received on profession of faith over last year . . . 2024 as compared with 1948, or 76 more.

During the year our Conference was represented at the Evangelism Workshop at Lake Junaluska by five of the district secretaries and the conference secretary; represented at the Council of Evangelism meeting in Miami by Robert Scott, district secretary; Harold Dorsey, District Superintendent; William Pope, Board chairman; and Thomas Ditto, conference secretary. We commend the district secretaries and the District Superintendents for a really fine effort this year.

"A VENTURE IN FAITH" becomes the theme and concern of our Conference, Area, and the entire Jurisdiction during the Conference Year 1966-67. While it is recognized that there is much in the philosophical and theological climate of our day that is not conducive to what we are seeking to do in "A Venture in Faith," at the same time we cannot be ministers in the succession of John Wesley and not believe in evangelism.

Our purpose and desire in "A Venture in Faith" is to develop a program that every church and every pastor can enter with a large sense of latitude and freedom of adaptation. But there is no way in which we can have total results without total effort, both by the Conference as a whole, and by each individual church and pastor. Our church needs the renewal that can come through such a simultaneous, concentrated effort, for its own salvation.

The District Superintendents and the district secretaries have been telling us for months that the dates for "A Venture in Faith" will be February 12-17 and March 5-10, 1967, and that every church and minister is to clear their schedule so that we can all give our full effort and attention to this. Every charge and minister is to be involved in the exchange with the Louisville Conference. We will assist them in February and they will come to assist us in March. The details of the exchange and assignment will be worked out by the Bishop and the Cabinet.

With our many faceted program in this Conference and with the great financial load we have, we need the refreshing and renewing that will come through a whole-hearted acceptance and involvement in "A Venture in Faith." It depends upon us whether this is just "another" program which will be burdensome and drudgerous, or be the source of new life and strength which we so greatly need in our area.

The Venture in Faith will be actively launched at an Area Cabinet meeting scheduled the week of June 20. While it will become our basic program and primary concern for the coming year, we again emphasize that from the very beginning of the year each pastor and church reaffirm their commitment to the goals previously referred to:

1. A Commission on Membership and Evangelism with a positive emphasis in each local church.
2. Each pastor taking a positive lead in a program of pastoral care for the entire constituency: the active, inactive, and prospective.
3. Professions of faith in each local church with a minimum goal of one.
4. Net gain in membership in each local church.

Our Conference Evangelists have been busy this year. They have held an average of 18 revivals or meetings each. They report a total of 3943 professions of faith, 716 additions to the Methodist Church, many groups for prayer, study and witnessing started, and many persons committed to tithe, have family devotions and attend church regularly. We recommend the following Conference men as approved evangelists: Joseph Brookshire, James Gibson, Ford Philpot, James Rose, William Rudd, Maurice Stevens, and H. Gilbert Williams. The following are recommended as approved local preacher evangelists: Edward Brown, G. C. Gaunce, Roscoe Jenkins, W. H. McComas and Harry Wood.

Report on Ruggles Camp

Ruggles Camp experienced one of its most refreshing and fruitful seasons in 1965. Under the evangelistic ministry of Reverend Harry Hitch, many experienced spiritual "times of refreshing from on high." The camp meeting was evaluated by many as one of the best in many years. A fine emphasis was placed on youth and some 75 were registered, most of whom were resident on the grounds. The Reverend and Mrs. Robert C. Pugh and the Reverend and Mrs. William H. McKain were in charge of the youth program which was most effective.

The Board of Directors seeks to promote a program of improvement of the physical facilities and a combination concession facility and bookstore building was erected last year. The boy's dormitory has undergone remodeling this year.

A successful season is anticipated for 1966, July 21 to 31, under the leadership of Dr. Robert E. Coleman, evangelist, and Mr. & Mrs. Don Rollings, musicians. The Pugh's and McCains will again lead the youth program.

The prayers of sincere Christians are solicited for Ruggles Camp and a warm invitation extended to its services.

The following are nominated by the Board of Directors to the Board of Evangelism as trustees in the class of 1969:

Reverend Ben Cain, Harry Hord, Shelby Osborne and Donald Burton.

WILLIAM POPE, Chairman
Board of Evangelism

REPORT NO. 4

INTERBOARD COUNCIL

For the past twelve months the Interboard Council, working under a mandate of the 1965 session of the Kentucky Annual Conference, diligently has sought to perfect a working council structure and to bring together a staff of competent persons to promote the work of all conference boards, commissions, committees, and agencies through a central office. When adopted this plan brings to fruition the diligent study and hard work of many persons and several committees of the past several years.

Enabling Act

1. History

At an adjourned session of the Kentucky Conference held at Lexington, Kentucky, on March 6, 1959, a resolution was adopted which called for the establishment of a Central Headquarters for the Conference and the appointment of an Interboard

Secretary to work across the board for all Conference interests. A committee was appointed by the bishop to perfect the organization called for in the resolution.

The special committee brought to the 1959 session of the Kentucky Conference an Enabling Act for the Interboard Council of the Kentucky Conference. The Enabling Act was adopted but, due to a number of circumstances, the provisions of the Enabling Act were not implemented. However, the 1965 session of the Kentucky Conference adopted a resolution calling for the Interboard Council as it then existed to bring plans to the 1966 session of the Conference for implementation at that time.

2. Purpose of the Council

The General Conference wisely has created certain boards, commissions, committees, and agencies to function within the Annual Conference to promote the work of the Church in specific areas such as education, missions, evangelism, social concerns, ministerial training, pensions, vocations, institutions such as hospitals and homes, communications, worship, deaconess work, women's work, lay work, town and country work, and stewardship and finance. Through the Interboard Council the resources of the Conference shall be used to correlate, plan, and promote the work of *all* these interests that the best possible program may be implemented as the unified program of the Kentucky Conference. It is understood, however, that while the Interboard Council is established for correlation and promotion it has no authority over the various boards, commissions, committees, and agencies whose powers and duties are clearly defined in the *Discipline*.

3. Membership

The Interboard Council of the Kentucky Conference is composed of the bishop, the district superintendents, the chairman of the Board of Education, the Board of Evangelism, the Board of Missions, the Board of Christian Social Concerns, the Board of Lay Activities, the Deaconess Board, the Board of Ministerial Training, the Board of Hospitals and Homes, the Board of Pensions, the Commission on Christian Vocations, TRAFCO, the Commission on Town and Country Work, the Commission on World Service and Finance who shall be an observer without vote, and the President of the Conference Woman's Society of Christian Service.

The Executive Committee of the Interboard Council as specified in the Enabling Act is composed of the officers which are chairman, vice-chairman, and secretary; a district Superintendent elected by the cabinet; the President of the Conference Woman's Society of Christian Service; the chairman of the Board of Education, the chairman of the Board of Lay Activities, the chairman of the Board of Missions, and the chairman of the Board of Evangelism.

Council Staff

After careful consideration the Interboard Council members feel that it is necessary to employ the following staff personnel to implement the program of the conference and to carry out the work of the Central Office.

1. Council Director

There shall be a Council Director. This person will direct the promotion of the entire Conference program that comes to the Interboard Council from all boards, commissions, committees, and agencies of the Conference. It will be the Council Director's responsibility to delegate responsibility to other staff personnel.

The Council Director will carry the portfolio of the Board of Education and serve as the executive secretary of all boards, commissions, committees, and agencies within the framework of the Interboard Council. Where there are persons designated as Conference Secretaries for certain boards as, for example, Conference Missionary Secretary and Conference Secretary of Evangelism, these persons will continue in their present capacities and serve as assistant executive secretaries.

The position of Council Director shall be commensurate with the office of the district superintendent and shall have the same salary and the same tenure of office as the district superintendency.

2. Assistants to the Council Director

There shall be two Assistants to the Council Director on the Council Staff at the present time. As the work load of the Council Office increases to warrant it other Assistants to the Council Director may be employed.

One of the Assistants to the Council Director shall have special skills in the field of youth work and shall be able to work with youth for all boards, commissions, committees, and agencies of the Conference through the Interboard Council. The other Assistant to the Council Director shall have skills in the field of children's work and adult work and shall be able to work with all conference interests through the Interboard Council.

These persons shall work as assistants to the Council Director performing those duties and responsibilities delegated to them by the Council Director or specifically assigned to them by the Interboard Council.

3. Office Manager

The Interboard Staff shall include an Office Manager. This person will direct the production work of the Council Office and carry the portfolio of the Board of Pensions.

The Office Manager will serve as Conference Treasurer receiving and disbursing all funds of the Kentucky Annual Conference. Under this setup the Conference Treasurer will handle all funds of the Conference thus eliminating the necessity for Boards, commissions, committees, and agencies to handle funds and elect treasurers. In the performance of his duties as Conference Treasurer the Office Manager shall call upon the the secretarial staff necessary assistance.

4. Office Secretaries

At the present time two office secretaries will be employed as a part of the Interboard Staff. Others may be employed as the work load demands. The office secretaries will not serve as private secretaries to individual staff personnel. Instead the office secretaries will perform clerical responsibilities for all Interboard personnel and do such clerical work as may be required to maintain a Central Office for the Interboard Staff.

5. Camp Director

A part time Camp Director will be employed by the Interboard Council to direct the summer camping program at Aldersgate Camp. The Camp Director will work full time during the summer camping season and be available on week ends before and after the camping season as the Camp Committee of the Board of Education may need the Camp Director's service.

Central Office

The Interboard Council Staff will be housed in a Central Office to be located in Lexington, Kentucky. At least for the first year of operation the Central Office will be located at 200 West Second Street in Lexington in the space now occupied by the Staff of the Kentucky Conference Board of Education plus additional space adjacent to this office. This additional space is being made available to the Interboard Council and will be ready for occupancy immediately following this session of the Kentucky Conference.

Interboard Council
HOWARD COOP, Secretary
Interboard Council

REPORT No. 5

COMMISSION ON WORLD SERVICE AND FINANCE

Section 1. We recommend that the askings of the Council on World Service and Finance be as apportioned to the Conference—\$130,380.00.

Section 2. We recommend that the Annual Conference require each Board, Commission, Committee and Agency to send to the Inter-Board Council and the Conference Commission on World Service and Finance an itemized report of their expenditures for the current year with their request for funds for coming year, at least 45 days before the Annual Conference convenes. Failure to comply will result in request for funds not being recommended as the Discipline directs.

Section 3. We move that churches having a change in pastors pay the moving

expense of the incoming pastor, and that the moving expenses of incoming District Superintendents be paid out of the District Superintendents' Fund.

Section 4. We recommend that the Annual Conference require each District Superintendent to file an itemized list of the expenditures of the District Promotional Fund and of the District Superintendents' Expense Fund with the Commission on World Service and Finance at least 45 days before the Annual Conference convenes. These two Funds shall be printed in Conference Journal.

Section 5. We recommend that the Annual Conference approve the goal for Higher Education of \$2.00 per member.

Section 6. We recommend that the fifth (5) Sunday offering of the Sunday School be designated for the Methodist Home at Versailles.

Section 7. We recommend that in the future all financial campaigns be restricted to a maximum of three (3) years, and that they be closed at that period without extension.

Section 8. Again, we cite paragraph 810, page 276, of the 1964 edition of the Discipline of The Methodist Church which states,—“No Annual Conference Board or interest, such as school, college, university, or hospital, shall make a special conference-wide appeal to the local churches for funds without the approval of the Annual Conference, except in extreme emergency, when such approval may be given by a two-thirds vote of the District Superintendents and the Commission acting jointly.”

It is the duty and responsibility of your Commission on World Service and Finance to make a diligent effort to secure full information regarding all conference benevolences and service causes, that none may be neglected, jeopardized, or excluded. We feel that there have been cases in which unauthorized appeals have been made to the detriment of our annual conference programs. We believe that in some cases there is a misunderstanding as to the meaning of the term “Conference-wide” and henceforth shall define it as being any area beyond that over which the individual, board, or agency has direct control or supervision, such as pastors soliciting persons other than their own congregation, or agency, minister or layman making unauthorized appeals.

Section 9. We recommend the payment of seven (7) cents a mile by all Boards for traveling expense.

Section 10. We recommend the apportionment equivalent to 2% of the Pastor's salary (approximately \$19,000.00) across the Conference on the World Service formula for the implementation of the Reserve Pension Fund (MRPF).

Section 11. We recommend that an apportionment across the Conference on the World Service formula of \$9,250.00 for the HMEP (retired ministers and widows of the Conference.)

Section 12. We recommend that the Inter-Board Council be allowed to borrow up to \$10,000.00 for operational expenses in any given year.

Section 13. We recommend that Mr. Basil Hayden be nominated as Conference Treasurer to fill the unexpired term of the Rev. Harold Daniels, who for health reasons has found it necessary to tender his resignation. On behalf of the commission and the entire conference we want to record our highest commendation and deepest appreciation to Mr. Daniels for his ten years of faithful and efficient service as Treasurer of the Conference.

REPORT NO. 6

BOARD OF MANAGERS—CONFERENCE HISTORICAL SOCIETY

At the 1965 meeting of the Kentucky Conference, John K. Hicks was elected Chairman; Watler Piper, Vice Chairman, and Charles T. Pinkston, Secretary-Treasurer. James E. Wilson, Charles T. Pinkston and John K. Hicks were elected to attend the Southeastern Jurisdictional Historical Society meeting. The Jurisdictional Society met at Lake Junaluska, North Carolina, July 15, 1965. Our three chosen delegates attended and reported a most valuable and enjoyable experience. The meeting there was characterized by optimism for the future history of our great church as well as for its past history.

We received at the Jurisdictional meeting directions for the observance of the Bicentennial of American Methodism in 1966. We have sought to carry out as many of these directions as possible in our Conference during this year. A few of these have been: the preaching of historical sermons, the seeking out of the oldest active churches and commending them, assisting in dramatizing this year with 'Saddle-bags Riders' to Baltimore (the one who came through Kentucky was Rev. Sidney C. Dillinger from McCracken, Kansas), by seeking to have the largest possible delegation from the Kentucky Conference at the Baltimore Celebration April 21-24, 1966, and by assisting in every way we could with our own celebration here on Saturday evening of our Annual Conference.

At our mid-year meeting in Lexington D. C. Snyder, Charles T. Pinkston and John K. Hicks were selected to attend the Baltimore celebration and also the 1966 Southeastern Jurisdictional Historical Society meeting which will be held in Baltimore during the same period. These delegates all plan to attend and we shall have a supplementary report of these meetings later.

The Conference Historical Society makes the following recommendations:

FIRST—That our District historical secretaries and local church continue to gather valuable historical records and to file the same with the Historical Society.

SECOND—When the library is relocated, which will have to be in the near future, that attention be given by all concerned to locate it in a room more suitable and useable for such valuable materials.

THIRD—That our committee continue to work with the owners of Bethel Academy site in seeking to secure the sacred grounds for our Conference.

FOURTH—That we recognize and commend the congregation of Grassy Lick Methodist Church as being perhaps the oldest continuous Methodist Church in Kentucky. This church was founded before 1790 and the first building erected in 1793. Other churches which continue at or near the same location where founded to which we would like to give honorable mention are: the Woodlawn Methodist Church founded about 1790; the Shannon Methodist Church which was a part of the Limestone Circuit in 1790, the first building erected in 1801; and the First Church, Lexington, founded about 1789 and in 1804 became the first station west of the Alleghanies.

The report of the treasurer will be filed with the secretary of the Conference for the Journal. (See Financial Exhibit C).

REPORT NO. 7

BOARD OF EDUCATION

Section I—Local Church Section

Statement by Executive Secretary

The task of Christian education, as understood by the Conference Board of Education staff, is to assist persons in becoming aware of God's seeking love and respond by accepting Him as Father and uniting with the church. Therefore, all of our activities, during the year have been structured with this one aim in mind. Our hope is that our labors have, and will continue to bear fruit.

Realizing how impossible it would be for the Conference Board of Education staff to work closely with every district, sub-district, and local church organization due to lack of time and finances, early in the conference year training experiences were provided through various channels. For example, meetings were held with district general

church school, adult, youth, and children's workers, conference committee on children and youth work, the senior high MYF council, and district staff. In fact, throughout the year the training of leaders was maintained through the Senior High Presidents' Assembly, Institute, and camp, junior high camps, sub-district MYF meetings, training of conference, district, and local church leaders beyond the conference. Last, but not least, A-V materials and resources, letters, and printed materials from conference and district staff members containing information and inspiration was shared with the local church leaders.

The executive secretary, being charged with the responsibility of carrying out the conference program of Christian education, as set forth by the conference Board of Education, and duties of the office has spent the year supervising the office, counseling conference, district, and local church leaders, attending board, committee, council, and conference meetings relative to the program of Christian education and responsibilities of the Conference Board.

Youth Division

With the conference director of youth work leaving the office December 31, 1965, much of his responsibilities have fallen upon the staff members, especially the executive secretary, who seeks to make a report for this division.

