GENERAL INFORMATION FOR GRADUATION APPLICATION GRADUATE DEGREES & CERTIFICATES

Application for Graduation

Candidates for graduate degrees and certificates must submit an Application for Graduation by the deadline date for the semester in which they plan to complete program requirements (see calendar below). The completed Application, together with the graduation fee, should be turned in at the Cashier's Office in Pierce Hall. The Cashier's Office will validate the form with the date received and fee paid and forward the application to the Office of Records and Registration.

Graduation Process

The records of each applicant are reviewed to determine graduation eligibility. Each student is sent a Graduation Check-out sheet. A copy is also forwarded to the coordinator of advising for that student's academic department for review and recommendation. Upon receipt of the department's recommendation, the student is notified by letter of his/her clearance for graduation. Degree Verification letters are sent to all students who have completed program requirements. Students enrolled in the semester in which they have applied for graduation are sent Degree Verification letters approximately three weeks after grades are received at the end of the semester. Diplomas and a complimentary transcript are mailed eight to ten weeks after the semester ends.

The Office of Records and Registration cannot accommodate requests for advanced verification. The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

Graduation Requirements

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

-Grade Point Averages: No student will be recommended and approved for a degree/certificate unless the student has achieved a grade point average of 3.0 (master's), 3.3 (specialist's), or 3.5 (doctorate). This grade point average applies to all graduate credit taken at EMU and all graduate credit in the area of concentration/specialization.

-Residency: Master's degree candidates must complete at least 6 hours of graduate credit used on the degree on campus in Ypsilanti. Specialist's candidates must take at least 16 hours on campus; doctoral candidates must take at least 12-16 hours on campus.

-Time Limitation: All requirements for master's and specialist's degrees must be completed within six calendar years from the time of the first course used on the program; candidates for the doctorate must complete all requirements within seven calendar years.

Graduate Record Updates

All course work accrued prior to the graduation semester must be completed, documented/validated as required, and made a matter of record by the degree award date of the expected graduation period.

-"I" (Incomplete) Thesis/Dissertation: Required course components must be completed and "I" grades converted to letter grades. Thesis/dissertation copies must be in the Graduate Dean's office by the deadline date of the expected degree period.

-Transfer Credit: Filing of official transcript(s) in the Office of Records and Registration is required to post transfer credit. Students taking their last courses at another university to fulfill program requirements at EMU should apply for the graduation period following the semester in which the course is completed because of factors involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports

are not acceptable substitutes for transcripts.

-Out-of-Date Credit: Courses which are between 6 and 15 years old must be validated for use on a program of study. For information on this process, please contact Graduate Records at (313) 487-0093. Validation must be completed and recorded by Graduate Records by the deadline date of the expected graduation period.

-Certification: Candidates graduating from the College of Education must hold or be eligible for a teaching certificate and a copy must be on file with Graduate Records. If appropriate, the academic department may submit a signed waiver. Certification candidates should contact the College of Education, Office of Academic Services, at 101 Boone, 487-0275.

Chemistry

Students registered for a laboratory course must attend the first scheduled meeting of that lab section to be assured of a continued place in the class.

OVERRIDES are not normally given for Chemistry courses. The capacity of lecture sections is set by the department, and is based on pedagogical considerations. The capacity of the laboratory sections is limited by safety, educational considerations, and the capacity of the associated lecture sections.

WAIT LISTS will only be kept for classes which are closed and have enrollment restrictions. Contact the Chemistry Office at 487-0106, or 225 Mark Jefferson. A student hoping to gain entry into a closed section should attend the first meeting of that section. The instructor will decide who, if anyone, will gain entry, based on space, any wait list, and on the extenuating circumstances of the student.

Honors, research, and co-op courses require Chemistry Department permission before the student may enroll. In addition, enrollment in research courses requires permission from the research supervisor or graduate coordinator. Co-op registration requires permission of the co-op advisor.

Art

OVERRIDES: Student must complete an Art Department override form. Faculty will determine, from reviewing the forms, those students who will receive an override. If unable to obtain an override prior to class, a student should attend the first day of class. If given permission, the student gets a note signed by the instructor and brings it to 114 Ford Hall to receive the override.

History and Philosophy

NO OVERRIDES. Only seniors who can provide the department head with written proof that enrollment in a given class will enable them to graduate at the end of that semester will be considered. No senior overrides will be authorized after the beginning of the second week of classes (i.e., after 5 days of a daytime class or the second meeting of an evening class).

Students are entitled to attend only those classes in which they are formally registered. Unauthorized attendance at classes, for whatever length of time, will not lead to the granting of overrides.

PREREQUISITES FOR MATHEMATICS CLASSES

All students electing MATH 098, 098A, 098B, 104, 105, 107, 108, 109, 110, 112, 118, 119, 120, 121, 122, 170, or 213 must bring to the first class meeting specific evidence that they have satisfied the prerequisites for the class. Items which will be accepted as evidence are:

- a. a progress report or grade report showing the appropriate grade for the listed EMU course prerequisite
- b. a tabulation of transfer credit for the listed EMU course prerequisite
- c. a progress report, grade report, or tabulation of transfer credit showing a passing grade in a previous semester for the course you are now electing
- d. a signed Placement Form valid for the class you are now electing (see below)
- e. a validated Computerized Placement Test form showing placement into the class you are electing (see below)
- f. a signed Appeal Form (see below)

PLACEMENT INTO MATHEMATICS CLASSES

For any of the Mathematics classes MATH 097, 097A, 097B, 098, 098A, 098B, 104, 105, 107, 108, 110, 112, 118, 119, 120, 122, and 170, you may obtain placement by going to Academic Advising, 301 Pierce Hall, if you have no declared major, and otherwise to the Mathematics Department, 515 Pray-Harrold. The three avenues for placement are:

Base-line placement: If you have an ACT math score which is less than four years old, you will be given a Placement Form showing a level of placement based on that score.

