TRYING TO FOOL THE PEOPLE

Every now and then the public gets fooled or to be plain, they are deceived. Something may happen out of the ordinary that makes it hard for the public at large to digest at one sitting.

In the settlement of a certain estate those interested have endeavored to get a settlement with an accounting of the affairs, which certainly they are entitled to but so far has been denied.

Court action thus far has availed nothing more than revealing a complicated situation over property that should have been released months and months ago.

Once more this case has reached court only to add to the tangled affairs. Some more explaining is due. More denials are necessary. It turns out now that the custodian of the assets of this estate is obligated to a bank to the amount of \$3,500 and the note has been renewed nine times.

WAS WASHINGTON GREATER THAN LINCOLN?

That Washington was greater statesman and American than Abraham Lincoln is the contention made by Clifford Raymond in an article in a recent issue of Liberty.

"What the American people have now as a nation," the writer points out, "came from the character of the Virginian who might have been a loyalist but who founded the American Union."

THE HONEST BOY QUESTION

Honest boys are growing scarce, and may become as obsolete as side whisks, according to some pessimists who deplore the errors of modern youth.

Those well acquainted with the boys do not seem to think so. There is Cameron Beck, for instance, personnel director of the New York stock exchange, who should know.

Of course there are all those smart youth who get out with guns and take our money away on dark streets. Many of them are half wits, unable to comprehend that jails and prisons are not considered desirable as permanent boarding places.

MAKES A DENIAL

Mr. Editor: I have been informed by friends that the news is being circulated that I have been caught boot-legging and would like for you to publish that this is not true and never will be and I will thank the person or persons who saw this in any paper to please send me the copy it was in.

AS TO THE RELIEF BILL

To the Editor of the Herald: There is no paper that I read that has an editorial column I enjoy more than the Herald. While I may not always agree with your views I find something interesting and in the main I endorse your stand on public questions.

I read in your last issue what you had to say about farm relief and the bill just passed by Congress. In your editorial, which was general in nature, you do not indicate how you stand. For one Farmer I approve of the bill not because Mr. Brand is for it nor because Senators Fess and Willis opposed it.

The power of the state and nation is used to protect the great utility interests that their investment is made safe and a dividend certain each year.

The United States Supreme Court has held that utility companies are entitled to a net return of profit equal

to 7 per cent after high taxes are paid and outlandish salaries paid to the officers. On top of this these companies contribute great fortunes to help elect Senators—for instance in Illinois. Again in Pennsylvania. We all get excited about flouting the constitution in regard to the Eighteenth amendment but for some reason the whole constitution is a scrap of paper when the big interests want protection and profits.

With the courts guaranteeing safe returns in fixing utility rates, we are entitled to the same. The farmers of the United States have billions more at stake than have the utilities. The utility companies can have one valuation for rate fixing and another for taxation purposes.

The farmers claim control of the Ohio legislature. That being the case the Ohio situation must be laid at the farmer's door. The worst trouble is that the farmer has been asleep or merely doing what he has been told to do instead of thinking for himself.

Farmer relief may be an experiment. If it is worked on the same basis as the railroads and utilities it will prove successful; for their plan has guaranteed them a profit.

The Herald should be on this side of the question and as freely supported as other public questions have been. Thanks for the specs and here's hoping that President Coolidge will not extend his veto as predicted by Senator Fess.

NEWS BOILED FROM COUNTY MELTING POT

Judge Marcus Shoup has brought suit against Margaret Raymond, Yellow Springs, as attorney fees in her suit some months ago when she was defendant in an action filed by Edna Nichols. Suit is brought for the above amount in Common Pleas Court.

William Devos, 74, died at the home of his daughter, Mrs. Jacob Brakel, near Port William, Monday afternoon, after an illness of five weeks. He is survived by 12 children. The funeral was held Wednesday.

County Auditor R. O. Wead gave a eulogy on the life of Washington before members of the Xenia Rotary club at its noon luncheon at the Elks club Tuesday. He emphasized Washington's warning against entangling alliances with other nations and warned against the forces that tend to undermine the constitution.

Frank R. Wright, 57, former resident of this county, prominent merchant and member of the Rike-Kumler Co., that city, died Sunday of heart trouble. He was secretary and treasurer of the Rike-Kumler Co. and had been with that concern for many years. He leaves his widow, one son and two daughters.