Under the leadership of our conference director of youth work, the following enterprises were provided: Senior High President's Assembly, which witnessed a slight increase in attendance over the past year; Senior High Methodist Youth Fellowship Institute, which about held its own; Work Camp, which saw a slight improvement over the one the previous year; Senior High Camp which, was poorly attended; six Junior High Camps which experienced a marked decrease in attendance over the previous year; a number of workshops and district institutes.

Older youth work, now known as young adult work, has been a problem to us annually. Although the work was functioning poorly in the Lexington area, it has now ceased to be.

Last fall six persons, including the conference director of youth work, attended a Southeastern Regional MYF Seminar at Lake Junaluska. A similar number attended a "Listening Post" Meeting held in Columbus, Ohio. Both groups reported profitable experiences.

The conference director of youth work, as well as other staff members, assisted in a number of local church retreats held at Aldersgate Methodist Camp last summer and fall.

Presently plans are underway for senior high President's Assembly, Institute, and camp, as well as junior high camps, for the forthcoming season.

Aldersgate Methodist Camp was opened April 21st for staff training meetings and retreats prior to regular camping this summer.

As of this date, there has been little specific preparation made for the introduction of new curriculum material for the youth division in September, 1968. Nevertheless, the office has been and is widely concerned about plans for the introduction of new curriculum materials and resources.

Adult Division

This year, as in the past, the executive secretary, has had to carry responsibility of the adult division, including the making of this report.

Activities during the year have consisted largely of meetings of general church school and adult district directors, district staff meetings, and training experiences relative to new curriculum materials and resources which will be available in September, 1967 and 1969. We have seen more evidence of interest and growth in the adult division this year than in any time to-date.

The office, executive secretary, and district directors of adult work, have begun to talk and make plans for the new curriculum and resource material. However, since they are not to be introduced until one year and two years hence, much work remains to be done in this area.

Children's Division

Linda V. McElwain, director of children's work

Experiences which the child has in the fellowship of the church—at the church building or in the home and community—affect his response to God. It is our concern

therefore, that the efforts put forth in our workshops, institutes, schools, etc., be to undergird the leadership in the local church in their preparation for guiding the children as they respond to God's seeking love.

In addition to routine office responsibilities such as correspondence, the study of materials, and so on, the director has traveled several thousand miles through all seven districts in the conference, participating in (11) Christians workers' schools (one as an interdenominational school), (17) local church meetings, (5) out-of-the-conference meetings, (5) committee meetings of the Board of Education plus (3) other agencies making a total of (82) meetings held or attended.

An incomplete report of vacation church schools held during the year (96 schools reporting) showed that 1,307 workers had led 5,200 boys and girls in very profitable experiences. In preparation for the second year's usage of our 5th quarter Christian Studies for Methodist Children's vacation church school series, we held (7) meetings for the local church's vacation church school director in some districts (154 attending with 60 churches represented) prior to our institutes for the training of the vacation church school teachers. We have to this date held (3) vacation church school institutes (137 attending with 41 churches represented.)

May I express to this board my sincere gratitude and thanks for your generous support. In providing me with many opportunities of learning with areas of service, I am indeed a much richer person. As I complete my second year as your director of children's work, I must say that this report and other reports in the past could not have been possible had it not been for the many persons who gave so generously and unselfishly of their time. I am indeed grateful.

Committee on Family Life

The Committee on Family Life met and set up goals and programs for both the year and the quadrennium, 1966-68, as follows:

Encourage families to use Thanksgiving and Christmas Worship materials, observe Family Prayer Sunday the first Sunday in January, and National Family Week the first week in May with a Children's Day program for the first Sunday in May and Christian home observance program the second Sunday in May.

Plan a family life camp or conference to be held at Aldersgate Methodist Camp or a college campus in 1966.

Encourage families to attend the Southeastern Jurisdiction Family Life Conference the third week of July, 1966; World Family Conference, August 17, 1966 and National Family Life Conference, October 14-16, 1966.

JAMES A. SHEPHERD, Chairman

Leadership Education

We are pleased to report that leadership education in our conference has experienced a decided advancement over previous years. During the year, from one to three first-series accredited Christian Workers Schools were conducted in each of the seven districts, where from three to four courses were offered. 634 persons were enrolled in these schools with 324 receiving cards of recognition.

In addition to schools mentioned above, the Woman's Society of Christian Service reported a first series school held at Sue Bennett College with 127 persons enrolled. We have heard of other schools being held, but this office does not have a report from any of them. We do know of another first-series school to be conducted in May of this year.

We are delighted to report that each conference staff member and eight district staff members participated in one or both leadership schools and workshop experiences beyond the conference. Reports received in the office indicate that 53 additional persons, from local churches throughout the conference, attended laboratory and leadership enterprises beyond the conference which is also of interest and importance.

That which pleases us as much or more than anything else is to report that a team of three persons from Centenary Church, Lexington, spent a week last summer at Lake Junaluska with similar teams from other conferences—and a number of additional weeks after returning home—helping to develop the new curriculum materials and resources for adults which will appear in 1969.

Workshops and Institutes

Leadership schools were stressed this year at the expense of workshops, yet to our knowledge between 15 and 20 workshops on the district, subdistrict, and local church levels were held.

Retreats

We are pleased to see that more district, subdistrict, local church, and Wesley Foundation groups are conducting retreats. Such can and should be profitable experiences for both individuals and groups.

District Staff Meetings

All district staff meetings were held earlier this year than in the past. They should be held earlier still, and twice annually. Furthermore, it is imperative that these meetings be better attended if the work is to be done as it should be in each district.

Conference-Wide Music Workshop

A most successful conference-wide music workshop, held jointly by the Board of Education and Kentucky Conference National Fellowship of Methodist Musicians, was conducted last fall with 43 persons in attendance. It was the conviction of many of those present that such should be held annually in one or more locations in the conference.

Curriculum and Resource Materials

With the assistance of the General Board of Education, Cokesbury, and TRAFCO, the Board office is kept up-to-date relative to the latest in curriculum and resource materials. As far as possible, these are stocked, either by the Board office or the film library, and distributed or announced through correspondence, workshops, institutes, and other training enterprises. Yet, we are constantly discovering that some of our leaders on all levels are unaware of materials and resources available for their particular needs and the needs of those they seek to inform.

We continue to be grateful for the reception that local churches have given CHRISTIAN STUDIES FOR METHODIST CHILDREN. In some instances such have paved the way for both minor and major changes throughout the local church school. Furthermore, we are persuaded that the success of these new materials is going to make it easier for many church schools to accept new curriculum and resource materials in the offing in both the youth and adult divisions.

Those Certified as Deans or Instructors

Harold W. Dorsey, Robert Hart, Jr. and W. R. Jennings were certified as deans. J. Hayden Igleheart was certified as instructor for the following courses: UNDERSTANDING THE BIBLE, HOW THE BIBLE CAME TO BE, OLD TESTAMENT: CONTENT AND VALUES, THE TEACHING OF THE PROPHETS; Mrs. David C. Ross was certified for the Laboratory Course, Elementary III-V and Mrs. James A. Kean for the Kindergarten; Dr. George A. Turner was certified for the course, Understanding the Bible, and Rev. W. Hugh Smith for the course on Helping Adults Learn in a Changing World.

Mrs. Boyd N. Tucker was certified in the course MUSIC IN CHRISTIAN EDUCATION.

Others are working on certification for courses. We wish that others still would make plans to do the same.

Camp Committee

Section II

Your Camp Committee would like to begin its report by expressing its appreciation to the staff of the Board for their continuing help and efforts at Aldersgate Camp. Especially we would thank Rev. Charles W. Tanner and express our regret at his resignation last December.

Your Committee has had to face the upcoming change in the structure of Annual Conference with the establishment of the Interboard Council this Conference. We have found it necessary to establish the position of a Director of Camping for Aldersgate this summer. The chairman went before the Interboard Council last February and proposed this position of director and asked for, and received, an assurance of \$1,200 for the three months of summer camping and week-ends prior to and following the summer camping season. Your committee then sent a letter to all pastors of the conference asking for assistance in finding a person to fill this position. At the time that this report is being written I have received six applications for the position and your committee hopes to have a name or names to place before the board for your approval at the time of meeting.

Your Committee has been disturbed in regard to the camp apportionment for the conference. At the close of the second quarter a letter was sent to all pastors, Commission on Education chairmen, and church school superintendents, with an appeal to fulfill their commitment to Aldersgate Camp. (see treasurer's report for details)

Due to lack of funds your committee has been unable to effect any new construction at the camp. We hope to be able to remedy this in the very near future.

Section III
Recommendations for 1966-67

1. That the apportionment from the Annual Conference be continued at \$20,000 and that the Commission on World Service and Finance be requested to make it a preferred claim.
2. That the Camp Committee continue the plan of development, operation, and expression as provided in the master plan as time, needs, and funds dictate; and that the Camp Committee remain a part of and under the direction of the Board of Education.
3. That the administration policies and programming of Aldersgate Camp shall be under the direction and control of the Camp Committee with the approval of the Board of Education.
4. That every effort be made to tell the story of Aldersgate Camp throughout the conference. It has been suggested that a bulletin insert be prepared for use in the local church on a designated Sunday.

DAVID ROSS, Chairman

Section II—Committee on Higher Education

Higher Education in the Kentucky Conference is a closely united venture with the interests of the Louisville Conference. This is true to the extent that our concerns are of Area-wide importance. Progress within the bounds of the Louisville Area in higher education during the last four years has been amazing. The pride and purposes of our three Methodist colleges have been redeemed. We can be especially proud of the statistical progress during the last four years. Outstanding growth has been achieved in the physical plants, endowments, enrollments, libraries and spirit of service to Kentucky.

The current success in higher education in Kentucky is due largely to the excellent administrations of our colleges. However, it is obvious that the past quadrennial emphasis on higher education and the recent capital funds campaign have brought new life to our campuses.

Even though we have officially concluded the Higher Education and Church Extension Crusade we cannot neglect our future financial responsibilities. The Kentucky Conference churches have increased their contributions to Higher Education Operation Expenses almost 70% during the years 1961-1965. This shows that the Crusade did not hinder but rather helped us to be more conscious of the needs of our colleges and Wesley Foundations. It would be tragic if we should neglect the needs and services of our colleges now that the Crusade is completed.

We need to be reminded again of the actions of the 1964 General Conference concerning Higher Education. Three of them are relevant to us. (1) The average per member financial support goal for schools and colleges was set at \$1.50 minimum. The goal for Wesley Foundations was set at a goal of .50 per member. The goal for Race Relations Sunday is \$1,000,000. (2) In its report to the district superintendents, the local church will now furnish the names of members who are juniors in high school. (3) The Commission on Christian Social Concerns in the local church is urged to join with the Commission on Education and the pastor to sponsor the observance of Race Relations Sunday.

In keeping with the changes of the 1964 General Conference regarding higher education and in view of our own needs in Kentucky we recommend:

1. That the coming year will be the third year of the quadrennium and so we recommend that the goal for higher education support be \$1.87 per member. (We are attempting to meet the total \$2.00 goal by 1967-68.) Each district is to be assigned a percentage of this goal on the same basis of assignment to the districts as is used in the World Service Formula for such apportionments.
2. That district superintendents, pastors, and laymen continue to offer leadership, information, and inspiration concerning the actions of our conference in the area of higher education.
3. That strict adherence be given to the requirement that each church supply the district superintendent the names of their high school juniors and seniors.
4. That every Methodist in the Kentucky Annual Conference be informed of the significance of the Race Relations Sunday offering.

Some of the important facts about our three colleges are:

UNION COLLEGE: Student enrollment (full and part time), 1,168; Graduates 1965, 162; Physical Plant Investment, \$4,487,741; Endowment, \$1,641,058; Methodist Students, 440; Plant Indebtedness, \$1,882,000; Faculty, 55; Library 41,927 volumes.

KENTUCKY WESLEYAN COLLEGE: Student enrollment (full and part time) 1,148;

Graduates, 1965, 138; Physical Plant Investment, \$3,638,939; Endowment, \$674,414; Methodist Students, 418; Plant Indebtedness, \$807,000; Faculty, 50; Library, 40,318 volumes.

LINDSEY WILSON COLLEGE: Student enrollment, 572; Graduates, 1965, 90; Methodist Students, 258; Physical Plant Investment, \$1,084,716; Endowment, \$67,965; Physical Plant Indebtedness, \$50,673; Faculty, 33; Library, 16,000 volumes.

RALPH G. WESLEY, Chairman

Section III—Recommendations

We recommend that Methodist Student Day be observed the second Sunday in June, at which time the Methodist Student Movement Loan program be emphasized.

We recommend that Christian Education Week, beginning the last Sunday in September, be observed with a special thrust on Christian education.

We recommend that Student Recognition Sunday, the last Sunday in December, be observed, at which time the church college and Wesley Foundation are emphasized.

We recommend that National Family Week, which begins the first Sunday in May, be given special emphasis.

We recommend that the fourth Sunday church school offering be applied on world service projects.

We recommend that the fifth Sunday church school offering be sent to the Methodist Home, Versailles, Kentucky.

We recommend that Race Relations Day offering be directed to Paine College, Augusta, Georgia.

We recommend that Church School Rally Day asking of \$2,500 be included in the Roll Call.

We recommend that \$500 be allocated to the Committee on Higher Education to be used for promotion and cultivation.

We recommend that our Kentucky Annual Conference accept the challenge of raising the General Conference goal of \$2.00 per member for higher education—\$1.50 for our colleges and .50 per member for our Wesley Foundations—and that we strive to reach that goal by the end of the quadrennium. We recommend that the total conference attempted realization for the next year be \$1.87 per member including the amount allocated to higher education from the World Service appropriation and receipts.

We recommend that the apportionment for Aldersgate Methodist Camp be \$20,000.00.

We recommend that the Camp Committee continue the plan of development, operation, and expansion as provided in the master plan as time, needs, and funds dictate.

We recommend that the administration policies and programming of Aldersgate Methodist Camp shall be under the direction and control of the Camp Committee with the approval of the Board of Education.

REPORT NO. 8

BOARD OF HOSPITALS AND HOMES

Section I

We have had a good year with our Hospitals and Homes, with several outstanding achievements. Some of these are:

The acquisition of The Miners Memorial Hospital of Pikeville, Kentucky, from the ARH Corporation in Pikeville, Kentucky, which is now owned and operated by The Kentucky Conference through our Board of Trustees of The Pikeville Methodist Hospital.

The canvass for funds for The Good Samaritan Hospital in Lexington and Fayette County has been highly successful and points the way toward the financial campaign for funds to build new hospitals at Lexington and Pikeville.

New improvements at The Methodist Home, including the new Sewer System is nearing completion and will put our Home in good standing for The State Health Department requirements.

We are looking forward to even greater achievements in this Conference year in the financial success for our two Hospitals and a substantial increase in our facilities and services at our Methodist Home at Versailles.

We commend our three Administrators and their Board of Trustees for the fine job they are doing in their respective responsibility. Under this capable leadership, the future looks bright for the continuation of healing hands, kindly services, and compassionate understanding. We are laborers together in building God's Kingdom.

We commend our Chaplain, Rev. T. O. Harrison for his fine spiritual ministry to the personnel and patients of the Good Samaritan Hospital. We recognize his invaluable contribution in this healing ministry.

We express special thanks to the General Board of Hospitals and Homes and to Dr. D. Coyd Taggart for their excellent survey of our Hospitals and Homes Institutions in our Conference this past year. They have provided us with invaluable information and understanding in our present status in our Conference in our Hospitals and Homes.

- E. That the 1966 Annual Conference confirm the action taken by the 1965 Annual Conference, whereby, approval was given for a campaign for capital funds to be conducted throughout the Conference for Good Samaritan Hospital, Lexington and The Methodist Hospital, Pikeville. This campaign to have as its goal a total of one million, five hundred thousand dollars, one million of which would be for Good Samaritan Hospital and five hundred thousand for the Hospital at Pikeville.

We further recommend to the 1966 Annual Conference that the Conference campaign for capital funds for the two hospitals be conducted during the months of September, October, and November 1966, with the pledge period to extend over a three-year period beginning in January 1967, and that planning for the campaign begin immediately following the conclusion of the 1965 Annual Conference.

- F. At the session of the 1965 Annual Conference we asked for permission to explore the possibility of building a High-Rise Apartment Building for Senior Citizens. Due to unforeseen financial obligations that would involve our Conference, we recommend that for the present time that this project be put on the shelf.
- G. We recommend that the Bishop appoint a member of the Cabinet to serve on The Hospital and Homes Committee.
- H. We recommend that the District Director of Golden Cross be made a District Director of Hospitals and Homes and become a member of the Conference Board of Hospitals and Homes.

a) Good Samaritan Hospital

A review of the volume of service rendered by Good Samaritan Hospital during the fiscal year ending June 30, 1965, reveals an increase over the previous year in practically all areas of service. The major indices of service for the years are as follows:

Adults and Children Admitted	10,150
Babies Born	843
Patient Days of Care (including newborn)	72,722
Average Daily Census	199
Number of Surgical Operations	6,032
Number of Emergency Patients	18,807

Even though the hospital provided charity service valued at almost \$165,000, the institution's financial operation for the year ended with a small operating margin, indicating that the hospital's fiscal policies for the year were sound.