Computerized Placement Test: If you do not receive a base-line placement, or wish to elect a class at a higher level than your base-line placement allows, you will be given permission to take the Computerized Placement Test. The test must be taken no later than the last scheduled day of classes of the semester prior to the semester in which you wish to enroll.

Appeal: If you wish to take a particular class and have had three attempts at the Computerized Placement Test (spaced at least 30 days between tests) without reaching the required level, you may appeal to a member of the Department of Mathematics. You must bring the validated Computerized Placement Test forms with you.

PREREQUISITES WILL BE STRICTLY ENFORCED. INELIGIBLE STUDENTS WILL BE DROPPED.

OVERRIDES: Must be authorized by the instructor and by the department head (515 Pray-Harrold).

GUIDE TO REGISTRATION POLICIES AND PROCEDURES

Spending a few minutes to become familiar with this guide will help you take care of your educational program, receive services, and prevent costly problems.

Top Ten Tips for Successful Registration

- 1) Read the University Calendar in this Student Guide so you know the deadlines for add, drop and withdrawal from courses; call the 24-hour Registration Voicemail Bulletin Board at 734/487-2300 for calendar information and helpful instructions;
- 2) Make sure to pay your bill by the due date to avoid a Past Due Hold on your registration. Call or visit Student Accounting if you need help with billing information;
- 3) Keep your telephone number and address up to date with EMU by sending in the change of address form in this book. Also file a forwarding order at the Post Office;
- 4) Always bring photo identification with you when you request services; federal law requires that we see your I.D. and have your signature for most transactions;
- 5) Memorize your PIN/PAC Number (Personal Identification Number/Personal Access Code) and do not share it with anyone. It should be as secure as your ATM PIN code. Like your bank, we cannot give out a PIN/PAC number over the phone;
- 6) When you call Touch-tone Registration, listen carefully to voice messages about errors. Time conflicts, wrong parts of a course delivery plan, and wrong group codes will remain on your schedule until you correct them;
- 7) Always use Touch-tone Action Code 4 to confirm the correctness of your registration transactions before you end every call; use the Touch-tone worksheet in the class schedule book to record transactions, note problems, and purchase textbooks.
- 8) If you have a registration problem, call the Registration Help Phone at 734/487-2300, have your student number and problem details ready (semester, year, grad or undergrad, section I.D., dates) and take recommended action immediately;
- 9) Keep a file that secures your advising agreement, PIN/PAC number, registration notices, course confirmations, bills, and receipts for payment and withdrawal;
- 10) If you decide to withdraw from a semester, immediately notify the Office of Records and Registration in writing (use the tear-out form in the schedule book). Be sure the postmark date meets the deadline for tuition refunds and use certified mail to retain proof, or withdraw in person by the deadline.

UNIVERSITY REGISTRATION POLICY

By registering for classes at Eastern Michigan University, you accept responsibility for reading and conforming to all policies, procedures, required dates, fees, and other requirements published in the University catalogs and in the class schedule book.

WHEN YOU MOVE, File your ADDRESS CHANGE with the Post Office and the University

Each time you change your address, you must notify the University by completing a Student Address Change and Update notice—you can use the one in this book—and sending it to the Office of Records and Registration, 303 Pierce. Failure to provide the University with complete, accurate and timely address information will leave you liable for financial penalties on overdue bills, and you may not receive bills with course confirmations, important notices, and grades. To make sure you receive mail sent before your address change was received, also submit a forwarding order to the Post Office.

SPECIAL-NEEDS STUDENTS

Special priority enrollment is available for special-needs students. Services are also provided for serious injury or other crises. Contact the Dean of Students Office for information at 734/ 487-3118.

WHAT'S THAT \$40 FEE ON MY BILL?

By submitting any registration request, you incur a \$40 registration fee. If your original registration for the term was on or after the first day of classes, you will incur a one-time additional \$10 late registration fee. Each course drop on or after the first day of classes, up through the drop deadline, will result in a \$10 course adjustment fee.

HELP! THERE'S A HOLD ON MY ACCOUNT SO I CAN'T REGISTER...

Eastern Michigan University may place a hold on a student's registration if either financial or academic performance obligations are not met. You must clear all holds before you will be allowed to register. You may have a past due account hold because you have a balance owed for a previous semester, or because you are delinquent in the payment of the current semester charges. This includes tuition, University Short Term Loans, Parking, Housing, and Library fines. To settle your account, go to Student Accounting, 203 Pierce Hall. You will then be allowed access to the Telephone Registration System.

HOW DO I CONFIRM MY PHONE REGISTRATION?

Call the Touch-tone Registration system and select from the menu action code 4 to hear your complete class schedule. Use the Touch-tone worksheet to record this information. Following the first weekend of the month, you will be mailed a combined bill and class confirmation. (See calendar for bill mailing and due dates.)

LATE REGISTRATION

1. After the semester has begun, you have a short grace period in which to register by Touch-tone. If your original registration is on or after the first day of classes, you will be assessed a single, one-time \$10 late registration fee. This fee will apply to students whose admission or re-enrollment application was received after the priority due dates on the semester calendar.

2. Registration after the grace period is at the sole discretion of the instructor and department head. You will need both of their signatures on a waiver form provided by the department, which you bring to the Office of Records and Registration.

COURSE ADJUSTMENTS

During 100% Tuition Credit Period To adjust your schedule (add or drop classes) use the Touch-tone telephone system. Consult the Semester Calendar for exact dates concerning adjustment periods, tuition, credits/refunds, and Touch-tone system availability. After classes begin, each late drop costs \$10. Late drops necessitated by the replacement of a cancelled section must be requested in person at the service counter for the late drop fee(s) to be waived.

