## Νέες Διεθνείς Δημοσιεύσεις (2009-2010)

New International Publications (2009-2010)

Compiled by Dora Pavlidou & Giorgos Tsiris

The section New International Publications aims to raise the awareness of the readership for the current international literature regarding the fields of music therapy and special music education.

This section includes international publications of books and articles that have been published during the current and previous calendar year. Only texts written in English language are included.

This section will continue to be published in the second issue of each volume of Approaches. Relevant information for publication on Approaches can be sent to the Links and Upcoming Events Manager (Dora Pavlidou, dorapavlidou@gmail.com).