The past year witnessed considerable progress in the development of the hospital's vitally important building program. During the Spring of 1965 solicitation for the Building Fund Campaign was conducted among the groups directly associated with the hospital, namely, the Board of Trustees, Medical Staff, employees, hospital auxiliary and the alumnae association of the school of nursing.

This initial phase of the campaign was very successful and the results extremely gratifying to all parties concerned. The exemplary giving by those associated with the institution indicates the wholehearted support of the project by those individuals and establishes a criteria for support from the members of the community and The Methodist Church.

The community phase of the Building Fund Campaign is currently in progress and is scheduled for completion by early summer of this year. Outstanding citizens of Lexington and Fayette County have assumed positions of leadership in this phase of the campaign. The excellent publicity of the program received from all of the local news media has created substantial interest in the project. These and numerous other factors give every indication that the local phase of the campaign will be successful.

In March 1966 the hospital was advised by the State Department of Health that the institution would receive a Federal grant from the Hill-Burton program for the construction of a new hospital facility and remodeling of the 1954 building. Although the amount of the grant has yet to be determined, the funds are scheduled for allocation beginning in the fiscal year 1966-67.

Presently the preliminary construction plans for the new hospital are being reviewed by the architect with hospital representatives prior to the inauguration of work on final drawings and specifications. If all aspects relating to the financing and planning of the project are resolved in accordance with the present schedule, construction of the project should begin by June 1967.

In December, 1965 notification was received from the Joint Commission on Accreditation of Hospitals that Good Samaritan had been granted full three-year accreditation as a result of the survey conducted in October by the Commission's representative. However, in its report to the hospital, the Commission stated that "plans for the new construction should be expedited to correct as soon as possible the present physical deficiencies." Hence, this national accrediting body recognized the imperative need of rebuilding Good Samaritan if the hospital is to continue to render service as an accredited institution.

The Board of Trustees of Good Samaritan Hospital is not prepared at this time to make its recommendations for membership on the Board but will submit those recommendations to the Board of Hospitals and Homes prior to the session of the Kentucky Annual Conference in June.

Respectfully submitted,
JOHN C. PRATT, Administrator

b) Methodist Hospital of Kentucky

Chairman Clay, Members of the Board of the Kentucky Conference of Hospitals and Homes:

It is my pleasure to bring you a report of the services of The Methodist Hospital of Kentucky at Pikeville.

As a comparison of some of the Hospital's activities for a five-year period, the following is submitted.

E N D I N G

	Sept. 1961	Sept. 1962	Sept. 1963	Sept. 1964	Sept. 1965
No. Patients Admitted	4,817	4,622	5,518	5,759	6,222
Total Patient Days	26,437	23,720	31,035	34,566	37,514
Newborn	715	653	687	652	571
Average Daily Census	72	65	85	94	102
Surgical Procedures	1,469	1,320	1,602	1,575	1,896
Emergency Room	6,223	5,743	5,940	5,552	8,819
Laboratory Tests	59,122	55,918	65,604	69,960	78,142
Blood Transfusions	750	689	678	505	480
X-Ray Examinations	3,862	3,868	4,937	5,545	7,288

Last year showed an increase of nearly 500 in the number of in-patients served. The total patient days exceeded by 3,000 those of the previous year. The diagnostic services provided, both in Laboratory and X-Ray, were in excess of 10,000 tests. The use of the Operating Room in performing both major and minor surgery increased by over 3,000 procedures. Patients cared for in the Emergency Room exceeded last year's by over 3,000 visits.

The Hospital's activity continues to show increased service rendered to the Community. This five-year period has been characterized by a period of fighting for survival, a period in which the future hung in the balance and a period in which the economic picture brightened somewhat.

As the service aspects of the institution have increased, so has the economic outlook become brighter. Our total assets increased by \$54,000. At the same time, we were able to set aside sufficient money in the Mortgage Account to retire the mortgages that are presently outstanding.

The Hospital provided a total of \$62,000 in free service to the area it serves. The major portion of this free service was in Pike County. The city of Pikeville benefited to the amount of \$12,000 and neighboring Floyd County nearly \$8,000. This \$62,000 of free service means that the Hospital could not avail itself of this money for operating expenses or for the renovation or upkeep of its physical plant.

The building itself continues to deteriorate, continues to be expensive to repair and contributes indirectly to a high ratio of personnel to patients. The poor design of functional areas and the inability to anticipate long range future needs has handicapped an extensive building, addition or remodeling to any reasonable or usable extent. The continued high occupancy of the Hospital's facilities places an added strain on the plant and utilities. Never-the-less, a high level of hospital service has been maintained.

We are grateful for our Golden Cross and Rally Day contributions. This money is used to help pay for those who come to us as charity patients. The Appalachian Fund has continued its assistance to our School of Medical Technology.

Our training programs in both Medical Technology and Practical Nursing have, I believe, been strengthened and we have continued to turn out well-trained professional personnel.

It is our hope that in cooperation with Pikeville College we can, within the near future, begin an Associate Degree Program for nurses. We must provide the environment, the teaching and learning facilities for the youth of the area if we are to benefit in any appreciable way from their training.

The Hospital continues to take advantage of every Federal program which enables it to provide additional training for nurse aides and orderlies.

This past year, two new doctors were added to the staff of the Methodist Hospital: Dr. Florentino Martin, a specialist in Urology, and Dr. Ted Hatfield in general practice.

The Board of your Hospital and the Board of the Appalachian Regional Hospitals have maintained continuous communication in an effort to finalize the purchase agreement of the Pikeville Hospital. The obtaining of the Appalachian Hospital would clear the way and would make available Federal funds for the building of a complete new facility. This new facility would replace the present two hospitals and would provide service on a more comprehensive scale.

My Board of Directors respectfully brings to your attention its recommendation for the following members of the Board whose terms expire in 1966, to be reappointed to the Board, to-wit: William J. Baird, F. S. Huffman, Harry LaViers, Robert Johnson, Walter P. Walters; Superintendent of the Ashland District, Steadman Bagby; J. H. Burton (Pastor Paintsville First).

As a result of an agreement reached between the Appalachian Regional Hospitals and your Board of Directors and approved by the Conference, nine members of the Appalachian Local Advisory Board are to be added to the twenty-one members who presently constitute the Board of the Methodist Hospital. These additional members will be placed on staggered terms and their tenure will not be decided until a complete merger has been effected. The following are recommended for appointment to the Board of the Methodist Hospital; Herbert Kincaid, Walter E. May, Mrs. Ethel F. Miller, Lon B. Rogers, The Reverend Arthur Stanley, George Williamson, W. E. Blackburn, E. R. Hays and Lonny R. Johnson.

Respectfully submitted,

EUGENE LOPEZ, Administrator

c) The Methodist Home of Kentucky, Inc.

The Methodist Home has enjoyed a good year. Most of the children have been in good health and have made satisfactory progress in their studies. Four graduated from Woodford County High School, three of whom plan to enter college this fall.

In October Miss Sharon Evans, a graduate of Austin Peay College, was added to the staff. In March Miss Allie Mae Edwards, housemother for the larger boys for sixteen years, retired and Mrs. Maxine McKinney, Vine Grove, Kentucky, was employed as housemother. In May Mrs. Hessie Bobbitt and Mrs. Bertha Crowe retired from the dining hall staff and were replaced by Mrs. Evelyn Sims and Mrs. Clyde Bristow.

Last fall the Home instituted the Meadowview Nursery and Kindergarten for children of the Home and community, and have had an enrollment of 14 during the year. A much larger school is expected next year.

A new water line and fire hydrant has been installed for \$3,400.00. The new sewage system, costing approximately \$47,500.00 is being laid and should be completed by the session of the Conference. A complete new inter-com system has been installed and a large TV and social room has been added to the larger boys department. A new administration and housing building is in the planning stages and it is hoped that the building can be erected during the ensuing year.

There has been a substantial increase in the Fifth Sunday offerings, enabling the trustees to add \$23,000.00 to the sewer fund. We express our most sincere thanks to the churches for this support.

We recommend the continuance of the Fifth Sunday offerings.

This year the Home is requesting the Kentucky and Louisville Conferences to designate one Sunday in which an appeal may be made on the basis of one day's pay from each family or breadwinner, with the proceeds going to the building fund and the endowment. There has not been a campaign for the Home since the \$20,000.00 one 95 years ago which led to the establishment of the Home. It is felt that the time has come when all the Methodists of Kentucky should support the Home, and to do so adequately.

The one source of sadness this year was the death on April 11 of our Board Chairman, Attorney David L. Thornton, a fine Christian gentleman and a most devoted and able trustee.

We recommend the re-election of the following trustees, terms to expire in 1970: Louisville Conference—Mr. D. R. McMurtry, Rev. F. Bennett Hulse, Jr.

Kentucky Conference—Mr. George W. Wilson, Rev. Paul C. Gillespie.

We recommend to the Kentucky Conference the election of Mr. Ray Corns to fill the unexpired term of Mr. David L. Thornton, deceased.

Signed,

JAMES W. AVERITT, Superintendent

REPORT No. 9

COMMISSION ON TELEVISION, RADIO AND FILM

Pursuing the purposes and policies set forth in the 1965 Annual Conference Report, Kentucky Conference Television, Radio and Film Commission has moved forward as indicated in the following paragraphs:

In the area of Broadcast—Don Scifley, Chairman—It has been our purpose to have "The Word . . . and Music" put on radio across the Kentucky Conference so that it could be heard anywhere in the Conference. This has been left up to the District Directors to carry it out the best way possible.

A workshop for training "Word . . . and Music" broadcasters was held at Centenary Methodist Church, Lexington, with fifteen persons present, representing six of the seven districts. Mr. Nelson Price, from General TRAFCO conducted the workshop.

Following this workshop six radio stations in the Danville District are using the program and it can be heard anywhere in the District and in a considerable area outside the District. Through the efforts of Frankfort District Secretary, Ronald Masters, one radio station in Louisville carries the program. This program may be heard on WHBN, Harrodsburg; WFIA in Louisville, WSFC in Somerset, WPHN in Liberty, WHIR in Danville, WIRV in Irvine, and WRSL in Stanford. During any given broadcast the minister presenting this program will be heard by two to nine hundred thousand persons as he speaks in the name of Christ and that special portion of His Church

called Methodist. Ten men in the Kentucky Conference are responsible for all the airing the "Word . . . Music" program has in the entire Louisville Area.

Many of our pastors are involved in local radio programs sponsored by local ministerial associations and a special "Methodist Hour" was sponsored in the Ashland area by churches in the vicinity.

We continue in our purpose to have every District with at least one station within its bounds using "The Word . . . and Music"; to have more Methodist ministers heard on radio more frequently and with more quality; and to have our fine prerecorded Methodist programs used more widely. We look to the District Secretary of TRAFCO and the District Superintendent to call on the Con-TRAFCO Broadcast Chairman for help in implementing this purpose.

We encourage the Districts having access to facilities for telecast to promote the use of Methodist TV programs, and seek the assistance of Con-TRAFCO in so doing, that these programs may be seen by our people during the coming Conference year.

In the area of Audio-Visuals—Howard Reynolds, Chairman.

The Conference Audio-Visual Library continues to grow, both in potential and actual use. The credit is due almost entirely to devoted administration and promotion from the office of the Board of Education.

There are 385 filmstrips, records, and slide sets and sixteen 16mm films available from the library for the annual membership fee of \$5.00, payable to the Film Library of the Kentucky Annual Conference, 200 West Second Street, Lexington, Ky. 40507. Non-member churches may get filmstrips, record, slide sets, etc., from the Library for a \$1 rental fee and 16mm films for \$1.50. Conference sponsored boards, and agencies, such as duly-organized Wesley Foundations, Summer Camps, etc., may use the Film Library without rental or membership fees.

A thirty-two page supplement to the 1964-65 Audio-Visual Catalogue was prepared in March of this year and mailed to the churches.

During the past year obsolete materials have been discarded, damaged material replaced, new mailing cartons purchased, and the purchase of certain 16mm films, formerly made available on a rental basis, completed.

The great majority of churches and groups using the A-V Library have responded to the plea for responsible care of borrowed items and the prompt return thereof, with quick and careful handling and prompt return, but the sins of the few still plague us.

Enlarging the Film Library and obtaining materials that boards and agencies feel are needed is dependent upon cooperation with the A-V Chairman in selecting such materials. Some boards have cooperated wonderfully well—others have not.

District Secretaries of TRAFCO and District Superintendents need to continue to work on inventorying A-V equipment available within their District, implementing the joint use thereof by the churches in the district, and setting up training opportunities for A-V equipment operators, so that more churches may have opportunity to use the A-V Library at the lowest possible cost to the churches. Con-TRAFCO stands ready to assist in implementing this work.

A sampling of resources available from the A-V Library will be presented at Annual Conference and memberships recruited for the Library.

In the area of Finance—Glenn Courts, Chairman.

Reports from the Council on World Service and Finance indicate that in financial support of the TV-Radio Ministry Fund our Conference exceeds last year's record over sixteen percent, led the giving in the Louisville Area last year over seventy-one percent, and leads the Area this year by two hundred and fifty percent, as of February 28, 1966! We have cause to be proud of the work these figures represent, as our Conference presses forward to the goal.

In terms of funds designated for work within our Conference by the last Annual Conference, we have supported the Film Library, underwritten one third of the cost of the record sets used in "The Word . . . and Music" programs, and financed the cost of operating the Commission, and, as we go heartily and fully into the Interboard Council plan for implementing the work of the Conference, we expect to continue to underwrite one-third of the cost of the record sets used in "Word . . . and Music" programming and support the A-V Library.

We continue to request that pastors and others distribute among our people the TRAFCO promotional materials coming from the Central Promotional Office and

Gen-TRAFCO and channel all financial support toward reaching the asking of 4 cents per member, until that figure is realized.

Con-TRAFCO continues to stand as a service agency, primarily existing to assist other Commissions, Boards, and agencies in more effectively implementing the work of the Kingdom. It remains with the District Secretaries of TRAFCO and the District Superintendents to channel this service into their local situation. Call and we will answer.

The report of the Treasurer is filed with the Conference Secretary for the Journal. (See Financial Exhibit B.)

REPORT No. 10

BOARD OF CHRISTIAN SOCIAL CONCERNS

The Board of Christian Social Concerns seeks to make relevant the Christian gospel which Methodism declares to its people. It seeks to follow Christ in bringing the whole of life—personal, social, economical and political—into conformity with the will of God. It seeks to lift up before the Church and the secular world the Christian concern for personal, social, and civic righteousness. To fulfill this purpose the Board plans and promotes a program of information, education, and action in the areas of alcohol problems and general welfare, human relations and economic affairs, and peace and world order.

Section I

Alcohol and General Welfare

Onie U. Kays, Chairman

The Bible says in the days before the coming of the Lord it shall be like it was in the days of Noah before the flood. Among the many evils described in those days is eating and drinking. Eating and drinking may have been bad in the days of Noah, but certainly it could not exceed what is taking place in America today. We see it on every side in the lives of men and women and it is impossible to pick up any newspaper or magazine without having pictured before us the glaring glory of the great traffic as it makes its appeal to the young and old today. Not only is this true with our newspapers and magazines but it is almost impossible to watch television or listen to the radio one hour without the liquor traffic being portrayed in all its grand, gay and glorious appeals to men, women and youth.

This enemy of mankind, that is continually being promoted by the devil and his followers, that has wrecked more lives, broken more homes and sent more people to an early grave, has too long been tolerated by the church. We need men today like the prophets of old who, through Christian convictions and moral courage, will dare to take a stand against this moral wrong and blight upon our society. This may mean that we will not be popular with the world of today, but we must remember that our Lord was not popular with the world and that He was crucified, because He would not conform to the world. We know that prohibition did not solve this problem but conditions were better than they are today under legal control. Where we need to start is in the hearts and lives of men. When men get right with God in the heart, this problem will take care of itself, but Christian or non-Christian, the Methodist Church has always taken the position of total abstinence and we hope this will always be our position. A real, consecrated Christian can do no other. When we realize that the number of alcoholics in America today almost equals the population of New York City and that women are more and more being added to this number, as well as our youth being deceived by the glowing and appealing advertisements of this traffic that still remains America's number one enemy, we call on all our Methodist people to take their stand for God and our country and against this awful curse of mankind.