Non-attendance will not cause a class to be dropped. Non-payment will not cause a class to be dropped.

COMPLETE CANCELLATION OF ALL YOUR CLASSES FOR THE SEMESTER

If you decide not to attend a semester for which you have registered, you must cancel your entire class schedule or be subject to financial and/or academic penalties. If you neglect to notify the Office of Records and Registration, the University has no way to know that you do not plan to attend, and will continue to reserve your space in class. Non-attendance and non-payment of bills will not result in any class being dropped.

When you cancel or drop all of your classes for a semester, you will be assessed an administrative fee. The administrative fee will be 5% of all charges up to a maximum of \$100 per semester. This fee will be assessed for cancellation or total withdrawal from the date of your initial registration through the 25% tuition refund deadline.

You may cancel all classes by:

(1) coming in person to the Office of Records and Registration service counter, 303 Pierce Hall; (2) mailing by certified mail the cancellation form in this book or sending a certified letter, including your student number, term, year, and main reason for withdrawal, to the Office of Records and Registration, 303 Pierce Hall, Eastern Michigan University, Ypsilanti, MI 48197; or (3) using the Touch-tone system during the 100% drop period only.

Through the calendar 100% deadline, a total withdrawal will result in a refund of 100% of tuition and fees, less an administrative fee. Through the 50% deadline, total withdrawal will result in a 50% refund of tuition and fees, less an administrative fee, and "W" grades. Through the 25% calendar deadline, total withdrawal will result in a 25% refund of tuition and fees, less an administrative fee, and "W" grades. (Under the Federal Fair and Equitable Refund Act, first time students are refunded on a graduated scale.) The administrative fee will be 5% of all charge to a maximum of \$100 per semester.

INDIVIDUAL SECTION WITHDRAWALS

After the 100% drop deadline, there is a period for automatic withdrawal from classes. Withdrawal results in a "W" on your academic record. Individual course withdrawal will produce no tuition credit or refund.

Undergraduates may automatically withdraw from individual classes by Touch-tone, or at the Records and Registration Service Counter, 303 Pierce Hall, through the tenth week of classes. After this time, individual late withdrawals are made by petition only, at the Academic Advising Center, 301 Pierce Hall, 734/ 487-2171; students must provide evidence of a "C-" or better grade in the course, or extenuating circumstances. Evening service is available at Academic Advising on Tuesday and Wednesday, 5:00-7:00 p.m., during Fall and Winter semesters.

Graduate students may automatically withdraw by Touch-tone or at the Records and Registration Service Counter, 303 Pierce Hall, through the tenth week of classes. After this time, individual late withdrawals are made at the Graduate School, Starkweather Hall. Graduate students must be receiving a B or better grade in the course to be granted a withdrawal at this time.

COURSE LOAD

Undergraduate:

During Fall and Winter semesters, the recommended academic course load is 15 to 18 credit hours. During the Spring and Summer semesters, the recommended load is 6 to 9 credit hours in the 7 1/2-week session and 5 to 6 credit hours in the 6-week session.

First semester freshmen and students on Academic Probation may not take more than the recommended academic load without special permission from the Academic Advising Office, 301 Pierce.

Qualified continuing students considering taking over 18 credit hours should consult carefully with an academic adviser before taking an overload. The Touch-tone system will prevent registration for more than 24 credit hours (12 in Spring or Summer). Request assistance at the Records and Registration service counter to add classes in excess of 24 credits.

Fall and Winter students must register for a minimum of 12 credit hours to qualify as "full-time" for University purposes, including Financial Aid. For the Spring and Summer semesters, the minimum full-time load is 6 credit hours for Financial Aid or other purposes.

Graduate:

During the Fall and Winter semesters, the full-time graduate load is 8 credit hours. Half-time is 4 credit hours. The full-time graduate course load for Spring and Summer semesters is 4 credit hours, and half-time is 2 credits. The Touch-tone system will prevent registration in more than 20 credit hours (12 for Spring or Summer).

AUDITING CLASSES

Courses may be audited subject to the approval of the head of the department offering the course. Audit applications may be obtained at and returned to the Office of Records and Registration, 303 Pierce Hall. No credit is awarded for class audit but you must first be registered for the class. Tuition and fees for auditing are the same as for courses where credit is elected. Check the University Calendar for deadlines concerning audits.

CREDIT/NO CREDIT

A credit/no credit option is utilized by departments in courses for which the standard letter grades do not seem appropriate. Such courses will be designated as "CR/NC" in the class schedule book. All students taking such courses will receive either "CR" or "NC" in place of the letter grade. Neither "CR" nor "NC" will have any effect on the student's grade point average. Courses for which the "CR" is received will count towards graduation requirements, and there is no limit to the number of such courses which may be taken by the individual student. The "CR/NC" courses elected by students do not count in the number of Pass-Fail courses that can be elected.

PASS-FAIL OPTION

A Pass-Fail option is available to any regularly enrolled junior or senior in good standing. A maximum of six Pass-Fail courses may be applied toward graduation and are restricted to free elective courses only. No graduate courses may be elected for Pass-Fail credit. No graduate student may take an undergraduate course for Pass/Fail credit.

The grade of Pass, designated as "S" on the grade report, counts as credit toward graduation and shall be issued to students earning a grade of "D-" or better. A "U" shall be issued to students earning a grade of "E". Neither a Pass nor a Fail shall be used in any way toward the calculation of the grade point average, but the Pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a Pass-Fail form and submit it to the Academic Advising Center, 301 Pierce Hall, and allow at least one working day for processing the application. No requests will be approved on the spot. The option may be canceled up to the last day of classes before the official University scheduled final exam. It may be applied to a course for which a student is currently registered up to the end of the first week of the semester. Consult the University Calendar for actual dates.

