# Outside Concert — Beer and Good Time

# Art Show

# Sidewalk Sale

# Sorority Rush

Sorority rushes this year were a little different than the traditional wine and cheese or beer parties of previous years. Exceptionally new was the ice cream rush provided by one of the sororities on campus. This radically different rush aroused the curiosity of enough girls to make the rush a great success.

# Elton John

The sell out crowd could not have wished more from Elton John in his two hour, two encore performance. From the moment he hit the stage with his blinking neon sunglasses and white satin cape, he captivated the audience. The concert was partly a serious musical presentation, evident in songs like "Madman Across the Water," "High Flying Bird," and "Have Mercy on the Criminal." But he knew what the people wanted and "Your Song," "Rocket Man," and "Daniel" did just that. Being brought to their feet by "Crocodile Rock", the crowd remained standing through his finale, "Honky Tonk Women." Elton John proved that he is truly an artist and a professional who knows how to please his people.

## Marathon Dance

"I COULD HAVE DANCED ALL NIGHT" — A Dance Marathon? — That's right! Perpetual Motion? — That's right, too!!!!

On Tuesday, October 9, as part of Homecoming 1973, UA sponsored a marathon — and, of all who participated, only five and one half proved they could "DANCE ALL NIGHT." Except for periodic ten minute breaks, none of the contestants were allowed to stop — not even for a minute!

Steve Wendell, of WVUD, gave no mercy to the contestants as he shouted out demands. What a stinker! The marathon was a great success — everyone had lots of fun. And, now, the final contestants can honestly say, "I DID DANCE ALL NIGHT."

## The Parade

Clowns, balloons, floats — different sizes, shapes, and colors — drill teams, cheerleaders, beer, and fun for all, were but a few essential ingredients that initiated the ANNUAL UNIVERSITY OF DAYTON HOMECOMING PARADE this year!

What a way for students and returning alumni to begin Homecoming 1973 — This, they call tradition — who wants to change it??? Not me!!!

"Keep hustling, something good will happen."  
They did, it happened, and the Flyers beat Ball State in the homecoming appearance by a score 13-12.

While keeping the 7,519 soggy fans on the edge of their seats, the UD Flyers showed the home-comers how they PLAY BALL!

Yes, the game was a thriller! Though the scores were close and tension present in the crowds — the verdict as always was TRIUMPHANT!

## Homecoming Game

## Homecoming Dance

As you are well aware, nothing compares with the nostalgia of Homecoming. The dance is a time of renewing old acquaintance, reliving unforgettable times, and reviving the famous U.D. spirit!

This year's Homecoming, October 13, 1973, took as its theme, "The Roaring 20's". Wampler's was the site. Continuous music from two bands, "Timothy" and "Dillinger", were provided to make the night memorable!

This year candidates (RIGHT) were (BOTTOM ROW, L. to R.) Vivian Gregowich, Joyce Konst, Lyn Gutbrod, and Katie Hickey. (TOP, L. to R.) Georgina Linnelli and Erwena Stone.

# University Art Series

Anna Moffo, John Alexander, and the Dayton Philharmonic Orchestra gave an excellent performance combining superb vocal quality and outstanding audience appeal. Ms. Moffo and Mr. Alexander gave solo and duet performances from some of the world's most famous operas, including selections from Donizetti's "Daughter of the Regiment", Verdi's "Rigoletto", and "Tosca" by Puccini. During the performance the two singers displayed not only their great vocal talents, but also showed considerable stage presence. The conclusion of the concert was an encore in which Ms. Moffo and Mr. Alexander sang "The Drinking Song" from "La Traviata" complete with their own improvised waltz to the delight of the audience.

# Chicago

# Crosby-Nash Concert

WHAT can I say about the Crosby-Nash concert? I mean, for all of you who saw it — nothing needs to be said — and for all of you who didn't, you most probably have already heard what needs to be said \*\*\*\*\* So, I have rationalized leaving this section of the Crosby-Nash concert up to your own memories. REMEMBER???

# Theatre Restaurant

Dinner PLUS Entertainment!  
The University of Dayton held their Theatre-Restaurants right here on campus.

Beavercreek Players sponsored "Giant's Dance". Also included in entertainment were "Good-Bye Charlie" and "Last of the Red Hot Lovers"!!!

For all those present — they were definitely enjoyable evenings! Lot's of fun, food, and entertainment!

# Spoon River Anthology

"Spoon River Anthology" The most intriguing aspect of this play was its variety. Nearly all aspects of life were represented, from the most contented souls in their grave to the most outraged.

The play was reviewed as "well worth seeing" — and that it surely was!!

# Christmas on Campus

"HO! HO! HO! And what do you want for Christmas little girl?"

What FUN "Christmas on Campus" — 1973 was this year with games, Santa, singing, hot chocolate, Christmas cookies — and just about everything else CHRISTMASY!!