Another evil that faces us today and which is growing by leaps and bounds is gambling. America is fast becoming a gambling nation. People so easily become fascinated with the idea that they can get something for nothing, even though generation after generation has proven this can never be true. Gambling is an evil that Christians face today the same as the liquor traffic and it must be curbed. The only reason that these two evils are promoted in our nation today is the fact that those who promote

them derive a great profit financially from the victims who are caught in their carefully laid traps. For years the Methodist Church has stood firmly against both of these evils and we can do no less today. If the church does not take a stand against the moral wrongs, who will? It is the responsibility of the church that promotes Christians ideals and principles to take the lead in opposing every moral evil that appears in our nation. With Martin Luther we should say, "Here we stand, we can do no other."

Another evil that faces us today is tobacco. While we live in the Bluegrass State where more tobacco is raised than possibly any other state in the Union and more money is derived from its sale than any other product outside of the liquor manufactured in our state, still we cannot compromise our Christian convictions when statistics from medical men and a recent report from the office of the United States Surgeon General reveals to us that smoking is one of the main causes of cancer which is second to heart disease, America's No. 1 killer today. Not only from the religious standpoint but from the health standpoint we should take our stand against this known evil of mankind which affects men, women and youth today. The National Interagency Council on smoking says that smoking is responsible for at least 125,000 deaths per year in America and maybe as many as 300,000, yet many ministers and leading laymen continue to smoke. Cigarette advertising is appealing today but also misleading. If its true result were shown in advertising the industry would soon cease to be, but again, it is for the profit that is in it that this industry is continually and glamorously promoted in this intelligent generation. It is time for us to wake up to the fact that smoking is an evil that the Church of Jesus Christ should take a stand against for Christ has said, "He who destroys the body, him will God destroy."

We recognize that many Methodist, both men and women, are involved in social drinking, but we must remember that the standard set by reason of what people do does not make the standard true according to the ideals and principles laid down by the World of God. We know that social drinking leads to other kinds of drinking and many alcoholics would not be where they are today if it had not been for social drinking. We should not tolerate or be involved in an evil that can lead to the wreck and ruin of any life. We urge all churches, through education, example and all other means to seek to lead our youth and young adults into a life that is above drinking whether it be social or otherwise. We hope our Church School and Youth Workers will use a program of education leading up to Commitment Day. This we feel will give Commitment Day a greater meaning in our churches. The young adults and youth are the ones we should seek to sign the commitment card. This could mean a life saved from alcoholism. We urge all Commission Chairmen to work with the local pastor and people, the District Director and Conference Chairman, for a meaningful program on Christian Social Concerns in each local church.

Most of this report seems to be in the area of protesting. There are so many evils in the world today that it is necessary for the church to take a stand against, yet the church's position in the world should not be on the negative side of everything. It is time for the church to take a positive stand for the things that are fundamental, right and good, and to realize that Christ has entrusted to us the greatest responsibility in the world today, that of giving the gospel of Jesus Christ to the world, which is the only remedy for the world's ills. The only way to change the world is to change men's hearts. When men get right with God, conditions in the world will change. Our great responsibility is to lift up Christ, crucified, risen, and alive forevermore, who said, "If I be lifted up, I will draw all men unto me." This we can do by precept and example. To the minister and laymen alike this responsibility belongs. As servants of God, let us stand together and face the realities of today and by every means possible let us lift up a standard against the evils that have steadily crept into our nation and our world today. By God's help and leadership, let's go forward knowing that we can never fail when God is leading the way. May our daily prayer be, "Thy kingdom come and thy will be done on earth as it is done in heaven, for thine is the kingdom and the power and the glory forever."

Section II

Division of Human Relations and Economic Affairs

W. Sharon Florer, Chairman

During the past few years two situations in the area of human relations and economic affairs have been so dynamic that the attention of the nation has been focused upon them.

The civil rights movement is one of these dynamic situations.

Racism and unfair racial discrimination is one of the most harassing problems which we face in building a Christian society. The position of The Methodist Church has been stated clearly. Christian guidance has been given by Methodism to her people on this explosive question. The Church's stand is stated fully and clearly in "The Social Creed" and in paragraph 1824 of the 1964 *Discipline* entitled "The Methodist Church and Race."

We must confess that the church has failed to accomplish the total Christian community in human relations. We now realize that the Church must strive with all determination to achieve Christian brotherhood *de facto*.

At the local level we urge pastors and people to engage in cooperative projects across racial lines; to use Race Relations Sunday and other appropriate times of the year for lifting up genuine and practicable Christian brotherhood; and, most important, to take seriously the call of the 1964 General Conference to make perfectly clear that the doors of the Methodist Church are open for attendance and membership of persons of all races, classes, and national origins.

At the conference level we urge the Kentucky Conference, through the special committee appointed by Bishop Short, to work closely with those churches of the Central Jurisdiction within the boundaries of the Kentucky Conference. This can be done in two ways. Where there is opportunity there should be cooperation within the framework of the present structures. We can and should stand ready to receive those churches if and when they desire to come into our conference.

In every village and city across the Kentucky Conference, Methodists are implored to be at work in every possible way for equal rights such as housing, employment, voting privileges, and public accommodations. As long as any individual is actually turned away or even frowned upon as he attempts to become a part of our society at any of these levels, be they so-called "secular" or "ecclesiastical," the love of God and the brotherhood of man has not been realized.

We must realize, however, that extreme approaches have developed that foster antagonism and alienate tolerant understanding of the complex problems arising out of the quest for equal rights. Such extremes fail to nourish the ideals of an integrated society and confuse the issue of civil rights. Hence, we plead for moderation of procedure that gives credence to faith that "God's will be done."

During the past legislative session history was written in Kentucky with the passage of the Civil Rights Bill. The Governor, the legislators, and all others concerned are to be commended for this giant stride toward racial understanding in Kentucky. Now we call upon our people to work for full and willing compliance with the provisions of the historic bill.

The war on poverty is another dynamic situation that has aroused the nation.

The war on poverty is of special concern to Kentucky Methodists since a great part of our conference is in the badly depressed Appalachian region. The Board of Christian Social Concerns places its resources at the disposal of the Bishop and others who are working in this area.

We believe that persons in poverty stricken areas have an inherent right to a full and satisfying life, are deprived of it because of their economic situation. We are partners with them in the quest for a full and satisfying life. Christian stewardship demands that those who have assist those who have not in this gigantic struggle.

We urge all churches in the poverty stricken areas to cooperate wherever possible with the civic and governmental agencies which seek to better conditions in those areas. The General Board of Christian Social Concerns provides resources to guide local churches as they assume their role in the war on poverty.

Section III

Division of Peace and World Order

John Q. Kemper, Chairman

Even though the war in Viet Nam is being escalated and the pressures appear greater on all sides for an all out war, we believe that it is not only possible but we must put forth every effort toward working out an honorable peace in Asia as well as other trouble spots in the world. Realizing that peace is a state of well-being as well as physical fact we must, therefore, continue our efforts toward preparing our own minds with an added attitude of peace toward all people.

We suggest that discussion groups within the local congregations begin discussion on the moral issue of war and peace and further that we seriously consider means other than force for settling our international differences.

From July 11-16, 1966, a youth seminar is planned at United Nations for Kentucky Conference Youth. It is hoped that many will take this opportunity for broadening our horizon in that field.

We further suggest that each congregation send one person, at the expense of the local congregation, to New York for a United Nations Seminar in October or November, 1966.

We further recommend that if any responsible person or group from the conference attend the seminar they write to the chairman of each of these commissions, giving a report on the response and their own evaluation of the experience.

The commission of the local church must do its homework by continually studying the issues involved in the struggle for a peaceful world. We must also become well-informed of the issues and try to create an atmosphere of peace within the local community as well as the world community.

We further recommend support of the Food for Freedom program as outlined by our Government with particular emphasis on family planning and assistance in family planning at home and abroad.

We further suggest that the U. S. Government take realistic and sensible measures to halt inflation at home in an effort to stabilize the buying power of the dollar, for we must realize that a strong national economy also is essential to the overall peace and security program. We further recommend that our Technical Assistance Program and the AID Program assist underdeveloped countries in bringing food production up to the needs for a reasonable diet and assist other humanitarian endeavors to eliminate some of the causes and problems for world tension.

We commend the work of the U. S. Peace Corps during the last five years and recommend that pastors and laymen become more familiar with the work of this program and to assist in recruiting more Methodists into the work. Moreover, people study closely the U.S. Foreign Aid Program. We recommend that a greater emphasis be placed on technical assistance and in establishing American University, Trade and Vocational Schools in various underdeveloped countries under favorable arrangements and considerable less emphasis on military assistance.

Through this Peace Action Program, local church Commissions on Christian Social Concerns can do real work in the area of world peace, to the end that the nations of the world will "beat their swords into plowshares and their spears into pruning hooks," and live together as a family of nations under the Fatherhood of God.

Section IV **1966-67 Program** **Quadrennial Emphasis**

During the 1966-67 conference year the Board will emphasize the quadrennial emphasis determined by the General Board. These emphases concern basic questions, action projects, and study.

1. Basic Question

The basic question to be considered is: How should the church relate to government? This question and answers to it are becoming increasingly important as government becomes a larger factor in such areas as the War on Poverty and public education.

2. Action Projects

A second part of the quadrennial emphasis is selected issues for projects and action. This year the two selected issues are mental health and the educationally deprived child.

The Board of Christian Social Concerns' project, "Focus on the Educationally deprived child" is designed to provide a channel through which the local church groups may accept the challenge and use this opportunity. The goal of this project is to encourage local church groups to take such actions as will assist their communities to meet the special educational needs of educationally deprived children.

"Do We Care Enough?" is the theme of the Board's project "Focus on Mental Health." This emphasis will include active concern for the emotional-spiritual health of persons as well as the Commitment Day program which lifts up the church's shepherding ministry to the alcoholic and his family.

3. Joint Study

A third part of the quadrennial emphasis is a joint study. The study for this year is "Affluence and Poverty: Dilemma for Christians." This joint study challenges Christians to be the servant church in expressing in concrete fashion the love of God in working for the abolition of poverty that degrades and warps man's soul and frustrates him.

The Conference Board Emphasis

The Conference Board of Christian Social Concerns will lift up two emphases during the conference year. The first of these is the Biblical basis for Christian Social Concerns. Through this theme the local church commission will be asked to lead the local church in Bible Study as a foundation for Christian involvement. The second emphasis is carried over from last year and raises the question "Who speaks for the Church?" As a local commission or local church comes to grips with this question it will come to an understanding of the Disciplinary rights and limitations upon Boards and agencies as well as individuals and other groups who speak for the Church.

Special Days

Special days provide a natural skeletal structure upon which a local commission may build a program for Christian social Concerns. The following special days call for special emphasis during the conference year: Freedom Sunday, July 3; Labor Day, Septemebr 4; World Order Sunday, October 23; United Nations Week, October 23-29; Commitment Day, November 13; Church and Economic Life Week, January 15-22; Race Relations Sunday, February 12. In most cases material to guide the commission in planning for these observances will come from the General Board of Christian Social Concerns.

REPORT NO. 12 COMMITTEE ON MINISTERIAL EDUCATION FUNDS

The Committee on Ministerial Education Funds has granted sixteen (16) service loans in the total amount of \$7,675.00 during the 1965-66 Conference Year. Two of these loans were made to under-graduates in non-Methodist colleges, three to Methodist seminaries, and eleven to those attending non-Methodist seminaries. The average loan per student was \$479.62.

The members of the Committee have carefully screened each applicant and used the following for determining the allocation of the funds:

1. Recommendations by District Superintendent and schools.
2. Financial need.
3. The promise of further usefulness of the applicant to the Methodist Church and the Kentucky Annual Conference.

Each applicant when granted a service loan signs a note for the amount plus 5%. If on completing his theological education, he does not return to the Kentucky Conference for a minimum of five years, he is morally and legally obligated to repay the principal of the loan plus 5% interest.

One of the primary functions of this committee is to attempt to assist those young men who will ultimately supply the pulpits of our Conference. The financial needs of theological students grow each year and we must keep pace with the help we can supply.

We therefore recommend that the District Superintendents encourage all churches to accept the 1% asking and each pastor and lay leader to urge his church to pay the full amount asked.

In accordance with the jurisdictional plan, half the money contributed goes

directly to our Methodist Theological Schools: Duke Divinity School and Candler School of Theology. Therefore, in helping our seminaries, and the men from our Conference to train and be trained, we are developing those men who in the near future will assume places of leadership in our Conference.

The desire to see more young men accept the challenge of the ministry and the constant demands for their services in the bounds of our Conference urge us to support this fund and their needs.

This is a challenge in which we all can serve and share in the knowledge that those who serve our churches in the future were aided by those same churches through the 1% Fund.

BOARD OF PENSIONS

Report No. 1

In the report which this Board made to the 1965 Session of the Annual Conference, the history of the Pension program was traced from 1939 (year of Unification) to 1965. This history may be found on pages 118 and 119 of the 1965 Journal. Also there may be found in the 1965 Journal, a resume of the Minister's Retired Pension Fund—page 119—hereafter referred to as the M.R.P.F.

After a careful study with Actuaries and Accountants your Board reported to the 1965 Session of Conference that the Current Income Pension Plan, (the present Plan) would encounter financial difficulties within a short time.

The 1965 Session of Conference, realizing that an emergency would soon be upon us in the matter of Pensions, accepted the recommendation of your Board of Pensions: That more money be raised by increasing the Conference Claimant apportionment to the churches by the amount of 2% of the Pastor's basic salary, thus bringing it to 20% with the intention of making further increases in the future until an amount equal to 24% of the basic salaries be apportioned to the Churches.

The 1965 session showed its further interest in the proposed M.R.P.F. by authorizing the Conference Board of Pensions to conduct a series of Workshops throughout the Conference to present the M.R.P.F. to ministers and laymen. These workshops were held in the Fall of 1965. Dr. Howard Miller of the General Board of Pensions in Evanston attended all the workshops as a resource person. It was agreed by a large majority of those attending the workshops, that the M.R.P.F. offered the best solution to our financial difficulty. The question most often raised was, "When do we get into the Plan?"

At a joint meeting of the conference Board of Pensions and the Ministers' Retirement Brotherhood held in Lexington, Kentucky, January 1966, Dr. Howard Miller, from the General Board, presented a plan that met the Approval of the Actuaries, which will permit our entire Conference to go into the MRPF at this session.

Therefore, we your Board of Pensions of the Kentucky Conference with the cooperation and support of the Ministers' Retirement Brotherhood submit the following report and resolution:

The Board of Pensions takes this opportunity to express its appreciation for the co-operation of the Ministers' Retirement Brotherhood in the progress of the M.R.P.F. program.

Report and Resolution for Full Transition to MRPF Kentucky Annual Conference Board of Pensions

We believe that the time has now come when the Kentucky Conference should enter the Ministers Reserve Pension Fund of the Methodist Church, enrolling as members all

Conference Claimants, ministerial members on trial and in the effective relation, and eligible full-time approved supply pastors.

Recent studies made by Huggins & Company, actuaries for the General Board of Pensions, indicate that the pensions for all approved service, rendered before July 1, 1966, to the Kentucky Conference by present and former members, and Approved Full-Time Supply Pastors, retired and effective, including the approved claims of widows and children, can be funded as of July 1, 1966, at an annuity rate of \$45.00 per service year at an approximate cost of \$4,792,010.

The Conference will have reserves on hand July 1, 1966, that can be applied toward this cost as follows:

Board of Pensions Special Reserve Fund	\$1,033,250
Board of Pensions Distribution Funds	466,750
	\$1,500,000

The amount of these reserves can be used as a cash down payment toward meeting the cost of funding the pensions on account of prior service. The remainder of the cost, estimated to be approximately \$3,292,010, can be amortized with the General Board of Pensions of The Methodist Church in not more than thirty-four annual installments. The first seven installments will be on a step-up basis beginning with an amount of approximately \$128,460, due June 1, 1967, and will reach a level annual payment on June 1, 1974, in the amount of approximately \$158,337, for the remaining twenty-seven years of the original thirty-four year amortization period. The amount of each installment will be computed after the cost of funding and the exact amount of reserves available for down payment have been determined.

If pensions on account of prior service are thus funded, the Conference Claimants as of July 1, 1966, and from that time forward will receive their pensions as determined at the rate of at least \$45.00 per service year direct from the MRPF administered by the General Board of Pensions.

The effective ministers as of July 1, 1966, upon retirement likewise shall receive their pension on account of service prior to July 1, 1966 as determined at the rate of at least \$45.00 per service year. From July 1, 1966, on these same effective ministers will be under the Disability and Survivor Benefits of MRPF. Their pension on account of service after July 1, 1966 will be in accordance with the provisions of the MRPF; provided, however, that in no case will the pension for these years of service be less than the funded rate per service year of \$45.00.