HOW CAN I ARRANGE FOR AN INCOMPLETE?

An "I" (incomplete) grade is never applied to poor work or non-attendance by the student. The student must inform the instructor of the reason for the requested incomplete, and the instructor may, at his or her discretion, agree to the request and submit the "I" grade.

HOW DO I REPEAT A COURSE?

The Touch-tone system will declare a repeat and notify you at the time you register again for a course you have previously taken for credit. You may also declare a repeat at the Office of Records and Registration in Pierce Hall.

Undergraduate students may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the head of the department in which the course is offered.

2. No student may repeat more than ten different courses in the process of completing a bachelor's degree, except by permission of the Academic Standards Committee.

3. All grades earned by a student will be retained on the permanent record.

4. Only the grade received the last time the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average, regardless of where the course was taken originally or where it was repeated.

5. Courses in which an "E" grade is received at EMU may not be repeated at another school. To assure that the grades for repeated courses have been recalculated to the correct grade point average and academic status, students may check with the Office of Records and Registration, 303 Pierce Hall.

Graduate students: Courses may be repeated only once, and only if the grade obtained in the first enrollment is less than a "B." The first grade remains on the student's record, but is not included in the computation of the student's grade point average.

DIRECTORY OF PUBLIC INFORMATION

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT NOTICE (FERPA)

IN COMPLIANCE WITH the Family Educational Rights and Privacy Act, Eastern Michigan University assures that any person who is or has been in attendance as a student at EMU has access to his/her educational records. Furthermore, such an individual's rights to privacy are assured by limiting the transferability of records without the student's consent.

In addition, the following are matters of public record and may be included in publications or disclosed upon request without consent: the student's name; address; telephone listing; date and place of birth; major field of study; participation in recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received; and the most recent previous educational agency or institution attended by the student.

EMU reserves the right to make the above information public unless a student's written objection (specifying the category of information not to be made public without prior consent) is filed at the Office of Records and Registration.

Students who do not want to be included in the annual EMU Student Directory should complete a Directory Exclusion Card. Cards can be picked up from the McKenny Union Information Center, Records and Registration, Academic Advising, Admissions, or at the information desk of all Residence Halls. They must be turned in to Public Information, 18 Welch Hall, by September 15. Completing the Exclusion Card will remove your name, address and phone number from the current and subsequent telephone directories.

Furthermore, students and parents of dependent students have a right to:

1. inspect and review the student's educational records;
2. request the amendment of the student's educational records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
3. consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that the Act and its regulations authorize disclosure without consent;
4. file with the U.S. Department of Education a complaint concerning alleged failures by the University to comply with the requirements of the Act and its regulations; and
5. obtain a copy of the University's Policy on Access to Student Records. Students may obtain a copy of the Policy from the Records Office.

HOW DO I GET READY TO GRADUATE?

Graduation Audit-Undergraduate

Undergraduate students who have completed 95 credit hours or more should 1) see their adviser to review their record, and 2) request a graduation audit by completing the form in this book and returning it to Graduation Audit, 303 Pierce Hall.

Graduation/Certificate Application

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. Commencement ceremonies are held in April and December only. June and August graduates may participate at the ceremony immediately preceding or following their graduation date. A one-time, non-refundable application fee is charged: Undergraduate Degree-\$30.00, Master and Specialist Degree-\$35.00. Undergraduate Degree Applications are obtained from the Office of Records and Registration, 303 Pierce Hall. If the application has not been filed by the deadline in the semester calendar, graduation cannot be guaranteed for the semester requested. All financial obligations to EMU must be paid before a diploma is released.

Graduate students see the "General Information for Graduation Application" page in this book.

HONORS PROGRAM

In addition to any honors courses being offered, upper-division students who are members of the University Honors Program (UHP) may make individual arrangements for honors credit in their regular classes after consultation with their Honors Advisor.

Only those students who have applied and been admitted to the UHP are permitted to register in honors courses. Permission for honors courses must be obtained at the UHP Office 250 Jones before registration.

Honors students will be permitted to register for classes on specially designated days arranged with the UHP Office.

For additional information, contact the Director, 734/ 487-0341, 250 Jones Hall, Community of Scholars.

INSTRUCTOR ASSIGNMENTS

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule book.

WASHTENAW COMMUNITY COLLEGE DUAL ENROLLMENT

The Eastern Michigan University-Washtenaw Community College Collaborative Agreement is the cornerstone of a cooperative effort that will forge a stronger and deeper partnership between the two institutions in the years to come. The purpose of the agreement is to ease and enhance transfer processes and to reduce duplicated learning among students who attend both institutions. The latest step in the process is to allow students at EMU to register by the EMU Touch-tone Registration system for a limited group of classes at WCC. These cross-enrolled classes at Washtenaw Community College will be designated by the building code "WCC-X" in the EMU class schedule book.

Students can register for these sections as they do any other section at EMU. You will be billed by WCC. All applicable Washtenaw fees and tuition will be charged (including an admission application fee of \$15 for students who have never attended WCC). Upon completion of the class, Washtenaw Community College will send official grades to EMU where they will be posted as transfer credit. Please note that a grade of "C" or better is required to receive credit for a transfer course.

OFF CAMPUS CLASSES AND STUDY ABROAD

Students may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed, using Touch-tone Registration.

All students in good academic standing are eligible to participate in a study abroad program and earn a full semester of credit. Programs are offered in countries throughout the world. To register for undergraduate and graduate courses offered through study-abroad programs, contact the Office of Academic Programs Abroad, 332 Goodison Hall, 487-2424.