# Frank Zappa Concert

Great excitement stormed throughout the U.D. campus on November 26. Zappa and the Mothers were brought to the U.D. Fieldhouse! Frank Zappa proved to be crazy, ugly, intelligent and outrageous. The most notorious thing about him people say, is his musical career. This, he proved to the U.D. students!

# Military Ball

# Phil Donahue — Bobby Riggs

Amazing, Incredible ... but, YES — it's true! The Phil Donahue Show was filmed at the UD Arena! Bobby Riggs played Pete Rose! Other Dayton TV personalities appeared and stood ready to get in on all the action!!

# Go Flyers!

Lyn Gutbrod, Laura Saluati, Lyndelle Phillips, Georgina Linnelli, John Leone, Bob Bir, Tom Lolli, Gary O'Keefe. Missing: Greg Tamer.

# Lady Audley's Secret

Under the direction of Lawrence Selka, a GREAT CAST produced, "Lady Audley's Secret" — a play deserving of much praise and recognition!

The performers include Chris Sauter, Bob Byrne, Bill Lester, John Tobin, Jim Nicholas, Sue Rupert, and Patti Spitler.

Lawrence Selka's direction of this play deserves much praise because choreography was especially important in diminishing the effect of a poor script.

That's right — The name of the play — "LADY AUDLEY'S SECRET"

# Kings' Skits — Turnabout

TURNABOUT KING — Nick Giangliulo — Competitors were Jim Casella, Dan Hogan, Bill Cairns, Tom Lolli, Charlie Henrich, Alfred Hannibal, John McTamney, and Mike Burke. All were considered "Babes in Toyland" with their childish charms!!

# The Dating Game

THE DATING GAME!!! Presented alive and on the UD campus ... As part of Turnabout Week, one night was dedicated for The Dating Game — and what a game it was!!!

# Turnabout Dance

What a treat for the men! **THE TURNABOUT DANCE!** Dinners, bottles, and rides were supplied by the girls. What more could the men ask for? A **GOOD TIME** was had by all — But, thank heavens it's only **ONCE** a year! a girl.

# Football

5-5-1

Some football teams win their games by hook, some win them by crook, while others use a little 'schnook' to chalk one up in the victory column.

The Dayton Flyers went this formula one better against their first rival of the season, Youngstown State. The fans saw a little bit of all three as the Flyers put together a 22-0 victory!

Coach Marciniak used his flashy Veer-T offense, complete with options, counter options, and for good measure, a few more options in his master plan to hook Dayton on his football team.

For weeks before the football season, sports columnists and fans alike had been sizing up the team's strength down to a detailed description of each play. Ignored in this pre-game flurry, the UD marching band took the spectators by surprise and earned throughout the season standing ovations.

Why the sudden success? According to Band Director, Clair Miller, it is due to administration support and a new trend among U. D. students. Long discouraged by the national trend of "dropping out", he delights in the willingness of students to become a part of campus activities!

The band members expressed the same idea of a new spirit in the group. Last year the main job was to make the members believers, now their job is to make them doers.

"It was a great effort by a team that just wouldn't be beat." This is the way coach Ron Marciniak described his team's 23-19, come from behind victory over Southern Illinois University.

After trailing 16-3 at halftime, the Flyers came back before 7,881 fans. The win broke a three game losing streak for the Red and Blue.

On his halftime adjustments Coach Marciniak said, "We just stuck to our game plan and reminded the team that each individual had to hold his block a little longer and outplay his man a bit more."

With just 3:36 left in the game, halfback Walt Wingard took a pitch from quarterback Ken Polke around right end and scored what proved to be the winning points! Greg Schwarber's extra point was simply the icing on the cake. What a game! What a team! What a school!

Since his arrival, new head coach Ron Marciniak, has promised changes and that is just what he has produced. He started with changes in the coaching staff, continued with changes in the team's uniforms, and later changed some of his personnel to new positions. While Marciniak has attempted to install changes on the field to improve the squad, he also has attempted to create a program that the students can be proud of. "The players want the students to be proud of their football team," said Marciniak.

# Soccer

6-2-2

The U.D. boosters overpowered five of their 1973 opponents to set a school record of 16 consecutive wins before being defeated by Miami University. The previous record of 11 wins was set by the '57 and '67 teams.

This year's squad featured such standouts as Jim Gerker, Mike Brick, Mark Boas, and Dave Mechler. With 23 team members returning, next season promises to be another record-breaking year!

# Rugby

3-6

Dayton's Rugby Club faced a number of tough opponents this year and in doing so managed to set two team records. Records were set for the most victories and for the most points scored during one season. The Club won three games and scored a total of 80 points, 38 more than the previous record of 42 points. Although the Club's overall record of 3-6 is not impressive, the team members feel that they are gaining the necessary experience to become key tournament contenders. Their president, Dan Brabender, feels that the team is greatly improving each year and says it won't be long before Dayton becomes a championship team.