While computations have been made on the basis of a \$45.00 annuity rate for each year of service prior to July 1, 1966, this rate can be increased at any later date by the Conference with approval of the General Board of Pensions and the recomputation of costs.

From July 1, 1966, all on Trial and Effective members and eligible Full-Time Approved Supply pastors of the Conference appointed with annuity claim would become members of the MRPF and the Disciplinary provisions concerning the Fund, membership and benefits would apply to them.

The annual cost of funding the pension for service of each member in MRPF is currently an amount equal to 9% of the average salary of the Conference paid by the Conference and 3% paid by the member. Therefore, the annual cost to the Conference varies with the number of qualified members and the average salary of the Conference. Currently the 9% of the average salary is \$479.25 and the number of qualified members is approximately 215. Based upon these figures the current funding cost for the first year would be \$102,040.

The 3% personal contribution required of each qualified member of the MRPF will provide a pension for him in addition to the pension provided by the Annual Conference.

On the basis of figures heretofore set for the total annual cost of complete transition to MRPF is estimated to be approximately as follows:

The annual installments required to amortize the prior service load of approximately \$3,292,010.00 remaining after \$1,500,000.00 has been paid down and to meet the cost of current funding for all effective members will be approximately as listed below. The exact amount cannot be computed until the day of transition, July 1, 1966, as the prior service responsibility can vary slightly up to and including the last day of the current income plan now in force.

Date of Payment	7-1-67	7-1-68	7-1-69	7-1-70	7-1-71	7-1-72	7-1-73	7-1-74

Level Annual 27-Year Amortization Payment—\$158,337

Let it be repeated that the annual payment for amortizing the pension reserves required for providing a \$45.00 minimum service annuity rate for service prior to July 1, 1966, will be a fixed amount on and after July 1, 1974; the annual contribution of the Conference for current service is a variable amount. Huggins & Huggins, Actuaries of the General Board, state that the total annual cost at any time will not exceed an amount equivalent to 24% of the cash salaries paid in the conference.

There are certain items of relatively fixed income that come to the Conference each year for pension purposes such as income from invested funds and the appropriation from the Methodist Publishing House. Such items total approximately \$22,500 for the year 1966-67. Whatever this amount, it would be applicable to the total annual cost. On the basis of the figures quoted above:

Total cost for 1966-67, estimate\$231,500
 Less estimated income 22,500

Leaves an apportionment to the churches for 1966-67
 of approximately \$209,000
 Total cost for 1973-74, estimate\$273,567
 Less estimated income for 1973-74 26,000

Leaves an apportionment to the churches for 1973-74
 of approximately\$247,567

Beginning with July 1, 1974 the level annual amortization payment prior service for twenty-seven years will be approximately \$158,337.

The apportionment to the churches for Conference Claimants and the current 9% funding for new entrants in the MRPF for 1965-66 is estimated to be \$190,000, which provided an annuity rate of \$44.00 per service year. Complete transition to full MRPF participation as of July 1, 1966 would require an additional apportionment of \$19,000 for a total of \$209,000 for 1966-67, which will be apportioned to the local churches on a

percentage basis to be determined by the Annual Conference World Service and Finance Commission in consultation with the Annual Conference Board of Pensions and the Cabinet. In the transition program, the guaranteed annuity rate for all prior service is established as a minimum of \$45.00 per service year, to be provided solely by conference contributions.

It is the recommendation of the Board of Pensions that the apportionment for Conference Claimants be increased by an amount equal to 2% of the pastors' salaries of the conference with the intention of increasing the amount additional 2% next year to provide the funds needed to meet the payment schedule for MRPF as outlined on page 143 of this report.

At the end of the amortization period, the Conference would have discharged its total obligation for funding all pensions on account of service prior to that date. From that time forward the annual obligation would be only that of the Conference contribution—9% of the average salary, for each member of the Fund.

Pertinent Facts Relating to Kentucky Conference MRPF Program

As of July 1, 1966

1. Annuity Rates: \$45.00 per year of service.
2. Full-time approved supply pastors will be paid the same rate as conference members.
3. The 3% annual personal contributions required of each qualified MRPF member will provide a pension in addition to the \$45.00 conference rate.
4. Personal contributions, plus interest, may be refunded if the member leaves the Methodist ministry.
5. All qualified full-time approved supply pastors who have completed four consecutive years of approved service will be eligible for the Disability and Survivor Benefits of the MRPF.
6. All qualified full members of the conference and all qualified members on trial will be eligible for the Disability and Survivor Benefits of the MRPF.
7. Ministers on trial or in full connection who are under special appointment without annuity claim on the conference may participate in the organizational funding program of the MRPF.
8. A qualified member of the MRPF may pay his personal 3% contributions on the Annual Conference average salary or on the basis of his personal support if his support is less than the conference average. "Support" includes cash salary, plus 20% additional if the church provides a parsonage for the minister, plus any amounts received from missionary funds, minimum salary funds, or sustentation funds. The General Board of Pensions must be notified if the member wishes to pay on the basis of his support. (Does not include utilities, travel expense or HMEP).
9. The \$45.00 service annuity rate established in the full transition program may be increased by Annual Conference action at any time by a recomputation of costs, or by the use of extra funds to make additional payments.
10. A. Disability benefits in the MRPF are equivalent to one-third of the Annual Conference average salary.
 B. If a member dies in active service, his widow receives a pension based on his personal contributions plus a pension based on his service annuity account. (The money paid for him by the Annual Conference.) The pension from the service annuity must be at least 15% of the Annual Conference average salary.
 C. Each surviving minor child of a member who dies in active service receives a pension equivalent to 5% annually of the conference average salary. From age 16 to 22, if the child is in school and unmarried, this amount is increased to 10% of the average salary.

Resolution

Your Conference Board of Pensions presents herewith the following resolution and recommends its adoption:

WHEREAS, in consideration of the benefits to be derived from entering all qualified members of the Annual Conference in the Ministers Reserve Pension Fund, and

Whereas, providing pensions under the present Current Income Plan is rising in cost, and

Whereas, in consideration of the fact that the cost of funding the pensions on account of service prior to July 1, 1966, is less than would be the ultimate cost of paying the same out of current income, and

Whereas, the ultimate cost of pensions will be decreased in cost per dollar of pension received under MRPF, and

Whereas, it is deemed to be in the best interest of the Kentucky Annual Conference and its individual churches and ministerial members to enter all qualified ministers of the Conference into membership in the Ministers Reserve Pension Fund, and

Whereas, Paragraph 1644.2 and Paragraph 1655.2 of the Discipline of 1964 makes full provision for entering Previous Entrants into membership in the Ministers Reserve Pension Fund;

Therefore Be It Resolved:

1. That in accordance with Paragraph 1644.2 and Paragraph 1655.2 of the Discipline of 1964 the Kentucky Annual Conference enter all qualified Previous Entrants of the Conference, including eligible Full-Time Approved Supply Pastors, into membership in the Ministers Reserve Pension Fund of The Methodist Church and thereby establish a single pension system for all its qualified members, namely, the Ministers Reserve Pension Fund of The Methodist Church;

2. That to accomplish this transition to the Ministers Reserve Pension Fund, the Kentucky Annual Conference fund the accrued service obligations or Previous Entrants to date of July 1, 1966, at the amount required to pay an annuity rate of \$45.00 per service year for approved service rendered before July 1, 1966, the cost of entering the MRPF Fund will be approximately \$4,792,010, it being understood that the exact amount of reserves required will be computed as of the date of transition;

3. That there be applied as a down payment on the required reserves all reserve fund assets available on July 1, 1966, now estimated to be approximately \$1,500,000;

4. That the remainder of the required reserves shall be amortized with the General Board of Pensions in not more than thirty-four annual installments, the first seven installments to be on a step-up basis beginning with an amount of approximately \$128,460 due June 1, 1967, and to reach a level annual payment on June 1, 1974, in the amount of approximately \$158,337, for the remaining twenty-seven years of the original thirty-four year amortization period; the exact amount to be computed after the total amount required for funding and the reserve assets available for down payment have been determined.

5. That at any future time it may seem feasible the Conference Board of Pensions will give study and consideration to the planning and presentation of a capitol funds campaign to fund the balance of the amortized amount at such a time making possible the reduction of the percentage and/or apportioned assessment for this cause on the local churches.

6. That the pensions on account of all service rendered subsequent to July 1, 1966, approved for pension claim shall be funded with the General Board of Pensions annually in accordance with the disciplinary provision and rules and regulations of the Ministers Reserve Pension Fund;

7. That pensions on account of approved service rendered before July 1, 1966, will be computed on the basis of \$45.00 per service year; that the pensions on account of all service rendered on or after July 1, 1966, shall be determined by the provisions of the Ministers Reserve Pension Fund; provided, however, that in no case shall the pensions received for service rendered on or after July 1, 1966, be less than an amount equivalent to the number of years of approved service multiplied by the funded rate (\$45);

8. That the several sums of relatively fixed annual income to the Kentucky Annual Conference for pension purposes plus the apportionment to the churches of the Conference and to agencies and institutions employing ministerial members under special appointment with pension claim upon the Annual Conference shall constitute the sources of annual income with which to pay the General Board of Pensions the annual installments for amortization and the annual cost of current funding; and that the apportionments shall be made so as to be adequate to meet said payments;

9. That in consideration of the payment of the Kentucky Annual Conference of the reserves required for funding the pensions on account of prior service and for funding of current service annually with the General Board of Pensions, the pensions on account of service rendered to the Kentucky Annual Conference will be paid on and after July 1, 1966, to retired ministers and their widows and their minor dependent children from the Ministers Reserve Pension Fund by the General Board of Pensions in accordance with the provisions of the Ministers Reserve Pension Fund; and,

Be It Further Resolved:

That the Conference Board of Pensions of the Kentucky Annual Conference be and

hereby is authorized, empowered and instructed to utilize all pension funds of the conference to effect the arrangements with the General Board of Pensions of The Methodist Church as set forth heretofore in the resolution and to do all other things necessary to give full force and effect to the intent and purpose of this resolution.

Hospitalization and Medical Expense Program

1. Your Board of Pensions has requested the Commission on World Service and Finance to apportion \$9,500 across the Conference to implement the HMEP program.
2. Beginning July 1, 1966 the HMEP Program is adjusted to supplement the Medi-Care Program for all retired ministers and widows.
3. To have adequate Health Insurance coverage a person over 65 years of age must be enrolled in the Social Security and Medi-Care Program or some other basic benefit plan, and Part 2 (Age 65 and over of the Major Medical Plan) of HMEP.
4. Please send all monies for Hospitalization Fund to the Inter-Board Council Office in Lexington.

Due to the fact that favorable claim experiences have made it possible for the General Board of Pensions to pay a rebate to the Conference HMEP Treasurer, we

recommend that the total HMEP premium be paid by the Conference from July 1966 through June 1967 for all effective men who were in the program in 1965-66. All ministers will still be responsible to pay the premium of their family if they have family coverage.

General Recommendations

Your Board of Pensions makes the following recommendations:

1. That the assessment of 2% on the basic salaries of all effective conference members with appointments and all full-time approved supply pastors serving appointments with annuity claims be discontinued, if the Conference enrolls in MRPF. However, if the Conference does not enroll in the MRPF the 2% Assessment is to be continued through the conference year of 1966-67. Those in arrears will be charged 4% interest. Special appointments with records of annuity responsibility elsewhere are exempt.
2. If the 2% Assessment is continued, all monies are to be mailed to the Inter-Board Council Office in Lexington.
3. The Commission on World Service and Finance have approved as sound investments the following Annuity Gift Plan:

Rates of the Annuity Gift Income per Calendar Year on Each \$1,000.00

(Discipline 1610:6). Your Board of Pensions will provide materials for the day, if desired.

11. That the General Board be asked to continue as authorized fiscal agent for payments of Conference Claimants.
12. That the Council Director of the Inter-Board Council be the Executive Secretary of the Board of Pensions.

REPORT NO. 14

MINISTERS' RETIREMENT BROTHERHOOD

In keeping with our report of other years, the **MINISTERS' RETIREMENT BROTHERHOOD** has continued to live up to its purpose of securing and maintaining Endowment Funds for the benefit of the Annuitants of the Kentucky Annual Conference; also, to secure and maintain an Immediate Relief Fund for the benefit of the members of the Brotherhood that might need to draw upon such a fund. We have worked harmoniously with the Kentucky Conference Board of Pensions for many years and through these cooperative efforts we have succeeded in increasing the Annuity payments from \$9.00 per service year to the present level of \$44.00 per service year.

From the gains made by the Ministers' Retirement Brotherhood and from additional sums received in the last Endowment Campaign of the Kentucky Annual Conference, an excellent return has been made and every possible effort has been put forth to advance the Retirement Cause. For several years the Brotherhood has led in such efforts and then gladly joined in a cooperative effort with the Kentucky Conference Board of Pensions to bring the entire membership of our Annual Conference under the Ministers Reserve Pension Fund.

All monies available belonging to the Brotherhood and those held by the Brotherhood as the Investing Agent of the Kentucky Conference Board of Pensions has been turned over to the General Board of Pensions of the Methodist Church—to be counted as a down payment towards the possible entry of the Kentucky Conference into the Ministers Reserve Pension Fund as of July 1, 1966. Other funds, assets and properties will be added to this special fund at the earliest possible date, in our continued and combined effort to do more for the Annuitants of our conference.

The Board of Managers of the Ministers' Retirement Brotherhood has pledged its continued effort with the Conference Board of Pensions to alert the people to the great need of this pension program and we urge laity and ministers to join in an effort to secure Wills and Bequests for this cause.

Once again, death has brought a great loss to our organization and to the combined pension effort of the Conference, with the passing of our able and beloved Treasurer, F. W. Galloway. His efforts will long be remembered by all members of the Brotherhood and by others connected with the pension program, with profound gratitude for such untiring labor on his part.

We deeply appreciate the willing and cooperative spirit of Mrs. Viola W. Owens, who served as Assistant Treasurer to Mr. Galloway, and she has now been elected to serve as Treasurer of our organization.

The Auditor's Report and Treasurer's Report will be ready for the conference sessions to be held at Richmond in June.

We feel that there is a definite place for the Ministers' Retirement Brotherhood in the conference program and we are now exploring the possibilities of our future entry into a Death Benefit Program and hope to report on this at any early date.

As always, we ask an interest in the prayers of all and a greater effort on the part of all concerned parties for the retired ministers and their widows.

The report of our Treasurer is filed with the Conference Secretary for the Journal. (See Financial Exhibit Q.)

REPORT No. 16

COMMISSION ON TOWN AND COUNTRY WORK

The work and challenge of the Commission on Town and Country Work has been most gratifying this year. Yet, we have been made conscience of the vast scope that needs our attention. Our conference is a rural conference. Unless we somehow meet the challenge that our conference, under the efficient leadership of our good Bishop, is holding before us the time may well come when the opportunity has been lost to Kentucky Methodism. We have had very fine relationship in working with many of the organizations of the conference. We believe that in this unified effort that a much greater impact can be made for Christ through our great Methodist Church.

Special Training

A special seminar May 17-19 was held at the University of Kentucky. The Town and Country Commission sponsored five of our young men to this seminar: Walter Arnold, Glenn Courts, Harry Wulfcamp, William H. McKain, and Arthur C. Ashcraft. Also, Dr. Robert L. Anderson and the Chairman, Rev. Valis V. Hill were asked to participate in the program. We also helped some of our fine young men to attend special training at Emory University last summer.

Parsonage Standardization

The Town and Country Commission made a second complete survey of the parsonages in our conference this year. The goal for this quadrennium of the Kentucky Conference was to have the following basic items in each parsonage: heating units; cooking units; refrigerator; window drapes; shades or venetian blinds. A washer and

dryer is also a goal by 1967-68. This was all voted by the conference. The following is the result of our survey this year.

Future Plans

We are planning and looking forward to our National Conference to be held at Columbus, Ohio, in 1967. The theme will be "Responding to God in Unity and Community." Also, we are planning for some special Seminars this year in our own conference. We will use the men who have been trained at this special seminar at the University of Kentucky, and also, a specialist like Dr. Marvin Judy of Perkins School of Theology.

Recognition

The Commission will continue to recognize three men from each of the seven districts, with special awards at conference. These men are nominated by their District Superintendents, for doing outstanding work. One man from this group will be chosen as the "Rural Man of the Year of the Kentucky Conference."

The report of the Treasurer has been filed with the Conference Secretary for the Journal. (See Financial Exhibit H.)

REPORT NO. 18

COMMITTEE ON PUBLISHING INTERESTS

The Annual Conference Committees on Publishing Interests were created by the General Conference of 1960 to provide a broader base of communication between the annual conferences and The Methodist Publishing House, than had previously existed.