INDEPENDENT STUDY, INTERNSHIP, CO-OP AND OTHER ARRANGED COURSES

Students registering for courses needing department permission and special placement, such as Student Teaching, Applied Music, Independent Study, Internship and Cooperative Education courses, must get authorization at the appropriate office before registering. Students may register and adjust their schedules late, without fees, for these courses, when approved in writing by the department, but this must be done in person at the Office of Records and Registration. Financial aid for Independent Study and Distance Education courses does not pay until the course is completed and the grade has been recorded.

ACADEMIC SERVICE-LEARNING

Academic Service-Learning is a teaching method which utilizes meaningful community service as a means of understanding course objectives. Structured reflection helps the student to integrate service projects with course content. The Office of Academic Service-Learning, in 202 Rackham, supports faculty, administrators, and students in implementing these activities, with a Resource Center, workshops and seminars, community links, grants and fellowships, and research opportunities.

SENIORS ELECTING GRADUATE COURSES

Seniors (those who have 76 or more completed credit hours as of the current semester and have an EMU GPA of at least 2.5) requesting graduate courses must obtain signed approval from the Office of Records and Registration, 303 Pierce Hall, AFTER obtaining an adviser's approval. An approved, signed copy of the approval form must be on file with the Graduate School prior to the second week of classes. ONLY courses numbered 500 through 596 may be elected. No graduate course may be elected under any condition, if the total number of credit hours registered for are more than 16. If any course is taken for graduate credit, student load restrictions in the Graduate Course Load section apply (see above) and permission must be obtained from the Graduate School and the department, if required, prior to registering for the class.

SENIORS ADMITTED TO THE GRADUATE SCHOOL

EMU seniors admitted to the Graduate School as conditional seniors must register once as an undergraduate student for those courses that apply to their undergraduate degree, and separately as a graduate student for the courses that apply to their graduate degree. Failure to do so will result in incorrect credit applied to the undergraduate degree. When registering by Touch-tone, the student must make two separate phone calls, one for the undergraduate level and one for the graduate level.

GRADUATE STUDENTS ELECTING APPROVED 400- LEVEL COURSES FOR GRADUATE CREDIT

Graduate students registering in approved 400-level courses for graduate credit must obtain approval from the Office of Records and Registration. Approved forms must be on file with the Office prior to the second week of classes. Only nine credit hours of approved 400-level courses can be applied to a graduate degree program.

WHEN DO I RECEIVE BILLS?

Bills are mailed after the first weekend of each month, two to three weeks prior to the due date. IT IS EACH STUDENT'S RESPONSIBILITY TO MAINTAIN A CORRECT PERMANENT OR BILLING ADDRESS WITH EMU AT ALL TIMES. Late payment fees will not be waived due to the lack of a correct address. Be sure to file a forwarding request at the Post Office, in addition to submitting timely address changes to the Office of Records and Registration.

If you register and do not receive a bill at the time indicated in the semester calendar, IT IS YOUR RESPONSIBILITY to contact the Student Accounting Office at 734/ 487-3335 to determine your status and make your required payment on time.

Upon receipt of your bill, you must make a payment equal to the minimum amount due for the semester. This bill will include an estimate of financial aid. Students whose financial aid estimate covers the minimum required payment do not need to make a payment. Students who have no financial aid or whose aid is not sufficient to cover the minimum amount due, must pay the minimum amount billed by the due date.

Classes will not be automatically canceled for non-payment. If you are not planning to attend, you must cancel your registration directly with the Office of Records and Registration or you will be financially responsible.

TUITION AND FEES Subject to Revision

All tuition and fees are subject to change by action of the Eastern Michigan University Board of Regents without prior notice and at any time. Such changes may be retroactive to the date of original registration. Rates in effect for 1998 (Subject to change and published here for information purposes only) are as follows:

| | Resident status | |
|--|-------------------|--------------|
| | Michigan Resident | Non-resident |
| Undergraduate tuition per credit hour: | | |
| Course levels | | |
| 100 - 299 | \$96.25 | \$254.00 |
| Course levels | | |
| 300 - 499 | \$104.75 | \$271.00 |
| Graduate tuition per credit hour: | | |
| Course levels | | |
| 500 & above | \$145.00 | \$339.00 |

Fees

- Registration fee: \$40
- Late registration fee: one-time \$10 additional
- Program adjustment fee: \$10 per drop transaction
- General fee: \$15 per credit hour
- Course fees: (see course listing for amount)
- Installment Payment fee: \$20 (Fall/Winter only)
- Late payment fee: \$20/month
- Returned Check/Charge card fee: \$20

THE GENERAL FEE

EMU has the responsibility to maintain certain services and facilities on campus for the comfort and convenience of students, and to maintain academic accreditation. Examples are improvements to academic facilities, the Health Center, learning technology labs, athletic facilities, performing arts facilities, and Student Government. These are funded through a general fee per credit hour, assessed to all students. Like all general assessments, not every service or facility supported is used by every student, but the fee does serve the overall good of the student body.

RESIDENT STATUS FOR TUITION ASSESSMENT

Students are responsible for payment of tuition according to their resident or non-resident status at the time of their admission. If, after admission, a student feels his or her residence status has changed, an application, with documentation, for reclassification must be submitted to the Student Accounting Office no later than the end of the 100% tuition refund period. Failure to file such an application on time shall constitute a waiver of all claims to rebates or reclassification for the semester for which the student has registered. If an appeal is pending, and a bill is received, the student should pay the minimum payment due on the bill. If the appeal is approved, any amount overpaid will be refunded.

INSTALLMENT PAYMENT PLAN (FALL & WINTER ONLY)

If you choose to pay the minimum amount due, you have chosen the installment plan. The installment plan requires that half of tuition, half of room and board, and all fees must be paid by the listed due date prior to the beginning of classes. The second half of tuition and room and board will be due the eighth week of the semester. An installment fee of \$20 will be charged to your account. If you fail to pay the minimum payment by the due date, you will be charged both the late fee and the installment fee—\$40 total.