Did You Know That

Fifty years ago Tuesday, Congress accepted from France the Statute of Liberty at New York as a appreciation of aid given by Americans to the France during the Franco-Prussian war. The statue was unveiled by President Cleveland on October 28, 1886, twenty years after Frederic Auguste Bartholdi, designer, began work on it.

Cincinnati has the honor of being the first city in America to establish a municipal park. That the first bath tub was made in Cincinnati and that today may be found more different kinds of birds, reptiles and animals in the Zoo than in any other city in the world.

Dr. Frank Crane Says OPINIONS ARE LIKE RIPPLES

Opinions are like ripples. How long they last depends upon the surface on which they appear.

The mind of the individual who holds the opinion is the surface whose character determines its lasting quality. Think over your friends. Some change their opinions continually, others with great infrequency.

You have seen many kinds of ripples—ripples on water, ripples on sand, ripples on ice, and ripple marks in solid limestone.

All are duplicated in the minds of men. On water, ripples alter with each succeeding breath; in stone they change only with the erosion of years.

One type of mind is fluid; another concrete. The first is plastic but unretentive; the second is retentive but unchanging and indurate.

One changes its opinions too frequently; the other not frequently enough. In a general way these two characteristics of mind represent two stages of life.

In youth the tendency is to change our opinions too often. In old age the tendency is to change them too seldom.

Youth is a time for ripples on water. It is a time for alternating, changing open-mindedness, for a sort of sparrow-like hopping from one idea to another.

Opinions are formed, destroyed and reformed with little effort. Old age is a time when the ripples of opinion seem marked in stone.

They are fixed. They alter only long erosion by contrary evidence. Both attitudes are off balance. One leans too far forward, the other too far back. Between the two extremes is the happy mean.

Of the two attitudes the one that can be most controlled is that of solidity. Little can be done to change the attitude of the youth, and it has time to steady down anyway.

But open-mindedness is a habit that can be cultivated. "A new truth is a truth and an old error is an error," is a good motto for advancing years.

But open-mindedness is a habit that can be cultivated. "A new truth is a truth and an old error is an error," is a good motto for advancing years.

Miss Helen Somers, Miss Josephine Randall, and Mrs. W. C. Hille were guests at a Martha Washington Tea given Saturday by the members of the Eastern Star of Jamestown. The mother and daughter of each generation from the eighteenth century to the present time were portrayed in a clever program by the Jamestown Stars. Miss Eloise Farquhar, representing the modern girl, proved that the present generation is the hope of the future.

Mr. Mills, evangelist worker, entertained the College Y. M. C. A. on Wednesday morning in chapel services. This will be the final appearance of this splendid man and his wife at the school as they finish their engagement here this week.

Miss Gula Gamble, General Secretary of the Springfield Y. W. C. A. will speak to the girls Wednesday morning, March 2. This will be the last program in the project "Y. W. C. A. in Our Cities." It is quite a treat to have an experienced Y. W. Worker in our meetings. The new project for the other meetings in March is "Twentieth Century Commandments." Visitors are welcome.

The College Sophomore Class was given a real treat Wednesday night at the Gymnasium in the form of a waffle supper. The combination of Hot waffles and maple syrup proved quite a hit with those present. After the supper games were played and other various forms of pleasure made the evening a most enjoyable one.

For Sale—Maple Syrup Phone 8-52. Prof. H. E. Smith

Edward McClintock, 78, formerly of Yellow Springs, died at the home of his brother, William McClintock in Springfield, Tuesday morning. He had been in ill-health for sometime. He is survived by another brother, Jefferson McClintock of Beattytown in Clark county. The funeral was held Wednesday afternoon and burial took place in Clifton cemetery. The deceased was related to Mrs. W. M. Collins, who passed away Thursday morning.

Dr. W. R. McChesney gave his famous "George Washington" address before the Xenia Kiwanis Club Tuesday.

**D. A. R. Banquet**—The annual Washington Day banquet of the D. A. R. was held at "Ye Olds Cedar Inn", Tuesday evening. A feature of the evening was a talk on Washington given by Professor B. E. Robinson. He was introduced by Regent Mrs. Howard Turnbull. In his talk he upheld Washington's proving from his "Farewell Address to the Army and to the American People", that he was altruistic and a man to be honored. He reminded the members of the D. A. R. that because they held the Constitution in such esteem was no sign they were "back numbers", but rather should be a means of refreshing their inspiration for their great patriotic work.