Methodist churches and church members alike need to know more about the work of The Methodist Publishing House. Our Committee seeks therefore to be something of a liaison between the Publishing House and the churches of our conference. We seek to represent the Publishing House on a more personal level than is otherwise possible. Also we seek to present your feelings concerning the Publishing House to the associate editors.

We as a committee are also to promote the various agencies and services of the Publishing House. Among these is TOGETHER magazine. We are pleased with the response that has been made the year round by way of new subscriptions and renewal subscriptions to this fine mid-month Methodist magazine. More especially we are pleased with the response during "TOGETHER week." This week (beginning the second Sunday in September) has now been observed two years in our conference. The statistics at the end of this report will show among others things that (as of April 20, 1966) there was a total of 3,848 *paid* subscriptions in our conference. This however, seems to be a decrease since last year. According to last year's records (1965) the pastors of the conference reported in their annual conference pastor's reports a total of 4,558 subscriptions. We allow for a certain margin of error due to the guessing on the part of some and also because some may be reporting their free subscriptions to the Annual Conference. However, according to the TOGETHER office report of April 20, 1966, *all* subscriptions paid and free total to 4,218. In view of these facts there is a need for an active campaign. We must however not become too discouraged in view of other facts. Although our conference's ratio is 1/18.5. (one Together subscription per every 18.5 members) and the national ratio is 1/15.0, the Southeastern Jurisdictional ratio is 1/39.3, and the Louisville Conference ratio is 1/20.6. There is therefore room for encouragement as we see that our ratio is above that of some comparisons. At the same time there is room for much work as we see our ratio below the national ratio and that we seem to have dropped behind our own record previously set.

In order to aid us all, conference committee, local church pastors and local church TOGETHER agents the Together office stands ready to give more active leadership than ever before. In keeping with TOGETHER week the office will send to each TOGETHER AGENT of the local church a complete packet that will be of great help. It is therefore imperative that each local church have a TOGETHER AGENT! If you have not already done so, please see that every church in your district has one.

Please hold in mind that TOGETHER is obtainable at the low Church Plan rate of \$2.52 per year (.63 per quarter, .21 per month.)

Another area of our concern is the use of Methodist Literature. According to a report from the Publishing House 84.3 per cent of all Methodist children in the church school is now being reached with Methodist Literature. Our per cent in this conference is still not that high. We suggest that every pastor in the conference work hard in this area. And that every pastor make it his goal to have every class in the church school using Methodist Literature.

As a followup to the introduction of the new HYMNAL to the 1965 conference session, your committee is pleased to report that as of March 1, 1966, orders for more than one million copies of the HYMNAL had been received by Cokesbury.

We continue to urge the forming of church libraries. Cokesbury now reports more than 11,000 registered libraries in Methodism, in the United States.

Let us organize the committee on good literature using the manual for the work of the same. Let us put this committee to work in each local church in these areas: Subscriptions to TOGETHER, the use of Methodist Literature, in the promotion of reading through the use of libraries and other means.

REPORT No. 19

CRUSADE FOR EDUCATION AND CHURCH EXTENSION

The Crusade for Education and Church Extension is the greatest financial project ever undertaken by the Kentucky Conference. The response to it was very gratifying. \$1,370,351 was pledged on a goal of \$1,800,000. As of April 20, 1966 \$924,215 has been paid on the pledge. There has been a cancellation of pledges amounting to \$96,713 or approximately 7%.

Tremendous benefits have accrued to all the interests that participated in the Crusade. \$1,800,000 has been distributed as follows: Union and Kentucky Wesleyan each has received \$450,000; Lindsey Wilson College has received \$225,000; \$135,000 has gone to Wesley Foundations. This financial support has undergirded these institutions enabling them to meet the demands for larger facilities and to provide for our Methodist youth a program of higher education that seeks to meet the need of our contemporary society. Church Extension has received \$253,959 which has been a stimulus to this aspect of the church program resulting in and making possible the building of new churches and the acquiring of new church sites. Before too long another distribution of funds will be made.

When we think of the many fine things that have been achieved as a result of this endeavor we exclaim, "Look what God has wrought in building his kingdom in the Kentucky Conference because of the Crusade." We can be justifiably proud of these many accomplishments and yet we can not help but be saddened at the thought of how far short we have fallen of paying our pledge to the interests represented in the Crusade.

Officially the Crusade ended December 31, 1965 and yet we know it has not ended. There are many who for one reason or the other have not been able to meet their pledges but who intend to pay their commitment to the Crusade and will pay it. This is not wishful thinking. To support this statement is the fact that from January 1 to May 18, 1966 \$73,956 has been received in the Crusade office. Taking these facts into consideration the Area Crusade Committee feels that the Crusade office should not be closed at this time and our Bishop concurred in this. Therefore on the behalf of the Committee I am submitting the following recommendations "We recommend to the Annual Conference that the Central Office of the Crusade for Higher Education and Church Extension be kept open for regular payments of pledges until January 1, 1967."

The reports of the Treasurer are filed with the Conference Secretary for the Journal. (See Financial Exhibit T.)

REPORT No. 20

BOARD OF LAY ACTIVITIES

The Board of Lay Activities has enjoyed a successful year's operation. The Board is well organized and the lay work is going forward in all of the districts. The Board is functioning with a very high degree of cooperation from the Bishop, the district superintendents, the pastors, and the local lay leaders. We are deeply grateful for the help of all of these people who make our work a success.

Conference Board Sponsored Activities

There were three conferences for laymen the summer of 1965 in which the Kentucky Conference participated:

The National Conference of Methodist Men was held at Purdue University July 9-11, 1965. Over 5000 Methodist Men from all over the United States attended this conference. The Kentucky Conference sponsored a bus to Purdue, and some 60 men participated from our conference.

The Southeastern Jurisdictional Laymen's Conference at Lake Junaluska was held the last weekend in July, and our delegation there was small due to the fact that we had three conferences in one summer.

Our Conference Lay Retreat was held at Sue Bennett College the middle of August and was attended by approximately 140 men.

In the fall Mr. Vernon Sidler, of the General Board of Lay Activities Department

of Methodist Men, conducted a series of workshops and programs in each of our districts, promoting the work of Methodist Men.

In November the first session of the Lay Academy was held at Asbury Theological Seminary with 22 persons enrolled. Those attending felt this was a very worthwhile project, and we are planning to continue this program another year.

In March a representative of General Board of Lay Activities Department of Stewardship conducted a workshop to train a team of workers to conduct training courses in each of our districts, sub-districts, and local churches in the cultivation of Stewardship of Children and Youth.

On April 15th and 16th the Bishop and his cabinet, the conference officers of the Board of Lay Activities, the district lay leaders, and representatives of the major boards, whose work needed to be coordinated with the Board of Lay Activities, met for a planning meeting at Boone Tavern in Berea. This proved to be a very successful meeting, and a program was planned for the coming conference year. The following areas of work were approved for the program for the coming conference year.

1. Each District Board of Lay Activities fully organized with goals, calendars of events, and programs to be promoted.
2. A committee was set up to present a conference program for the promotion of the work of the Methodist Men.
3. The coordination of the program of Stewardship for Children and Youth, and the Bishop's Convocation on Stewardship to be held in the Spring, 1967.
4. To promote and cooperate with the Board of Education in the development of Aldersgate Camp.
5. To promote attendance for the Lake Junaluska Conference and the conference lay retreats.
6. To promote the Lay School of Theology to be held in the Fall of 1966.

Conference Directors of Lay Work

Lay Leadership Training

Lay speaking courses have been conducted in most of our districts during the past conference year. This is the second year in this training program, and it is being received with enthusiasm and very fine support. We are deeply grateful for Mr. Howard Jones for his leadership in this area of our work.

Director of Stewardship

Mr. Paul Brewer has given very fine leadership to the stewardship program and has been promoting the program of stewardship among children and youth, in addition to the regular programs of stewardship carried out in each of our districts.

Methodist Men

Mr. Jack Crawford has been actively engaged in promoting the Methodist Men throughout the conference and in encouraging men to attend the jurisdictional and conference lay retreats. He has set a goal of 100 men to be in attendance at Lake Junaluska for the jurisdictional lay conference.

District Programs

The work in the seven districts is well organized, and the district boards are properly staffed and functioning in a fine way. Most districts have district Methodist Men's groups and are promoting district retreats and the work of the church within their districts.

We are deeply grateful to the total membership of the lay board who have worked so faithfully and have supported this program so enthusiastically. To each of them we wish to express our gratitude for their very faithful service during the past year.

The report of the treasurer is filed with the Conference secretary for the Journal. (See Financial Exhibit J.)

REPORT NO. 21

DEACONESS BOARD

A major concern of the Kentucky Conference Deaconess Board this year has been how to give a more particular and effective emphasis to promoting and interpreting the work of the deaconess among our youth and students.

Plans are being made to place a copy of Lee, AS AMONG THE METHODISTS, a history of the Methodist deaconess, in the hands of interested young women and employed workers in Methodist agencies and projects.

The Deaconess Board continues to urge the use of the film MAKE ALL THINGS NEW with youth groups in the local church and with larger youth groups throughout the conference. The film is available for free rental through the Conference Audio-Visual Library.

There are four active deaconesses working in the Conference. Two of these deaconesses attended the Southeastern Jurisdiction Deaconess Association meeting in Atlanta in March.

Officers of the Deaconess Board for 1966-67 are: President—Mrs. J. L. Darnaby; Vice-President—Mrs. J. W. Holbrook; Secretary—Miss Julia Rose; Treasurer—Miss Jennie Flood.

The report of the Treasurer is filed with the Conference Secretary for the Journal. (See Financial Exhibit U).

REPORT No. 22

KENTUCKY COUNCIL OF CHURCHES

Much of the program of the Kentucky Council of Churches in 1965 was built around our centennial observance. A centennial Commission, representing all the member communions, brought its activities and plans to focus on a special Centennial program held at Memorial Hall, University of Kentucky, on September 26. Features of the observance were (1) an ecclesiastical procession, (2) a concert by the Kentucky Youth Symphony (3) an address by Dr. Perry E. Gresham, President of Bethany College. This was the climax of a series of observances and recognition services in local communities and at denominational annual meetings.

Centennial goals, set by the Commission and achieved over a two-year period leading up to the observance, included the purchase of a headquarters building for the Council, the securing of two new denominational constituent members, the employment of an associate director, and the publication of a history of 100 years of ecumenical work in our state. This book, "Interchurch Cooperation in Kentucky," was written by Dr. George V. Moore and is on sale through the Council office.

Though major emphasis was on the Centennial all phases of the regular program of the Council moved forward. These included ministry to migrants, the rural life program, Christian social action, Christian education, religious broadcasting and television, promotion of the God and Country Award in Scouting, a conference on The Church and Economic Life, and an ecumenical encounter involving Protestant-Catholic dialogue, and the ministry to Institutions.

Two new activities of real significance should be mentioned. One is the formation of the Committee on Faith and Order, headed by Dr. Paul A. Crow, Jr., of the Lexington Theological Seminary. This group met twice during the year for orientation and study. They considered the purposes and goals for a Faith and Order committee, adopted procedures and outlined a course of study. The second item involved participation in the anti-poverty program. A part of this had to do with Appalachia in which the Council shared in planning and organizing "The Commission on Religion in Appalachia" to coordinate the work of the churches in the entire Appalachian region. Another phase involved activities in connection with seeking to provide a spiritual ministry to the Job Corps groups in the state.

Finance proved an even greater problem than in previous years. This was due to the extraordinary expenses in connection with the Centennial, the publishing of the history, etc. A brief financial statement shows the following income and expenses for the year.

Long Range Plans

Immediately following the Centennial observances a three-day conference on long range planning was held. Out of this came a recommendation to the Council Assembly to

establish a Committee on Function and Structure which would restudy the organization and program of the Council and bring a report to the 1966 Annual Assembly. Such a committee was established and is now giving attention to plans for an enlarged Council program more directly related to the member communions and responsive to their directions. It is hoped that it will also be more completely underwritten by the denominations. This should make the Council more the servant of the churches in the years ahead and a more effective witness to our oneness in Christ.

REPORT No. 23

CONFERENCE CREDIT UNION

Nearing the end of the third year of its existence, the Kentucky Conference Credit Union has 80 shareholders, with total assets of \$4,545.74. It has made forty-five loans during this period which totaled \$12,617.00.

We feel that the most significant achievement during the past year was the ability to pay 4½% dividend to the shareholders. This compares with 2% for the year before. This indicates we are moving up and could move even faster if more of the ministers would invest in, and use the services of our Credit Union.

Those who find it necessary to make time purchases will discover that they can save money by financing through the Credit Union. Most department and chain stores make a flat 10% carrying charge. On a \$300.00 item, one would pay back \$330.00 over a period of twelve months. Under the Credit Union plan of paying 1% interest on the unpaid balance, one would pay back only \$319.50 over a period of twelve months. This would constitute a saving of \$10.50—quite a nice amount.

Loans and shareholdings are also death-benefit insured. If a person should borrow \$300.00 and die before he had made a payment, his loan would be paid in full. Any unpaid balance is covered the same way. If any shareholder should die, his estate would receive not only the full amount of his shares, but also a like amount from the insurance company. This means that if a person had \$1,000 in shares, and should pass away, his estate would receive \$2,000.00. This protection should certainly add to the attractiveness of doing business with your Credit Union.

Rev. Albert Savage, secretary-treasurer of the Credit Union will be located in a convenient place near the auditorium during Annual Conference. All shareholders are urged to go by and check their passbooks with him, and be sure your dividends have been properly credited. Also we urge those of you who do not yet belong to go by and sign up. Rev. Savage will be happy to answer any further questions you might have.

Action has now been taken authorizing operation of KCCU through the Interboard Council Office.

ALBERT SAVAGE, Secretary-Treasurer

REPORT No. 24

COMMISSION ON CHRISTIAN VOCATIONS

The full commission met three times during the year. In addition there were separate meetings of the executive committee, the vocational guidance committee, and meetings of the planning committees for the various activities.

The following activities and projects were sponsored during the year:

1. Two delegates were sent to the MYF Regional Seminar, Lake Junaluska, on August 25-31, 1965.
2. The second annual Conference on the Ministry sponsored jointly by the Commission and Union College was held on December 4, 1965.
3. The Guidance Consultation Program, which brings together high school guidance counselors and ministers, was continued for the third year. This year, however, the Guidance Consultation, held January 6-7, 1966, was expanded into an inter-conference ecumenically oriented activity. It was jointly sponsored by the Kentucky Council of Churches and the Commissions on Christian Vocations of the Kentucky and Louisville conferences.

4. The first of what is anticipated to be an annual vocational guidance conference was held on March 26, 1966, at Epworth Methodist Church in Lexington.
5. The project initiated last year to place in the hands of high school guidance counselors our Methodist materials on Christian Vocations was continued this year.
6. The vocational guidance secretary of the Commission on Christian Vocations continued the program previously established of maintaining a central file of all youth who are known to have made a commitment to a Christian vocation during the year.
7. The Conference was completely organized this year with active District Chairmen of Christian Vocations, and local church secretaries were appointed in virtually each charge.

Plans already formulated for the year ahead, in addition to continuing the activities for this year, include the following:

1. The Commission on Christian Vocations of the Louisville and Kentucky Conferences are jointly sponsoring two lectures on Christian Vocations at pastors school this coming August.
2. A Workshop for district leaders is scheduled for June, 1966, which is designed to provide training so district Workshops can subsequently be held in the fall for local church leaders in the realm of Christian Vocations. Included in the training will be further emphasis on maintaining contacts between pastors and high school guidance counselors, and the promotion of study units and parent-youth seminars in local churches using the study guide for "You and Your Life's Work."

The report of the Treasurer has been filed with the Conference Secretary for the Journal. (See Financial Exhibit E.)

COMMITTEE ON ENTERTAINMENT

The Committee on Entertainment of the Kentucky Annual Conference reports as follows: Two invitations for the 1967 session of the Conference were received in the following order:

1. Eastern Kentucky University, Richmond, for June 6-11, 1967.
2. Morehead State University, Morehead, June 3-12, 1967.

The committee recommends that the 1967 session of the Annual Conference be held on the campus of Eastern Kentucky University, Richmond and that prior consideration be given to holding the session of 1968 on the campus of Morehead University if they are able and willing to extend an invitation at that time.

ALFRED E. ATKINSON, Chairman

REPORT NO. 29

RESOLUTIONS

WHEREAS, we, the members of The Kentucky Annual Conference in the 146th Session, at Eastern Kentucky University, Richmond, Kentucky, June 8-12, 1966, hereby express our thanks to all who have contributed to the spirit and meaning of this Conference as a means of promoting Kingdom interests.

Then therefore be it resolved, that we extend our very deepest and heartfelt appreciation to the eagerness and pleasure with which the facilities of Eastern State University have been made available to us. The cordiality with which we have again been received has rekindled the memories of hospitalities of other days in which we pursued diligently

our Conference work amid these commodious and impressive surroundings. Especially do we see our welcome mirrored in the graciousness of the President of the new university, Dr. Robert R. Martin. His devotion and relentless persistence toward the goals of a high calling continually inspires our admiration and deepens our gratitude. To those on his staff who have so efficiently provided for us at this session of our Conference we would like to express our thanks.