SPRING AND SUMMER PAYMENT SCHEDULE

100% tuition and Room & Board are payable as billed at the end of the priority telephone registration period, or at the time your registration is billed, if you register during open registration.

BILLING ERRORS OR PAYMENT POLICY QUESTIONS

Questions concerning billing errors or payment policies should be directed to the Student Accounting Office. Requests for tuition/fee adjustments must be made no later than 15 business days after the semester ends.

REQUIRED FEES APPROVED BY THE BOARD OF REGENTS ARE NOT DISPUTABLE.

REFUNDS

Refunds are issued when enrollments, assessments and financial aid records are substantially complete. Other refund arrangements must be made by the student by telephone request to 734/ 487-3335, in person, or by written request to the Student Accounting Office, 203 Pierce, Eastern Michigan University, Ypsilanti, MI 48197. All refund checks are mailed to the students designated billing address. If you want a refund mailed to a different address, contact Student Accounting.

Tuition Refunds for Dropping Classes

When you register for a class, you have contracted with the University to reserve space in that class and you are responsible by virtue of your registration for payment of tuition and fees. If you find that you cannot take a class or classes for which you have registered, you must **DROP THE CLASS OR CLASSES VIA THE TELEPHONE REGISTRATION SYSTEM or IN WRITING** by the required dates in order to be relieved of your responsibility for payment of TUITION.

IMPORTANT- Your non-attendance will not result in any class being dropped. If you do not properly notify the Office of Records and Registration, the University has no way of knowing that you do not plan to attend. The University will continue to reserve your space in class, making it unavailable for any other student, and will hold you responsible for payment.

CAUTION- If you decide not to attend the University, you must:

1. **CANCEL ALL YOUR CLASSES** at the Records and Registration Service Counter or by certified mail. A mail-in cancellation/withdrawal form is included in this book for your convenience.
2. **NOTIFY THE OFFICE OF FINANCIAL AID** that you will not be attending.
3. **CONTACT THE HOUSING OFFICE** to arrange for **CONTRACT WITHDRAWAL**.

FAILURE TO DO THE ABOVE MAY LEAVE YOU WITH RESPONSIBILITY FOR PAYMENT OF TUITION, FEES AND HOUSING CHARGES, THAT WILL NOT BE PAID BY FINANCIAL AID.

Actual dates concerning tuition reduction for course adjustments or complete withdrawal are printed in the University Calendar in this book.

Returned Checks and Charge Card Authorizations

A check or charge returned from your bank or other financial institution unpaid (returned item) will not automatically cancel your registration with a refund of tuition charges. The University will hold you responsible for your original enrollment plan unless you follow the published procedures and schedules for dropping classes or withdrawing. We will charge the returned item to your account along with the returned check fee, and request immediate payment. If you do not render payment when requested, administrative action may be taken to place holds on future registration privileges, release of transcripts, and other University services. You will also face collection action for the unpaid amount.

EMU TOUCH-TONE REGISTRATION INSTRUCTIONS HOW TO REGISTER BY PHONE

Quick Reference

1. **WORKSHEET:** Complete the worksheet in this insert after selecting courses from the Schedule of Classes. Write down several alternative courses and sections in case your first choice is closed. Record your schedule after hearing it played back on action code 4. Use your worksheet to purchase textbooks and to locate your classes.
2. **PIN/PAC:** You will need to know your student number and your Personal Access Code. You received a system-assigned PIN/PAC with admission or advising documents. This secret 4-digit number is like your ATM "PIN".
3. If your PIN/PAC is lost or you suspect that its confidentiality has been breached, you may request a new PIN/PAC at the Office of Records and Registration service counter, 303 Pierce Hall. Photo identification will be required.
4. **USE A TRUE TOUCH-TONE PHONE** (or a phone you can switch from pulse to tone) to call the Touch-tone System. Voice messages will guide you. Listen carefully to the instructions.
5. Before you end your call, be sure to use action code 4 to review your class schedule and catch errors. You are responsible for timely and correct touch-tone course drops.
6. **By submitting any registration request, you incur a one-time \$40 registration fee per semester.**

TELEPHONE REGISTRATION STEP BY STEP

If You Need Help...

We want to make your call a success! If you have questions or need assistance, call the Registration Helpline at 734/487-2300

Service hours: 8:00 a.m.-5:00 p.m. Monday-Friday
Fall & Winter: 5 p.m.-7 p.m. Tuesday & Wednesday
Voice Mail Bulletin Board available 24 hrs. a day.

BECOMING ELIGIBLE TO REGISTER

1. Are you a new undergraduate or transfer student?

Call the Academic Advising Center at 734/487-2171 to schedule an advising session. Until you have been advised, or waived your advising session, the system will not permit you to register.

2. Has it been more than eight terms since you last registered?

If you are an undergraduate, please re-enroll at the Office of Records and Registration, 303 Pierce Hall. Graduate students re-enroll the Office of Admissions, 400 Pierce Hall.

3. Did you register for the semester for which you were admitted?

If not, you must update your admission with the admissions office before you attempt to register for the current semester.

4. Were you admitted by sending in a Continuing Education registration form?

You will be eligible to use Touch-tone to register only for sections marked "CE" in the class schedule, until you complete regular admission.

5. Unpaid tuition bill? Have a past due account hold cleared well ahead of your appointment time.

If you have any past-due payment obligations, a hold will be placed on your record and you will not be able to use the Touch-tone Registration System. Go to Student Accounting at 203 Pierce Hall to clear your hold. (Do not go to the Financial Aid Office!)

