9-2 Grizzlies Host Seattle Pacific Falcons

The University of Montana Grizzly basketball team continues to come out of the blocks like Carl Lewis, but the problem is they are still fading at the finish line every now and then during their pre-conference schedule.

Never-the-less coach Mike Montgomery's 1984-85 team boasts a 9-2 record, with the losses both one-point setbacks. It's been a hair-pulling preseason for Montgomery, as five of

Guard Mike Wnek looks for daylight.

(Photos by Howard Skaggs)

his teams' 11 games have been decided by two points or less, and four of those games have been one-pointers.

"We're definitely satisfied with a 9-2 record," said Montgomery, who is 120-59 in his seventh season. "We've beaten what I would call some good teams, maybe not great teams, but teams that will finish in the top half of their conferences.

"I think probably four teams from our conference might be better than the people we

have already played, as least most of them," he said. "We've had some close ones, and both losses were one-pointers to Pac-10 schools."

Seattle Pacific is 4-4 overall with a recent road victory over St. Martin's. The Falcons are coached by former Stanford great Claude Terry.

The Falcons are led by 6-3 guard/forward Glenn Stump, who is averaging 24 points a game. He is one of two starters off a 17-13 team of last season. SPU is a member of the Great Northwest Conference, which includes Eastern Montana, Alaska-Fairbanks, Alaska-Anchorage and Puget Sound.

Montana continues to be led by All-American candidate Larry Krystkowiak, who is averaging 20.5 points and 9.1 rebounds a game. He is shooting 60 percent from the field and 88 percent from the free throw line.

Also in double figures for the Grizzlies is Larry McBride who is averaging 10.1 points and five rebounds a game. He leads the Big Sky Conference in blocks with 23. "Mac" also leads UM in field goal percentage at a lofty 66.7 percent (48 of 72).

As a team Montana is shooting 53 percent (284 of 533) from the field, with only one starter shooting under 50 percent.

"We've got to use our next three games (UM hosts E. Washington and Loyola next week) to put into effect all of the things we've learned," said Montgomery. "We need to shore up some areas. And we need to use the clock better and play with intensity during the entire game.

"We are just a few little things away from being a good basketball team," he continued. "Our team recognition in certain situations needs improvement. We are learning to take advantage of our inside game, so that when teams double on Krysko we get the ball to Mac. Our players are doing a good job of making the pass inside and taking the shot when they need to."

Getting off to good starts has been nothing new for Montgomery and his staff of Stew Morrill and Bob Niehl. Montana jumped to a 8-0 start last year before bowing at Cal-Irvine. The previous season UM set a school record with nine consecutive wins, finally losing to Fresno State, which went on to win the NIT that year. Along with those fast starts came records of 21-8 and 23-7 (last year).

Next week the Grizzlies host Eastern

Washington, a team they beat 77-70 in Cheney last week, Thursday, Jan. 3. Saturday, Jan. 5, UM hosts Loyola-Marymount of California, a team the Grizzlies beat 82-70 on the road last season.

The following week UM begins its Big Sky Conference season on the road at Boise State and Idaho.

ing in all 11 of its games. . . . He remains 9th in career rebounding with 535 and 15th in scoring with 902 points. . . . The record holders in those categories are Ken McKenzie (859 rebounds) and M.R. Richardson (1,827 points). . . . There have been only two players at UM to average over 20 points a game in the last quarter of a century — Richardson's 24.2 in 1978 and Bob Cope's 22.6 in 1950. . . . McBride now has 87 career blocks. . . . The Griz road sweep over E. Washington and Fullerton was the first since the 1981 season when UM won 69-62 at Weber State and 53-49 at Idaho State. . . . Washington now ranks 7th in career assists with 168. . . . UM's 53 percent shooting is record pace, UM shot 50.5 percent in 1975-76. . . . Krysko has scored 20 or more points in 8 of 11 games. . . . Last week Krysko was 16 of 22 from the field and 5 of 6 from the line. . . . In case you're wondering the last sweep on the road in the preseason was 1976-77 over San Jose State (87-71) and Air Force (65-59). . . . That was M.R. Richardson's junior year. . . .

Head Coach

Mike Montgomery

Now in his seventh year as head coach, Mike Montgomery boasts one of the most successful collegiate basketball programs in the Northwest. He has the best winning percentage in Montana history (65.7%) and averages almost 19 wins a season.

In his first five years he guided Montana to the four-team, postseason Big Sky Tournament, and would have last year with a second place regular season finish. However, last season all eight Conference teams participated in the tourney.

"Monty," 37, has 111 victories — ranking him second, only behind the Dahlberg Arena namesake, Jiggs Dahlberg, in total number of wins. Montana has won 20 or more games only six times in its 77-year basketball tradition and Montgomery has two of those.

Last year's 23 wins was the second most in Grizzly history, only behind Dahlberg's 27 (and 4) in 1950. UM's back-to-back 20-win seasons in 1983 and 1984 was the first time in school history a coach and his teams have accomplished that.