To District Superintendent and Mrs. Harold Dorsey, we are thankful, for their untiring effort in planning and making our stay at the Conference comfortable and enjoyable in every way.

To our host pastor, the Rev. Robert Scott, we are thankful, and pray that he will convey our official note of gratitude to members of the congregation of First Methodist Church, Richmond, for their tireless effort in preparation for the Conference, and the one thousand and one tiny details that go into making an effectively entertained session. Especially do we want to single out a friend of delightfully long standing, Mrs. Emma Y. Case, the Richmond "housemother" to Kentucky Conference Methodism, and recall with her the many delightful experiences of other Conferences that have been tucked away as rich memories of a growing Kentucky Methodism. Both as a dedicated representative of higher education from her invaluable experience on Eastern's staff, and from her concern as a member of a Methodist congregation, we have been recipients of her grace and charm.

We wish to express our thanks to the city of Richmond, its business and service establishments, for their courtesies, and to the Rev. Frank N. Tinder, the dean of the city's ministers for his ecumenical welcome in the community's behalf.

Be it further resolved, that we express our sincere thanks to those representatives from the various boards, institutions, and conference groups; to Dr. Mack B. Stokes for his messages of inspiration and insight, Dr. George Wood for his words of fraternal greeting from the Louisville Conference, Dr. Mahlon Miller, President of Union College, Dr. Wilburn S. Yoder and Dr. Forrest Heddon from the General Board of Missions, Dr. Trigg James, Executive Secretary, Southeastern Jurisdiction Council, and Mr. Elvin T. Edgar, of Cokesbury, Dr. John Horton—President of Lindsey Wilson College, and Dr. Howard Williams—General Board of Pensions.

Be it further resolved, that we convey our gratitude to Dr. W. A. E. Johnson and those who worked with him for a most warm and dignified Memorial Service. We wish to commend Dr. R. P. Patton and Dr. Ed. L. Tullis for their effective addresses on the hospital drive.

Be it resolved, that we express our thanks for the contribution of Bishop and Mrs. Roy H. Short to our conference in their expression in our midst of the warmth of Christian fellowship; in their recall to the longer reaches of our Christian mission; and in the concern for inner Christian experience along the outer fulfillment of our duty. Bishop Short has been a true example, in the field of leadership, courtesy, patience, and ability, in directing our conference in an effective manner. To Mrs. Short, the First Lady of The Louisville Area, who has graced our Conference with her poise, words, and gracious spirit.

Be it further resolved, that we express our gratitude for the fine services of Mrs. Donald Durham, our organist; Rev. Orin Simmerman, Jr., Song Leader; Rev. William and Walter Garriott and their helpers in giving to us the Conference-Gram; Rev. Leslie M. Rogers and his competent and cooperative staff, for the fine records and clerical work rendered; the chorus from Good Samaritan Hospital; the choir of Centenary Methodist Church, Lexington, Kentucky; Rev. Ron Masters and Richard Chamberlain for their skill and efforts in serving as Photographers for the Conference; to Radio Station, WEKY, Richmond, Kentucky, and Richmond Daily Register; and Alan Schneider of the Courier Journal; and the Lexington Leader for fine reports and coverage of all our conference activities.

To God, ever present, ever available in the experience of man—as in the reoccurrence of a Pentecost or Aldersgate—we devotedly commit and open our willing hearts. We mingle our praise and our prayer in the affirmation of our desire for possession by Him in all of our life and in all of our world.

Finish, then, Thy new creation ;
Pure and spotless let us be;
Let us see Thy great salvation
Perfectly restored in Thee;

Changed from glory into glory,
Till in heaven we take our place,
Till we cast our crowns before Thee,
Lost in wonder, love, and praise.

Respectfully submitted,

For the Committee on Resolutions

J. T. HARMON

In our opinion, all of the above named reports present fairly the receipts and disbursements, investments and cash balances, for the respective funds for the conference year ended May 31, 1966.

GEORGE H. WILLIAMS, JR., C. P. A.

Gentlemen:

We have examined the statements of cash receipts and disbursements of the Louisville Area Public Relations Fund to include the treasurer's account and the director's office account, both for the fiscal year ended May 31, 1965. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of cash receipts and disbursements by accounts present fairly the re-

corded cash transactions of the Louisville Area Public Relations Fund for the fiscal year ended May 31, 1965, on a basis consistent with that of the preceding year.

Respectfully submitted,

COMPTON AND KOTTKE, C. P. A.

I have examined the records of the Church Extension Section of the Kentucky Annual Conference Board of Missions of The Methodist Church, Rev. E. T. Curry, Treasurer, for the period of June 1, 1965 to May 1, 1966. Cash balances at May 1, 1966 were confirmed directly with the depositories.

In my opinion, the accompanying statements of cash receipts and disbursements present fairly the recorded cash transactions for the period ending May 1, 1966, on a basis consistent with that of the preceding year.

Yours very truly,

THEODORE F. MONROE, C. P. A.

D. STATISTICAL TABLES

The figures in Column 1 of Table I of each of the reports have been changed to agree with the figures in column 9 of last year's report. Pastors should check this to make sure their records correspond. If you drop any members from your record, you must show in your pastor's report to the Annual Conference how you did it. The figure in Column 1 for next year's report will be the same as the figure in Column 9 of this report.

Since it was impossible for Brother Jones's family to attend the Memorial Service, and it had already been held at the time of Brother Mastin's death, the Committee on Memoirs felt it best for the memorial to be prepared for the next conference session. Raymond Earlywine passed away soon after Conference and his memoir will be prepared for the 1967 session.

MEMOIRS

JOHN FIELDING ARNOLD

At a certain point in time a child is born and at another point a man dies. Between these two moments of birth and death are such experiences as education, aspiration, love, family, friendship, and a growing relationship with God. We call this mixture of time and experience life, and those of us who remain always remember the life of one who has deeply touched us with love and appreciation.

The moment of birth for John Fielding Arnold was November 26, 1883, in Hancock County, Kentucky. His mother was a Roman Catholic and his father was a Methodist. It appears that he followed his mother's faith in early childhood because his first formal schooling was at Gethsemane Monastery near Bardstown. He soon left this school by his own choice, however, and from that time on gained all further education in public schools and Methodist related institutions.

He first met Miss Willye Wiles when she was picking flowers in the springtime. Thus began a courtship which led to their marriage in 1908. Five children were born to them and all five survive to comfort and strengthen Mrs. Arnold; they are, Urie Burke of Owensboro, Ky., William Emerson of Bradenburg, Ky., Mrs. Adrian D. Howard of Livia, Ky., Charles Wesley and Mrs. Marion Griffin of Louisville, Ky.

Soon after marriage the Arnolds moved to Kingswood, Kentucky, where he attended Kingswood College. While there he was licensed to preach in the Methodist Episcopal Church. He served appointments as a supply pastor and a local preacher evangelist in Indiana, South Dakota, and Kentucky until September of 1927 when he was admitted on trial in the Kentucky Conference. He was ordained Elder in 1929 and served until 1951.

Those of us who knew and loved Brother Arnold do not think of these statistics of his life, however, instead we recall his personal contribution to our lives. We remember, and in love pay tribute to a kind, devout, gentle man who manifested daily the spiritual gifts and graces which many of us talk about but seldom attain. He was also a sincere preacher of the gospel who prepared each message with competence and diligence but even this admirable quality was overshadowed by a Christian radiance which caused all "to take knowledge of him that he had been with Jesus."

In August, 1949, when Brother Arnold was preparing to move to his new charge, a member of the Worthville Church stopped to say goodbye. She said, "Brother Arnold, you don't know how we hate to see you leave. You have blessed our whole community in ways you will never know. It is a blessing and an assurance just to see you walk down our streets because you are a man of God." This is the Brother Arnold we all knew and loved—and now remember.

After retirement Brother Arnold became increasingly ill. He frequently sat in his rocker with his Bible and spent his days reading and napping. On November 3, 1965, God gathered him home and his funeral service was conducted in Owensboro by Dr. Harry C. Simms, one of his oldest friends and his former District Superintendent. He left behind a legacy of love—love for God, Church, Country, family and his fellow-men.

We who are still earth-bound can only imagine the welcome God prepares for his children when they put on immortality. Imagination now enables me to see the hand of the Master as it stretched forth to welcome Brother Arnold and it also enables me to hear Him say, "Come, ye blessed of my Father, inherit the kingdom prepared for you. Thou hast been faithful over a few things, I will make thee ruler over many things; Enter thou into the joy of thy Lord."

JOHN WILLIAMS GILBERT

John Williams Gilbert was born, January 6, 1873, near Lockport, in Henry County, Kentucky. He and Miss Lena Marshall S. Kiles were united in marriage, December 25, 1895, at the home of the bride, in the nearby community. To this union was born four children: Cordelia, William, John C., and Howard.

Rev. Gilbert was converted, after this wise, in 1907. Rev. and Mrs. Howard held a Revival Meeting in a general store building. During this meeting he was deeply convicted and one day, while working on the farm he knelt to pray and was gloriously converted. He started taking advantage of the limited opportunities for an education. He also started out in the Spiritual Warfare by organizing Cottage Prayer Meetings. Thus was the beginning of the long Spirit filled ministry for his Lord. He exemplified the truth given by Edgar A. Guest, in **COURAGE**.

Courage isn't a brilliant dash,
 A daring deed in a moment's flash;
 It isn't an instantaneous thing
 Born of despair with a sudden spring.
 But it is something deep in the soul of man
 That is working always to serve some plan."

Rev. Gilbert joined the Kentucky Annual Conference on Trial in 1911; he was admitted into Full Connection and ordained deacon in 1913; he was ordained an elder in 1915. He retired in 1946. For fifty years he never missed a Conference Session.

His appointments were: Frenchburg, Nancy, Somerset East, Green Chapel, Tollesboro, Pine Grove, Oddville, Hillsboro, Vanceburg, Visalia, Polsgrove, New Columbus, Worthville, Jonesville, Corinth and Ghent, and he did two years supply work in the Ohio Conference after his retirement.

I had intimate contact with Brother Gilbert, when he was our pastor on the Green-chapel Charge, and again while he was serving at Ghent, in the Frankfort District. Throughout the years he maintained a high Spiritual Glow, which encouraged many to seek his Lord in the Christian way. Charles Kinsley, well-expressed a truth applicable to Rev. Gilbert, in the statement, "GLADNESS." "The men whom I have seen succeed best in life have always been cheerful and hopeful men who went about their business with a smile on their faces, and took the changes and the chances of this mortal life like men, facing rough and smooth alike, as it came."

Rev. Gilbert had many successful Revivals across the years of his ministry, in which a great number of souls were won to the Lord. Among these Revivals was that on the Oddville Charge, when the Spiritual upsurge attracted attention over a wide area. The Revival at Garrison on the Vanceburg Charge, where he did the preaching and the singing was in charge of a former convert. This meeting lasted several weeks, and among those converted were two brothers who entered the ministry.

After retirement in 1946, he moved to Withamsville, Ohio. He lived near and worshipped at The Church of the Nazarene, where he was well received and greatly encouraged the pastors in their work in this church.

Rev. Gilbert became ill on June 26, and passed to his reward June 28. The Memorial Service was held in the church where he worshipped, July 1, 1965, with the Rev. R. F. Ockerman in charge, assisted by Rev. Leonard Dawes, a former pastor, and Rev. L. C. Harbold, the present pastor. His body was laid to rest in the family lot, in the Mount Moriah Cemetery, Withamsville, Ohio, beside his companion across the years, who had preceded him in death. Rev. Gilbert lived, and served to the ripe age, of 92 years, 5 months and 22 days.

The life, the aim, the Christian witness of this noble soul, are well expressed by Greenville Kleiser, in his "TRAVELING HOMEWARD." "To be strong and true; to be generous in praise and appreciation of others; to give without expectation of return; to make the best of time and opportunity; to keep the mind pure and the judgment charitable; to cultivate quietness and non-resistance; to seek truth and righteousness; to work, love, pray and serve daily, to aspire greatly, labor cheerfully, and take God at His word, this is to TRAVEL HEAVENWARD."

R. F. OCKERMAN

SHELLY ROUSE MANN

Rev. Shelly Rouse Mann, "the son of John T. and Mattie M. Mann," was born at Crittenden, Kentucky in Grant County, July 30, 1889. He was united in marriage to Fanny B. Gibson, December 6, 1911. To this union four children were born, "three daughters and one son," Mrs. Hilda M. Cockayne of Butler; Miss Rita E. Mann of Covington; Mrs. Lena A. Scharfenberger of California; and Harry S. Mann of North Madison, Ohio. Rev. Mann was married to Mrs. Arlie S. Wells on June 9, 1956 and she with his children survive his passing.

Brother Mann was admitted on trial into the Kentucky Annual Conference of the Methodist Episcopal Church South, in 1923 and was ordained a deacon and admitted into full connection in 1928 and ordained an Elder in 1932. He served the following charges during his thirty-five years of active service. Campton & Hazel Green, West Irvine, Saltwell, New Castle, Mt. Olivet, Butler, Brooksville, and Pleasant Grove. He served two of his appointments ten years each. They were Butler and the Brooksville churches. He loved the people and the churches that he served and the people loved

him because he was a Godly man, a good gospel preacher, a soul winner and a very fine pastor.

Rev. and Mrs. Mann had lived at Independence, Kentucky, for several years and he was a member of the Quarterly Conference of the Walton Church, where he had worshipped and rendered a fine service to his Lord, the church and its Pastors since his retirement in 1958. It was this type of Christian service that he was having a part in, when the time of his departure came near 11:15 a.m. on March 6th. He was leading the congregation in the Lord's Prayer and following the statement, "Thy Kingdom come Thy will be done on earth as it is in Heaven," he suddenly collapsed to the floor. While life's earthly end had come to Brother Mann, a new and more glorious life was beginning in that Heavenly place that his Lord had gone to prepare for him; A house not made with hands, Eternal in the Heavens. We all know that a person could not leave this world from a better place, than from the pulpit, in the church of God and while praying the Lord's Prayer in a Sunday Morning Worship Service.

His funeral service was conducted in the Walton Methodist Church at 11:00 a.m. March 9th, by the Pastor Charles G. Dearing assisted by Dr. Homer L. Moore, the Covington District Superintendent, and Rev. George W. Hoffman of Walton, where a large number of Ministers and their wives had come to give evidence of their high esteem, respect and appreciation for a Servant of God, whose ministry and life had been an inspiration and blessing down through the years. His body was laid to rest in the Hill Crest Cemetery, at Dry Ridge, Kentucky.

CHARLES G. DEARING

MRS. THOMAS BRADLEY ASHLEY

On November 7, 1965, Mrs. Lulu Whitehead Ashley passed away at her home in Louisville, Kentucky, ending the earthly pilgrimage of a most versatile and dedicated mother in Israel.

Mrs. Ashley was born in Barbourville, Kentucky, September 10, 1886. While attending Union College in Barbourville, she met Thomas Bradley Ashley, also a student and in 1909 they were united in marriage. Into their home came three children—Harold W., Wm. Thomas and Margarite.

For some time young Ashley had been seriously and prayerfully considering what his life work should be. He wavered between a business career and the ministry. He and his wife prayed that they might have unmistakable evidence of God's will in that important decision.

While yet undecided about his life work, the Ashleys attended the Sunday morning service of the Annual Conference which met in the Barbourville Methodist Church. In the sermon, Bishop Thirkield exclaimed, "O for a young man who will bury himself for God in the heart of these mountains."

The Ashleys took the words of the Bishop as an answer to their prayers. That afternoon they visited the Bishop and young Ashley told him that he would be that young man, "who would bury himself for God in the heart of these mountains."

The Ashleys moved into mountain communities and coal towns, always gathering people and organizing them into Methodist congregations. Mrs. Ashley, with her radiant personality won the affections of the women and children and brought them into Sunday Schools.

When the Ashleys came to Wolf Pit in Pike County, they soon realized that a Hospital was the greatest need. Accidents were constantly occurring, and the nearest Hospital was more than one hundred miles away. Patients often died on the way to the Hospital.

Financial support was enlisted from some businessmen and doctors to purchase a hospital site in Pikeville. Soon the first wing of the present Pikeville Methodist Hospital building was under construction. After discouraging delays on account of inadequate financing, the building was completed and opened for service December 24, 1924.

In 1936 Rev. Ashley was made Administrator of the Pikeville Methodist Hospital. Mrs. Ashley entered into the Hospital work with her usual enthusiasm. With her leadership, a Hospital Guild of interested women was organized. This group of women did much of the furnishing of the rooms of that first wing of the Hospital.