Covers were laid for thirty-eight members, husbands and friends and a three course dinner was served. Several films of moving pictures of some of the beauty spots of America were shown by Mr. W. W. Gallo-way.

**PROTECTIVE ASSOCIATION ELECTS OFFICERS MONDAY**

The Cedarville Protective Association annual meeting was held in Community hall Monday evening and near 100 members pursued out for the business meeting, election of officers and smoker.

There were two speakers, Probate Judge S. C. Wright and Rev. Wm. Wilson, pastor of the Clifton Presbyterian church. Judge Wright spoke on present day law enforcement and the support that should come from the home and other agencies recognized by society. He laid stress on the fact that liquor law enforcement did not have the united support of the dry element as it should. Each citizen has a responsibility and a duty. To evade this duty or to sneer at present law enforcement methods made real enforcement that much harder. He quoted Senator Borah: "That the liquor laws should be enforced, or repealed, Rev. Wilson has had much experience as a preacher in carrying out prohibition enforcement. He made it plain that the laws could be enforced and that conditions now were much better than in the old days of the saloon. He decried the passing of reports from one to another that conditions were worse now than ever.

In the election of officers O. A. Dobbins was re-elected president. Hervey Bailey, vice president; J. C. Townsley re-elected secretary-treasurer. For trustee, Hugh Turnbull and Elder Corry. A plate lunch and smoker followed the meeting. The association has 170 members in good standing.

**PROBATE COURT HANDS OUT FINES TO SEVEN OFFENDERS**

Probate Judge Wright on Monday presented \$400 fines and costs to James Webster, Vernon Jones, and Earl Robinson of this place and Forest Stephens, Jamestown, and Isaac Shaffer of Yellow Springs. All were held to be guilty of liquor law violations. Appeal has been taken and the accused are out on bond.

Mrs. Mary Gavender, Xenia, charged with selling was fined \$800 and costs and refused to pay the fine. She was committed to the Woman's Reformatory at Marysville, Ohio.

Martin Weimer, Cedarville, was fined \$200 and costs for giving information as to where liquor could be purchased. Appeal was taken.

For Sale—Apples cooking and eating, \$1 per bushel. Phone 514. Bell, Clifton Exchange, Frank Turner.

**DEATH OF MRS. W. M. COLLINS EARLY THURSDAY MORNING**

Mrs. Margaret Collins died rather sudden about six o'clock Thursday morning following an illness of many months. Her condition had not been much different until Wednesday and then no alarm was felt that she was in a critical condition. About thirty-three she grew much worse and failed to revive.

The deceased was the daughter of Arthur Forbes and Anna Huntington Forbes and was born in Miami township 62 years ago last August. She is survived by her husband, M. W. Collins, whom she married in 1887, and one daughter, Mrs. Anna Smith of Newark, N. J. A brother, Wm. Forbes resides near Yellow Springs and a sister, Mrs. Florence Hanna, at Rutledge, Iowa. Mrs. Smith and Mrs. Hanna are expected here Friday.

Mrs. Collins was a member of the United Presbyterian church and during the past few years when her health was declining she bore her suffering with patience. The funeral will be held Saturday afternoon from the U. P. church at two o'clock. The services will be in charge of her pastor Rev. R. A. Jamieson. Burial will take place at Clifton.

Rev. R. A. Jamieson's topic for Sabbath morning will be "Three Typical Conversions in the Book of the Acts"

**COLLEGE BOYS LOST 3 GAMES ON THEIR TRIP**

(By Lawrence McLean)  
 The Yellow Jackets return from their up-state trip with a disastrous record. Not one victory did the Borst crew manage to win, yet the scores indicate fast, close games.  
 Thursday night at Findlay the local bunch after a hard fight went down to defeat by a score of 31 to 28.  
 Friday night at Bluffton again a close game was dropped. Only after Captain Little was forced from the game did Bluffton manage to emerge victors 28 to 24.  
 The final game at Kent Saturday was the most decisive defeat of the three. The final score was 30 to 20. Each man proved himself to be of the highest caliber on the trip. Coach Borst has great praise for the sportsmanship and treatment given them by their opponents.