Montgomery has 14 years of major college coaching experience and is beginning his 12th year in the Big Sky Conference. He served as an assistant at Boise State for three seasons before coming to UM.

He has also had coaching stints at the U.S. Coast Guard Academy, Colorado State, the Citadel and the University of Florida.

Sound defense has been Montana's forte over the past decade and Montgomery has continued that tradition. Last year UM was 10th in the nation in field goal percentage and led the Big Sky in defense. UM has led the league in defense 11 of the last 13 seasons.

"We take a lot of pride in having tough, hard-nosed players who are willing to sacrifice themselves for team success," Montgomery said.

"Basketball to me is a percentage game where you take advantage of your personnel and allow them to do the things they can do within a team concept," he said. "Our goal is to reach our potential as a team. This requires a very thorough approach to the game. Discipline and dedication from everyone within the program helps us reach that potential."

Montgomery is a 1968 graduate of Long Beach State where he was a four-year letterman in basketball. He also participated in volleyball and rugby. He earned his master's degree in Physical Education at Colorado State.

Mike and his wife, Sarah, have a two-year-old son, John, and are expecting their second child in February.

Assistant Coaches

Stew, 32, is in his seventh season as the number one Grizzly assistant in charge of recruiting and scheduling. He was an assistant coach at former Big Sky Conference member Gonzaga University for three years. During those three years he was the number one coaching assistant and was the school's recruiting coordinator for two seasons. He was a graduate assistant for the Bulldogs for one season.

He was an All-Big Sky center at Gonzaga his senior year in 1973-74, and was named team captain and Most Valuable Player for the Bulldogs that season.

Prior to playing at the four-year level he participated in basketball at Ricks College, where he averaged 23 points a game as a sophomore and was named a JC All-American.

He played pro basketball in Europe for a Division I team in Bordeaux, France, after his graduation from Gonzaga in 1974. After a few months with the team he was named player-coach.

From Provo, Utah, Morrill earned nine letters in basketball, football and track at Provo High School.

His wife's name is Vicki. They have three children.

Bob also served as a graduate assistant at WSU for a season. From 1975-77 he was the head basketball and girl's and boy's track coach at Sprague High School in Sprague, Washington.

He was a standout athlete at WSU, where he was a three-year letterman in basketball and team captain his senior season. He was a seven-foot high jumper for the Cougars, and qualified for the NCAAs all four of his collegiate seasons. 44 John Bates

**6-8, 190, Forward
Junior from
Corvallis, Oregon**

Potentially one of the finest shooters in Grizzly basketball history, John has an excellent touch and extremely quick release from 20 feet in. He is a fourth-year junior and big things are expected of him this season. He is one of the most experienced players returning in that he played in 27 games a year ago. He had a career high 8 points in three games in 1984 including against Northern Arizona in the first round of the Big Sky Playoffs.

"John is a streak player and he needs to become a little more consistent but I think that will come with playing time," said coach Mike Montgomery. "I think John will surprise a lot of people at the forward position. The veteran that he is I expect him to improve as his confidence improves with playing time."

He was a two-time All-State player at Corvallis High School. He averaged 18 points and 7.5 rebounds a game his senior year, when his team went 20-4.

As a junior his high school team was the Oregon "AAA" champion and compiled a 25-1 record. John was a first team All-State that season, as well as his final prep season. He was an All-Metro selection too. During his three-year prep career his teams went 65-12. His coach was Mike Doherty.

He is a Journalism major.

His hobbies are music and the outdoors. His nickname is "Bateman."

His parents are Clancy and Betty Bates of Corvallis.

Birthdate: July 18, 1963.

24 John Boyd

**6-5, 190, Guard-Forward
Junior from
Seattle, Washington**

John saw limited action last season but with hard work in the weight room and on his shooting touch 1985 will be a different story for this scrappy, intense player. He will see action at the three position or at big guard.

"John is going to have to help us in a variety of different areas," Montgomery said. "He could play the small forward or big guard position and has the ability to help us in a situation when we have to take care of the ball. We are very excited about John's potential."

At Chief Sealth High School in Seattle he was an All-Metro and all-conference pick. He averaged 16.7 points and nine rebounds a game as a senior for a team that was 24-2.

He lettered three times in basketball and once in baseball. He was named a Converse All-American as a senior. His coach was Ray Jones.

John's major is Spanish.

His favorite hobby is playing the guitar. His nickname is "JB."

His parents are Charles and Birdie Boyd of Seattle.

Naseby Rhinehart Endowment Fund

Sponsored by the Grizzly Athletic Association and the University of Montana Athletic Department, in cooperation with the UM Foundation, the Naseby Rhinehart Endowment Fund is designed to provide a hedge against inflation and skyrocketing costs by assuring the University's Intercollegiate Athletic Program a permanent source of income from which athletic scholarships can be awarded to worthy student-athletes. The goal is to achieve total funding of the athletic scholarship program through the earnings from the corpus of the Fund. Income from the endowment will ensure that outstanding student-athletes will continue to have the opportunity to compete on behalf of the University of Montana, thus helping to preserve and enhance the strong tradition and heritage that is synonymous with Grizzly athletics.