6. Select courses and several alternates and enter them on the Touch-Tone Telephone Registration worksheet.

If a course delivery plan has more than one instruction type (for example, lecture, lab and/or recitation), select a section for each instruction type. You must enroll for all required instruction types for such a course, and they may also need to have matching group codes (A, B, etc.).

7. Arrange for department permissions or overrides well in advance of your call.

The "Department Permission Required" listed under a course in the class schedule means that you need to contact the academic department offering the course. The department has on-line access, and can authorize you to register in a course or section. If the system doesn't allow you to register in a course for which you believe you are eligible, contact the department for approval.

YOU MUST USE THE TOUCH-TONE SYSTEM TO REGISTER AFTER THE DEPARTMENT GRANTS PERMISSION.

8. Make sure you have a correct major or major intent declared.

Many courses are restricted by major or by college. If your major is incorrect, you will not be able to register for a restricted course. To declare or change your major, contact Academic Advising at 301 Pierce Hall. **Academic minors** wishing to enroll in a class restricted to majors will require department **permission**.

9. Identify your correct appointment time, normally determined by your class level and earned credit hours.

To check your earned credit hours, look at your undergraduate progress report (be sure to subtract E hours and repeat credits from the total) or contact the Office of Records and Registration.

ACCESSING THE TOUCH-TONE REGISTRATION SYSTEM

1. Be sure your phone is in good working condition! A touch-tone phone sends a tone when you press a key, but it may not work if the key is worn out or if dust or liquids have leaked into the keypad. Not all push-button phones send tones. The registration system cannot recognize the pulse signals sent by some push-button phones.

You do not need to have Touch-tone service from your phone company, but be sure your phone is switched to tone mode after you dial and hear "Welcome to the Eastern Michigan University Touch-tone..."

2. If you get a busy signal, it means all 62 lines are in use. Wait a few minutes, make sure you are dialing the correct number, and try again. The priority appointment schedule is designed to level the call load and smooth your access to the system. However, there is a higher volume of calls during the open registration period right before the term begins.

3. If you hear no ring or no busy signal, please call the Registration Hotline at 734/487-2300. We will ask for your originating phone number so we can report line and switch malfunctions to the telephone company.

4. When you hear the message, "All circuits are busy," you have not connected to the telephone registration system. You will not be liable for long distance charges. Should a malfunction cause charges on your bill, please call your telephone company

billing office to request a correction. If you hear a message, "Not a valid access code," you have dialed the wrong digits in front of the registration phone number.

5. If, after hearing the welcome message on Touch-tone, you then hear, "We are experiencing technical difficulties. Please..." this means that the host mainframe has temporarily become unavailable for phone registration. Details of any lengthy delay, when they become known, will be posted on the Registration Voice Mail Bulletin Board.

THE TOUCH-TONE CALL

1. **Your Touch-tone student number is NINE digits.** Enter three zeroes (000) in front of your 6 digit number. You may also use your social security number at this prompt.

2. Adding Sections - Use Action Code 1

Enter the six-digit section I.D. using the telephone keypad. If the course is full or has been cancelled, the system will tell you and you can try your alternates or request to hear a list of open sections for the course. If the time or days of the course have been changed since the publication of the schedule book, the original section will have been cancelled and replaced with a new section.

For many courses, new sections are added after publication, so always check for open sections when your first choice is unavailable.

Restrictions and Error Messages

A) The system will enforce a limit of 24 credit hours for undergraduates and 20 for graduate students during Fall and Winter. In Spring and Summer the limit for both is 12 credit hours. If you need to take more hours, request assistance at the Registration Service Counter, where you will be registered in person for the excess hours.

B) To adjust your schedule, the system will let you register temporarily for **duplicate** sections of the same course, but only until **registration closes that day**.

C) In addition to "department permission," the system enforces specific requirements such as: major, student academic level (grad vs. undergrad) class level (freshman, sophomore, etc.) and college. All exceptions must be approved and entered on your electronic file prior to registration.

The system will not accept an **academic minor** as permission to register for a course restricted by academic major. You must get permission from the department (electronically input) before you can register for the course by Touch-tone.

D) **Course Ineligibility:** The system **does not automatically enforce prerequisites**, grade point average, placement test results, and other requirements not specified in the paragraph above.

Students who register in courses for which they are not eligible will be dropped without notice prior to the start of the semester. Due to the timing of the previous term's grade processing, Spring and Summer drops for ineligibility may occur after these terms begin.

E) When you select a course which requires you to register for **multiple sections**, such as lecture and lab, you will hear a **warning** on Touch-tone. However, this is just a warning! You are still responsible for registering for a complete set of sections, and for dropping a complete set.

F) When you select a course which requires a **co-requisite** (another course you must take in the same semester) you will hear a voice **warning**. This is only a warning! You are still responsible for completing your registration for both required courses.

G) If you register for a course you've already taken before for credit, the system will automatically code the new course as a **repeat** and warn you in case you wish to drop it.

H) If you make a mistake and schedule courses which meet at the same time, the system will **warn** you. You are responsible for correcting the **time conflict** in your schedule.

3. Hearing Open Sections - Use Action Code 3

When you choose to hear a list of open sections for a course, the system will list all open sections, including those with enrollment restrictions. **REMEMBER** that this selection is up-to-date and more current than the published class schedule. To interrupt, press the # key. To hear a course listing again, use the * key followed by the 7 key. **TO REGISTER FOR A SECTION, YOU MUST RETURN TO THE MAIN MENU AND SELECT ACTION CODE 1 TO REGISTER FOR THE CLASS.**

4. Dropping Sections - Use Action Code 2

Complete all add transactions before drop transactions. Drop unwanted sections early to avoid charges.