Shifty Bolen's Green and White clad warriors charged into the Borst squad Tuesday night at Cedarville and marched away victors 29 to 15. It was just a case of too much speed and experience on the part of the Wilmington team. In the early part of the game the Borstites kept pace with their opponents but toward the latter part of the game they seemed to wilt and tire fast. Cedarville's little forward, Orr, was forced from the game on personals which seemed to take the life out of the local lads. The game was fast throughout and replete with clever plays. Orr played a nice game while in the fray and Rockhold also gave a nice account of himself at his guard position. It was all Weimer and Peels with the Wilmington team. This is Wilmington's second victory over the lads this season giving them the series.  
 In the preliminary tilt the Kingmen Independents won over the combined efforts of the High School and Cedarville Independents by a score of 25 to 13.

**PLATTSBURG DEFEATS HI**

(By Lawrence McLean)  
 Last Friday night at the Gym, the Plattsburg boys defeated the Cedarville-high school lads 24 to 17. The local boys played a splendid game although battling against overwhelming odds. The Plattsburg boys were exceptionally large and had the advantage in weight. These two factors alone were all that defeated the local team. Time and again it seemed as though the Cedarville crew was to be victor but with the win almost in their grasp, the visitors staged a neat rally to give them the game. Wilson and Paxton played "bang-up" ball for the Knight team while Mayer was the big "gun" for Plattsburg.  
 In the initial tilt the local girls showed their best form of the year in downing Plattsburg girls by a decisive 17 to 6 score. Marshall and Black were unbeatn in the scoring game and only one fielder was garnered by the opposing forwards, so closely did Peterson and Printz guard them. From the form displayed in this game the girls stand an excellent chance in the tournament this week.

**WRECKING CREW OUT**

The Pennsylvania wrecking crew spent most of Thursday here putting two cars of paper and two cars of coal on the siding at the Hagar Straw Board & Paper Company plant. The cars jumped the track while the local was doing some yard work. The only damage was to the track which had to be relaid.

**OPERETTA A SUCCESS**

The operetta "When Betsy Ross Made Old Glory" as given by the lower grades of the public schools on Wednesday evening, was a distinct success. About ninety scholars had a part in the entertainment and every seat in the opera house was sold for the performance, which was directed by Mrs. Mildred Foster and the teachers of the grades.

**THE MIGHTY INFLUENCE OF MUSIC**

We wonder some times what Christianity would amount to without music filled with the spirit of God and Service. It is wonderful to note the effects of a soul touching piece of music upon the human heart. Just to think a few words and few notes woven into a beautiful song can touch and win a soul that is priceless, a soul that has fallen into sin and shame, or a soul that is deadened and blighted by the fearful influences of hell. Many a heart is indifferent to the most touching sermon but will respond and yield to the blessed gospel in song. The words of the Minister may soon be forgotten, but the sweet strains of song will live on refreshing the mind and the soul like the sunshine of Spring.  
 Music is a wireless message between two worlds; attuned to beat in harmonious unity. Music and love are the greatest stimulants on earth. Cultivate a higher appreciation for music that will lift, bless and inspire one on to the finer and truer things of life.  
 (Article Number Three Next Week)

**RESOLUTIONS**

Cedarville, Ohio, January 14, '27  
 Mr. G. E. Jobe, member of the Session of the United Presbyterian Church of Cedarville, Ohio, was called to his reward December 27, 1926, in his 67th year. Many years he served faithfully in the Eldership and manifested a real interest in the church. He is greatly missed in the Session, meetings, mid-week prayer meetings, Sabbath School and all of the church services, as he was always present and ready to take his part.  
 The large attendance at his funeral held in the church he loved to attend, testified to the substantial Christian character of Mr. Jobe, and the large place left vacant by his departure. "The dead, he speaketh."  
 Realizing something of the great loss we have sustained in the removal from our number of Mr. Jobe, the Session would submit the following:  
 Resolved: First, That we bear testimony to his consistent life, his devotion to his church and faithfulness to duty as a member and Elder and to his faith in the promises of God.  
 Second: That we cherish his memory, emulate his virtues, his faithfulness and loyalty to the Master's kingdom and yet humbly bow before Him who doeth all things well.  
 Third: That we extend our heart felt sympathy to his wife, daughter, three sons and grandchildren, and commend them to the loving Lord and Master, who is able to comfort us in all our afflictions, and who said, "Blessed are the dead who die in the Lord."  
 Ralph A. Jamieson, Moderator  
 Miron I. Marsh, Clerk  
 J. E. Hastings