NAMED SCHOLARSHIPS

Donors who wish to name an athletic scholarship after a person or persons of special merit or importance to the donor or UM athletics may do so in the following manner:

- * a minimum contribution of \$10,000 in cash, stocks, bonds or other property pledged over a specified period of time.
- * a paid-up life insurance policy in the amount of \$25,000 naming the Grizzly Athletic Association owner and beneficiary.

* a combination of giving arrangements is possible. The details of such contributions will be discussed with each individual on a personal basis to ensure the wishes of the donor are met.

The following have made sufficient contributions or have memorials in their name which qualify for the named scholarship program:

Terry Dillon Memorial Scholarship
William "Biff" Hall Scholarship
Harley & Mary Lou Lewis
Scholarship
Frank Milburn Memorial
Scholarship
Erik Ogren Memorial Scholarship

Continued contributions to the special endowment fund are certainly encouraged and appreciated. Contributions may be made at any time by sending them to the Grizzly Athletic Association, 600 University Avenue, Missoula, Montana 59812. Questions regarding gifts to the Endowment Fund can be directed by mail or by calling the Grizzly Athletic Association Office collect at (406) 243-6485. All inquiries will receive a prompt response and the confidential nature of all communications will be respected.

Montana Gridders Set Numerous Offensive Records in 1984

The University of Montana Grizzly Football team finished the 1984 season tying or breaking 24 offensive records, including many by UM's all-time quarterback, Marty Mornhinweg.

UM was 2-8-1 in '84 and a disappointing 0-7 in Big Sky Conference games. The Grizzlies closed their season with a 45-31 loss to Army in the 8th Annual Mirage Bowl, played in Tokyo, Japan.

Fifteen of those records were set by Mornhinweg who finished his career as the No. 2 passer in the Big Sky Conference 23-year history.

The other individual record was established by Missoula senior wide receiver Bob McCauley, who had 933 yards receiving, breaking Brian Salonen's 1983 record of 832 yards. Junior Ted Ray tied the record for kickoff returns with 28. Greg Dunn also had 28 returns in 1979.

In all 59 players earned varsity letters, including 14 freshman, nine of whom played defense.

"We had a much different defensive unit than I thought we would because of injuries," Donovan said. "I'm not trying to make excuses, but that's a fact. We had a few kids who we thought could help us in a year or two, but we had to use them right away.

"But, one thing you have to say about our football team, is that when a lot of teams would have quit; we competed harder and harder," he continued. "We stayed in every game in the last half of the season and just couldn't pull any out."

"Offensively, our receivers were an excellent, exciting group, and of course what can I say about Marty; except that he is the best quarterback to ever play at the University of Montana," Donovan said. "I also was pleased with the way Paul Lamb came on at tight end and he and Brad Salonen will give us a good combination there next season."

Donovan also praised, "the late season running of (tailback) Leroy Foster, and the consistency of (fullback) Scott Murray."

Last season Foster, a junior, led UM in rushing with 385 yards on 80 carries for a 4.3 yard average. He rushed for three touchdowns. Murray, also a junior, was the second leading rusher with 291 yards on 67 carries for a 4.3 average and two scores.

McCauley led the receivers with 51 catches for 933 yards and seven TDs and also rushed for two scores. The next leading receivers were Curt McGinness (29 for 438), Kelly Richardson (27 for 390) and Scott Moe (16 for 248).

Lamb had 12 for 121 yards, including nine for 98 yards in the season finale with Army. Salonen had four receptions for 46 yards, before being injured and forced to redshirt.

"We'll miss a lot of those players, and especially Kelly Richardson," Donovan said. "He did a lot of things for us both at quarter-

back and wide receiver during his career. His versatility and competitive drive will be missed."

With the recruiting season now in full gear the sixth-year coach said quarterback is a number one priority, "along with developing our younger players."

On defense Donovan said the key positions were noseguard and the secondary, although he felt good about the return of defensive backs Terry Shillam, Ted Ray, Tim Monterossi and Ned Becker.

"We've got to rejuvenate the defensive toughness at Montana and player-coach intensity," Donovan said. "We need to reestablish our toughness and get back the winning edge."

Another big plus on defense will be the return of the Poole brothers, Scott and Shawn. The 6-7, 280-pound Scott was injured early in the '84 season. Shawn is a 6-4½, 260-pound junior, while Scott will be a senior.

Donovan also talked about the kicking game, saying, "our emphasis paid off in the punting area and in punt cover; but we now need to correct and solidify our field goal and punt return teams.

"Overall our football team has one of the best, if not the best, post-season attitudes we've had to date as we gear up to the 1985 season," Donovan said. "This along with the outstanding freshman we recruited in 1984 should give us the impetus to go into the '85 season with vigor and renewed enthusiasm."

The 1984 records and career records