BEFORE YOU DROP, USE CODE 4 TO HEAR THE CORRECT SECTION ID OF THE COURSE YOU WISH TO DROP. Be sure to drop the section ID you hear on your schedule playback, **NOT** what you remember or read from the book. Be sure to drop all related sections such as lecture, lab and recitation.

WARNING: If you drop the wrong section and cannot re-add because it is full, you will have to request an enrollment limit override from the department.

To be sure your drop is complete, always return to the main menu (* key followed by the 6 key) and use action code 4 to review your schedule. If you are dropping more than one class, be especially careful to complete the last drop. Many students making hurried drops neglect to finish the last one!

5. Reviewing Your Class Schedule - COURSE CONFIRMATION - Use Action Code 4

At the end of your call we strongly urge that you review your schedule to check for any errors. You will know immediately if your phone is not working, or if you have not completed a transaction. You'll hear an updated list of your classes immediately. The system will also tell you the current **total number of credit hours** on your class schedule.

See the semester calendar for dates when you will receive your combined bill and **course confirmation** by mail. **IMPORTANT! KEEP THIS!** If you add or drop during open registration, the change will appear on your next month's bill and course confirmation. In the interim, use action code 4 to confirm your schedule, or bring photo identification to the Records and Registration service counter, 303 Pierce Hall and request a printed schedule.

6. Withdrawing from an individual class section - Use Action Code 5

After the calendar deadline for individual class drops, use code 5 to withdraw from a single section and receive an automatic "W" grade. The Touch-tone system will permit withdrawal only from individual sections, but not from your last or only section. To withdraw from all your classes for the semester, send the withdrawal request form from this book, by certified mail, or visit the Office of Records and Registration at 303 Pierce.

You can't drop a class by just not going to it. You are responsible for timely cancellation of your registration, and for correct Touch-tone course drops.

Summer Hang Tags

There will be a \$25.00 fine for parking a vehicle on campus without a valid hang tag in any lot other than designated guest pay lots. Failure to display the hang tag is a violation of the parking regulations and will result in the issuance of a parking violation (ticket). A lost hang tag must be replaced by purchasing another from the Parking Department.

Commuter hang tags for the Summer Semester may be ordered by phone, starting June 15, 1998, during the Open Course Registration Period. Touch-tone hang tag purchasing ends July 2, 1998. Call 313/487-6560 to purchase a hang tag. Hours of operation will be the same as the class registration system. Hang tags ordered by phone will be charged to your student account.

Hang Tags may be purchased in-person at the Parking Department from 8:30 a.m. - 4:30 p.m. The Parking Department will be open until 7:00 p.m. on June 29, 30, and July 1, 2, 1998. If you need further information, please call the Parking Department at 313/487-3450.

You need to be registered for classes and will need to know your student number and your PIN/PAC number. You will also need to use a true touch tone phone (or a phone you can switch from pulse to tone) to call the touch tone system. Voice messages will guide you. Listen carefully to the instructions.

Vehicle Registration Fees: (Subject to Revision)
Commuter \$42.00
(Parking on campus between 6 a.m. and 2 a.m.)

Hang Tags ordered through June 25, 1998 will be mailed. For orders placed on or after June 26, 1998, the hang tag must be picked up the following business day, after 4 p.m., at the Parking Office located on the ground floor of the Parking Structure. Student identification or course confirmation, along with photo identification and your license plate number, will be required to pick up the hang tag.

University Housing occupants and Brown/Munson residents must obtain a billing card from 107 Brown and present their signed billing card, current student I.D. and vehicle registration to the Parking Department for a Hang Tag. Graduate Assistants must obtain a signed billing card from the sponsoring department. They must then present the signed billing card, in person, at the Parking Department, to obtain a Hang Tag.

1. Prospective students must apply for admission and be accepted in the College of Education. Application should be made at the end of the sophomore year and students must have a minimum of 56 credits.
2. Transfer students must first apply for admission to Eastern Michigan University at the Undergraduate Admissions Office. They may apply to the College of Education after successfully completing 56 credits and the MTTC Basic Skills Test. (Twelve of these credits must be completed at Eastern Michigan University.)
3. Graduate or Special Status students must also be admitted to the College of Education in order to register for education classes.
4. Students below a 2.0 GPA (on academic probation) may not register for any Professional Studies courses or SPGN 251, EDPS 322, or EDPS 325.
5. Students are not allowed to enroll in restricted Professional Studies courses (as described in the catalog) unless they have passed the state mandated basic skills test and have been admitted to the College of Education. Certified teachers are not required to take the basic skills test.

Teacher Education

ADMISSION POLICY: Any student who is preparing to be a teacher must be admitted to the Teacher Education Program. Admission is not automatic. There are grade point average, test score, and other requirements for admission.

Students must pass all sections of the basic skills test of the Michigan Test for Teacher Certification in order to be admitted to the Teacher Education Program. Students apply for admission in 101 Boone Hall after completing 56 undergraduate credit hours, 12 of which must be from EMU. Certain courses are limited to persons who have been officially admitted. See College of Education heading for further information.

COLLEGE OF TECHNOLOGY

OVERRIDES: One policy applies to all departments. The College of Technology provides course overrides on a first-come, first-served basis. All overrides require the approval of the department head, program coordinator, or faculty member. Priority is given to students who need a course for graduation or whose graduation will be delayed if a course is not taken in proper sequence. Students should complete a College of Technology override request form to be considered.

Our printing process works like a jewel.

Environmentally speaking, we say that because we recycle our printing negatives. They are sent to a manufacturer in Chicago and, through their process, the silver is extracted from the negatives, which is then used for jewelry. This is just one way we are helping to keep our environment clean.

WE ALSO:

Print on 100% recycled paper

Produce zero ink waste

Recycle paper waste

Recycle printing plates

At Central Printing, we care about our community.