The first Nursing School in Eastern Kentucky was established in the Methodist Hospital of Pikeville. Many of the nurse girls were away from home for the first time and suffered home sickness. But Mrs. Ashley became a mother to all of them and the Ashley home became a home for the Nurses and Hospital personnel.

There was no money for Chaplain service and Mrs. Ashley together with women from the Guild took over that service. Comfort and solace was brought to every patient and when death came, Mrs. Ashley relieved the tragedy with her confident and radiant faith in the goodness of the Heavenly Father.

She was a leader in the Pikeville Methodist Church, through all the years of her hospital service. She helped organize the Woman's Society of Christian Service after Unification in the Pikeville Church and on the Conference and District levels. For years she was a District Officer.

In 1952 the Ashleys retired from the Pikeville Hospital to become Associate Ministers of Trinity Temple Methodist Church in Louisville, with special emphasis upon Parish Visitation. In 1956 Rev. Ashley passed away. Mrs. Ashley continued her personal work in Trinity Temple. But her health was failing, and on November 7, 1965, the Heavenly Father called her to the eternal home.

Of the immediate family there remain three children—Harold W. of Melrose, Florida, Wm. Thomas of Vero Beach, Florida and Margarite (Mrs. Hugh Duke) of Dundee, six grandchildren and six great grandchildren.

Mrs. Ashley was one of the truly great women of Kentucky Methodism. Not until the books are opened in heaven and the record fully revealed, will we be able to fully appreciate so rich and dedicated a Christian life.

To the many, many people whose lives were brightened by her Christian service, there is comfort in the thought that: If we never cease to love those we lose, we never lose those we love; to live in the hearts of those we love is not to die.

J. I. MEYER

MRS. JOHN CHEAP

Mrs. John Cheap (Sue Gem Holt), born January 27, 1880, at Louisa, Kentucky, was reared in the small community of Busseyville about six miles from Louisa. The Holts were one of the pillar families in the Busseyville Methodist Church. She received teacher's training under Professor Elam in the Big Blaine section of Lawrence County and taught school for about five years. In 1903 she and the Rev. John Cheap were united in marriage. Brother Cheap, who had been admitted to the Conference in 1888, was serving the Methodist Episcopal Church in Louisa as part of the Louisa Circuit. His first wife had died a few years before and his children, a son and a daughter, were ages six and nine.

After leaving Louisa, the Cheaps served the Germantown appointment where their twin children were dead at birth. Other appointments included Olive Hill, where a daughter, Edith, was born in 1908, Middlesboro, Bethelridge, Salt Lick, and Advance, where a daughter, Gay, was born in 1919. They once again served Louisa and following retirement, Brother Cheap supplied the Salt Lick Church. Brother Cheap died on January 6, 1929 and was buried in the church plot in the Ashland Cemetery in Ashland.

In the Spring of 1929 Sister Cheap moved to Barbourville where she became a housemother in Stevenson Hall at Union College that summer. She later served as housemother to the girls in Speed Hall. Following an accident in 1933 in which she broke her hip, she lived with her married daughter, Edith, who was then living in Barbourville. After her daughter, Gay, was married in 1937, she lived with her and they moved to Columbus, Ohio in 1941. While in Columbus, Sister Cheap was a supervisor for Goodwill Industries for several years. She later returned to Louisa which was to be her home until her passing.

One of the daughters writes: "Mama and Papa were a completely compatible couple. She loved and admired him and tried very hard to be a good wife and mother to his children. He likewise gave her love and admiration. Though they had very little money, Mama kept a clean, attractive home and we always wondered how they managed, but Mama had a tremendous amount of energy and skill."

The writer of this Memoir knew Sister Cheap for over five years as her pastor at First Methodist Church in Louisa. She was a faithful and seemingly, tireless servant of the Lord. She was one who constantly encouraged her pastor and her mind was open to new undertakings and ideas. Often she served the role of reconciler between those who were estranged. This lesson she had learned well in the parsonage. When the church doors were open, you could always count on her presence. Her meager income was faithfully tithed to the cause of Christ. She invested her energies in labors for Christ far beyond her own energy level. She served the Lord well through The Methodist Church. From a rural Methodist Church, to the several parsonages, to a college

campus, to the Methodist-founded Goodwill Industries, and then faithfully as a member of First Church in Louisa, she was His. Truly she was privileged to hear, "Well done, thou good and faithful servant, enter thou into the joy of thy Lord."

Sister Cheap passed from this life on August 2, 1965 and was buried in Pine Hill Cemetery in Louisa. Funeral Services were conducted by Rev. William L. Stratton at First Methodist Church in Louisa. Since her passing, her sister and step-son have followed her in death. Her daughters, Mrs. Emerson Cobb of Stockton, California and Mrs. Glen S. Fuller of Columbus, Ohio, and her step-daughter, Mrs. R. G. Huey of Pinetop, Arizona survive her.

WILLIAM L. STRATTON

MRS. L. C. DeARMOND

Mrs. Irene Elizabeth Martin DeArmond, the beloved wife of the Rev. L. C. DeArmond, entered into rest April 1, 1966, while a patient at the Grant County Hospital at Williamstown, Kentucky. Prior to her entrance into the greater life she made her residence with her husband at Corinth, Kentucky.

She is survived by her husband; a son, Sgt. Claude L. DeArmond, stationed in Munich, Germany; her mother, Mrs. Virgie Martin of Corinth; two sisters, Mrs. Ruby Hammonds and Mrs. Katherine Godman, of Corinth; two brothers, Howard Martin, Geneseo, Illinois; and Gayle Martin, Covington, Kentucky.

At the time of her death she was a member of the Corinth Methodist Church.

Mrs. DeArmond was a lady of great faith and zealouslyness in her labors for Christ. She was a lovely person, made so by the love of God at work daily in her every relationship. She was a tireless co-worker, always at her husband's side in making this world a better place. She especially enjoyed working with the youth of the congregations served by her husband and herself. She was married to the Rev. DeArmond March 20, 1935, and served faithfully with him for more than 21 years in the following appointments: Visalia, Florence and Petersburg, Port Royal, Lenoxburg, Oddville, Hardwicks Creek and West Bend.

In all the churches that she served with her husband, she made many friends and was a light of inspiration for many who had sat in darkness.

The memorial service for Mrs. DeArmond was conducted in the Chapel of the Rogers Funeral Home at Corinth, on Tuesday, April 5, 1966. Her pastor the Rev. Charles Wattmuff was in charge of the service. The message was brought by Rev. Alton Brown, a close friend of many years. Mrs. DeArmond had requested that Rev. Brown use as his subject, "Beyond the Half Way House." The music for the service was furnished by Mrs. C. L. Vincent and soloist Mrs. Gordon R. True. Mrs. True sang beautifully the theme of Mrs. DeArmond's life, "Living for Jesus the Life That is True."

Mrs. DeArmond was laid to rest in the Ekler Cemetery near her earthly home at Corinth.

All who knew her, and who know the Christ she loved so well, can truly say:

"No longer at the half-way house
She has climbed to heights above."

ALTON M. BROWN

MRS. LILLIE M. EDELMAIER

At the time of her death, Mrs. Edelmaier, was the oldest member of the Immanuel Methodist Church, South Ft. Mitchell, Kentucky. She was in her ninety-third year, and was active in the total church program until about six months before her death. When the members of Immanuel think of her they instinctively take Paul's statement, "I have kept the faith," and paraphrased it, "She was kept by the faith of Christ that dwelt in her heart."

Mrs. Edelmaier was born in Santa Claus, Indiana, December 2, 1873. She was married to Rev. Edward David Edelmaier, November 19, 1902. For five years they lived on a farm at Santa Claus, Indiana, and then entered the full-time ministry of the Methodist Church. In 1932 they came to Immanuel Methodist Church, Covington, Kentucky, where they served with distinction for five years. Dr. Edelmaier was made the Superintendent of the Covington District in 1937. After his death in 1942 the Edelmaier family remained in the Immanuel Methodist Church. Mrs. Edelmaier was a member at the time of her death.

To this union were born two daughters, Mrs. George C. Trautwein, Ft. Thomas, and

Mrs. E. Robert Taglauer, Maitland, Florida, and there are three granddaughters, Lois, Joyce and Gretchen Taglauer.

Services for Mrs. Edelmaier were held at the Immanuel Methodist Church on Friday, May 28, 1966 at 11:00 a.m. Officiating ministers were: Dr. Homer L. Moore, Dr. Ralph Wesley, and Rev. Kenneth Clay. Internment and services were conducted at Santa Claus Methodist Church, Dale, Indiana, Saturday, May 29, 1966, at 2:00 p.m.

We can hear our Lord say, "Well done thou good and faithful servant. You have been faithful over a few things, I will make you ruler over many things. Enter thou into the joys of thy Lord."

KENNETH A. CLAY

MRS. JOHN OWEN GROSS

Harriett Gross, the wife of Dr. John Owen Gross, passed away at her home in Nashville, Tennessee, May 10, 1966, after an extended illness. As she had done all through her life, she answered the call of her Master, and entered into her eternal home of rest and peace, and no doubt heard Him say, "Well done thou good and faithful servant. You have been faithful . . . enter into the joy of thy Lord."

Mrs. Gross was beloved as a minister's wife. She was devoted to her Church, and was a great source of encouragement to her husband in his fields of service as a pastor, district superintendent, College President, and Executive Secretary of the Board of Education. Wherever she lived she could always be counted on to assist in every way possible with the program of the local Church.

Harriett Gross was primarily a homemaker, a faithful wife and mother, whose influence emanated from her home to touch and inspire the lives of all of those with whom she came in contact. A graduate of Union College, who had spent a great amount of time in the Gross home, and who now is the owner and editor of the Barbourville Advocate, wrote the following in his paper—"When I heard of Mrs. Gross' death I thought of the real down-to-earth goodness of this woman. She was an unassuming type lady. Rarely did she seek out honors, nor did she want credit for anything she did. Mrs. Gross possessed the most pleasant smile possible, and I don't think I ever saw her upset enough to scold a student. The genuine love she had for her family was of great magnitude. . . . The fact that Mrs. Gross asked that people send memorials to student scholarship funds, instead of flowers, to form living memorials, bears out the fact that she lived a life for others, just as surely as the world exists." Such was the influence of her life upon all who knew her.

Funeral services were conducted at the West End Methodist Church, Nashville, Tennessee, by Bishop James W. Henley, assisted by Dr. B. B. St. Clair, and Dr. Myron Wicke, and was laid to rest in the Cemetery at Nashville.

This poem by T. W. Fessenden, pictures the life of Harriett Gross in a beautiful way:

"You painted no Madonnas
On chapel walls in Rome,
But with a touch diviner
You lived one in your home.

You wrote no lofty poems
The Critics counted art,
But with a nobler vision
You lived them in your heart.

You carved no shapeless marble
To some high souled design
But with a finer sculpture
You shaped our lives divine.

You built no great cathedrals
That centuries applaud
But with a grace exquisite
Your life cathedraled God.

Had we the gift of Raphael,
Or Michelangelo,
Ah, what a rare Madonna
This mother's life would show!"

C. NEVIL WHITE

MRS. LEILA CUTLER LARABEE

Mrs. Leila Cutler Larabee, 87, died Saturday night, December 25, at 9:00 at the Lane Rest Home near Elizabeth City, North Carolina, after a long illness.

She was a native of Morely, Michigan and lived in Wilmore, Kentucky until two years ago. She was the daughter of the late Gardner F. and Amelia Brackney Cutler and the widow of the late Fred Halse Larabee, beloved Dean of Asbury Theological Seminary during the first quarter century of its life (1923-49). In the earlier years of their pastoral ministry she graced the parsonage home always with love, understanding, dignity, and culture. She made her parsonage home and that of the Seminary Dean a source of peace and strength to all who shared in this godly and delightful fellowship. She was an honorary member of the Seminary Deans and a member of the Wilmore Methodist Church.

Mrs. Larabee is survived by a son, Norman C., Route 2, Elizabeth City, North Carolina; one daughter, Mrs. Miriam Larabee Wolfe of Greensburg, Pennsylvania and two grandchildren. Burial took place in the Wilmore Cemetery.

Today we pay our Christian respects to one of God's great hearts who has fought a good fight, who has finished her course, who has kept the faith. We rejoice in one who has departed to be with her Lord forever, who has received the crown of righteousness which the Lord has promised to his faithful ones.

God grant that the fragrant memory of Mrs. Larabee's holy life shall inspire us continually to fight a good fight, to keep the faith, and to finish the course.

LET ME GIVE UP

Let me give up gracefully,
Others can take my place.
And do a better job.
I may say,
One is as old as he feels.
Not so. I may deceive myself
But not my friends.
They note my graying hair
And slowing step,
My forgetfulness and
Hints of age.
Let me give up
And pass the torch to younger hands,
They have new methods
Later, better ways of doing things.
They can advance and I can follow at the rear.
No, my work is not done
The Lord has tasks for me
In some quiet homely sphere
And I'll rejoice and travel on
While someone takes my place.

HOMER L. MOORE

MRS. J. M. LITERAL

Mrs. Myrtle Raike Literal, 89, who formerly lived in northern Kentucky, died Tuesday, May 31, 1966, at the home of her daughter, Mrs. Vernon Curran, in Hyde Park, Cincinnati, Ohio.

Mrs. Literal was the widow of the late James M. Literal, a member of the Kentucky Conference who died in 1945. Rev. Literal served many of the Methodist Churches in northern Kentucky: Ludlow, Shinkle, Covington, and Tower Methodist Church, Dayton,

Kentucky. He also served as District Superintendent of the old Covington District of the former M. E. Church.

Survivors include in addition to her daughter, Mrs. Curran, two brothers, Edward M. Raike, Cincinnati, Ohio, and William Raike, Waynesboro, Virginia; two grandchildren and two great-grandchildren.

Funeral services were conducted at the Hyde Park Community Church in which she had been a member for many years. Burial in the Highland Cemetery, Covington, Kentucky.

Mrs. Literal was a descendant of an old and well-known Eastern Kentucky family. She was born and reared in Greenup, Kentucky. She and Brother Literal were married in 1902 at which time Mr. Literal was employed as cashier in the Greenup Bank.

They were members of the Greenup Methodist Church. During a revival meeting Mr. Literal felt called to enter into the ranks of the ministry of the Methodist Church. Possibly no one except those who have undergone the transition from the lay membership of the church to that of the ministerial ranks can understand what this means to the wife. She knew the security that exists when one has a house and lives among kind and loving friends. Then she was called to accept a new vocation not knowing where it would lead. Mrs. Literal met the test. She and her preacher husband made many friends among those to whom they were sent.

The writer has had similar experiences and realizes the sacrifices that the wife is called upon to make. My first acquaintance with this fine woman was first made when Rev. Literal became District Superintendent of the Covington District. So much depends on the lady of the parsonage and we take this opportunity to pay tribute to this dear woman and to the one who gave herself that I and others like me might have the privilege of serving our Lord and our church. We cannot praise these dear departed ones enough.

MRS. J. A. McCLINTOCK

Mrs. J. A. McClintock was born February 14, 1882 in Bourbon County, Kentucky. She passed away August 4, 1965 at the age of 83 years. At an early age she gave her life to Christ and served Him faithfully through the many years as a devoted wife, loving mother, and friendly neighbor.

Following her marriage to Brother McClintock they entered the Methodist ministry and served the Corinth and Red House-Doyleville charges. While still early in their ministry Brother McClintock felt called to evangelistic work and they moved to Richmond where they made their home for the remaining years. Though this home was not a parsonage belonging to a congregation, it was no less a Methodist Minister's home as she reared her children in the Christian faith and served the Richmond Church in her own willing and capable way. She was an inspiration to the Woman's Society of Christian Service, taught a Sunday School class, sang in the choir, served on the Official Board of the Richmond Church, and shared in the many joys and burdens of her Church.

She is survived by four children: Mrs. Thelma Matthews, Richmond; Hugh C. McClintock, Tampa, Florida; A. D. McClintock, Richmond; and Mrs. L. L. Dempsey, Wilmington, North Carolina. She was preceded in death by a son, Kenneth Lee, in World War II, and by Brother McClintock on August 22, 1963.

The funeral service was conducted by her pastor, Rev. Robert J. Scott, in Richmond, August 6, 1965. "Well done, good and faithful servant."

VIII. ROLL OF THE HONORED DEAD

By vote of the 1957 Conference the Secretary was authorized to place in the journal each year a "Roll of the Honored Dead." We have combined the lists of the deceased found in the Methodist Episcopal Church, the Methodist Episcopal Church, South and the Methodist Protestant Church. Of course, all of the information will never be found on all of these men but we hope before the next journal appears to complete as much more as is available through records. Trusting that you will be patient with us until we have compiled all of the available information, I am

Yours sincerely,

LESLIE M. ROGERS, Secretary