# Hockey

U.D.'s young Hockey team got off to a slow and premature start. After only two hours of practice they managed to tie Miami 4-4 in the opener. However, inexperience began to take its toll as the Flyers lost four consecutive games to U.C., Toledo, Overland, and Henry Ford. Although the team was outscored, they were by no means defeated. After learning from their mistakes, the icemen came back to defeat Miami 18-3, Toledo 8-5, and Kenyon 13-3. If these late season scores are any indication of what to expect next year, opponents may find themselves numbered or as the Flyers slash the ice in the name of experience once again!

# Women's Tennis

Third in Ohio Valley  
League Tournament

When tryouts for the women's tennis team were held early this year, not as many girls tried out as were expected. Even though, Coach Jayson organized her gals into an attractive but tough tennis team that would stop at nothing. After many hours of hard practice and lessons learned the hard way, the team hit the high spot in their season by placing third in the Ohio Valley League Tournament.

Each year the girls are getting better and who knows, someday a U.D. girl may be saying, "14-Love, Mr. Riggs!"

KNEELING: Alison DePaul, Debbie Moresi, Cathy Brill. STANDING: Pat Jayson, Anne Brennan, Bee Hanrahan, Carolyn Coyle, Anita Fisher, Reenie Laffin, Barb O'Neil.

# Women's Field Hockey

Coach Pat Jayson's field hockey completed a very successful 8-4 season. Highlights of the season were a first place win in the Ohio Valley League Tournament and a first place finish in the Ohio Valley League. This fine showing gave them an eighth ranking in the state and has left us wondering what to expect next year.

The Women's volleyball team finished their season with a 6-1 record. Undefeated in Ohio play, they beat such formidable foes as Ohio U., Miami and Ohio State. Coach R. Elaine Dreidame's team also played in Indiana's and Northern Illinois tournaments. Being ranked the number one Ohio team was the most satisfying part of the successful season.

The Wrestling team experienced a frustrating season hampered by inexperience and injuries. This year's record was no indication of the teams overall hustle and enthusiasm. The Grapplers started each match six points in the hole since they did not have a man in the heavyweight category and often found this to be the losing edge. First year coach Jim Edwards found himself organizing a seniorless team with only one junior member. Although this was a disappointing season the matmen never gave up. Through their determination and perseverance the team created a spirit of competition which they can be proud of.

# Baseball

Fall Season

U.D.'s Baseball team found themselves running the bases more than playing the field in most of their fall season games. The team demonstrated an uncanny ability to hit the ball in times of need. This, in conjunction with an excellent pitching staff, enabled the Flyers to compose a fine record of 10-3-1 for the season. Head Coach, Bob Hildreth described the Flyers as a "very successful team", and later commented, "There's no doubt about it, I've been pleasantly surprised all season."

# Basketball

Flyers on the Move . . .

In the past, U.D.'s basketball team has been led by one or two outstanding players. However, this year, things were a lot different. The team's leading scorer, Donald Smith, found help in the person of Johnny Davis, who according to Smith, improved the team's offensive game by 70%.

At the forward positions senior Mike Sylvester and jumping jack Allen Elijah backed up the team's offensive drives by sweeping the boards clean time after time and at the center position senior John Von Lehman and junior Joe Fisher rounded out the team's ability. This year's victories were not the efforts of one man but rather of a team which had strength and consistency at every position.

Throughout the year, the Flyers' balanced scoring and tough defense were rewarded enthusiastically by acknowledging fans. Spurred on by cheerleaders before the games, Flyer fans had the Arena shaking by the time the team hit the floor. Coach Donoher said that he had never heard anything like it in the four years at the Arena. Donoher was referring to U.D.'s triumph over U.C. when the crowd's enthusiasm hit an all time high.

As the Flyers passed their mid-season mark, the lines at the box office never slackened. Why? Because the students and Fans alike realized that they could expect to see a unique type of game. A type of game where enthusiasm runs at extreme levels and hope is never lost. A game where the word excitement cannot be used to describe the high amount of emotions present. A game where the healthy spirit of competition unites players, students, faculty and home town fans in a common goal.

#### SENIOR COMMENT

This year's Senior Class has seen progression coupled with crisis in its years at the University of Dayton. Seniors remember the time when the question was "where are you from?", and now find themselves asking "do you have a job, or are you going to grad school?" For some seniors, security already exists in employment; most though, are still frantically sending out resumes and requesting interviews. Many are finding grad school a favorable alternative to unemployment.

Senior year has been memorable for classes, block parties (with bonfires), rallies, concerts, the NCAA, and streaking. The increases in food prices have resulted in too many macaroni casseroles, and too much "Hamburger Helper." The gas shortage made traveling home on three day weekends nearly impossible. Watergate and the forced resignation of a vice-president brought about political disillusionment.

The Seniors have enjoyed relevant and survived irrelevant classes, have been motivated by concerned profs, and discouraged by extensive papers. Their friends, and even those who weren't friends have all made an indelible mark on their lives. Even though the class of '74 no longer has the security of the university community, they find that the problems they have learned to cope with have formed them into unique individuals capable of surviving today's problems. They're scared, but they're ready.
