EASTERN ILLINOIS UNIVERSITY BULLETIN

Number 272

December, 1967

Published six times a year (January, April, July, September, October and December), by Eastern Illinois University, Charleston, Illinois. Entered as second class matter at the Post Office, Charleston, Ill. Effective date Sept. 1, 1961.

ABOUT EASTERN ILLINOIS UNIVERSITY . . .

Dr. Doudna

Eastern Illinois University, founded in 1895, has grown from the original one building on a 40-acre tract of land to the present 30 major buildings on a 266-acre campus.

Eastern has consistently been ranked as one of the outstanding teacher training institutions in the nation. The university also provides curricula in the liberal arts and awards the B.S., B.A., and M.A. degrees. There are pre-professional programs.

Dr. Quincy Doudna, Eastern's third president, has been EIU's administrative head since 1956.

Eastern is located in Charleston, county seat of Coles County, and rich in Lincoln lore. Charleston has a population of 13,500 and is readily accessible by air, rail and bus to metropolitan centers.

EIU offers intercollegiate competition in 11 sports, and has a complete intramural program open to all students.

Enrollment this year is 6,491.

To meet the demands of increasing enrollment, Eastern has undertaken an extensive building program. A new men's physical education building, but a part of the program, is the new home of Panther athletics.

DR. WALTER S. LOWELL

Director, School of HPER

Guiding Eastern Illinois University's activities in health, physical education and athletics is Dr. Walter S. Lowell, associate professor in physical education. Dr. Lowell joined the staff in 1961 and became chairman of the school in the 1964 reorganization.

Dr. Lowell has a varied background in coaching and physical education. He coached football, basketball and baseball for two years at Sebawaing, Mich., and seven years at Grand Haven, Mich. He also worked one year at a settlement house in Kalamazoo, Mich., and one year as a recreation worker at a reform school in Lansing, Mich.

He was backfield coach for EIU football before assuming duties as the school's chairman.

Dr. Lowell and his wife, Margaret, have five children. One attends Eastern. Dr. Lowell graduated in 1948 from Western Michigan University, received his M.A. from the University of Michigan in 1953 and his doctor's degree from Michigan State University in 1962.

WILLIAM McCABE

Acting Director of Athletics

Bill McCabe, Eastern's head baseball coach since the 1963 season, is serving as acting director of athletics this academic year while Tom Katsimpalis is on sabbatical leave to work on his doctorate at Colorado State College.

McCabe has served as Eastern's acting director of athletics during a number of summer terms while Katsimpalis worked on his advance degree so he is familiar with the position. Also, he was athletic director, football, basketball, and baseball coach at Franklin (Ind.) College for the six years prior to his joining the EIU staff.

A native of Wausau, Wis., McCabe graduated from Iowa in 1949 and received an M.A. there in 1950. He has also done extensive work toward the doctorate degree at Indiana University.

McCabe, 44, is married. The McCabes have two daughters and one son.

JOHN CAINE

HEAD BASKETBALL COACH

John Caine, with a recently earned doctorate degree, resigned as the head basketball coach at Lea College, Albert Lea, Minn., last spring to become a co-ordinator of student teachers and an associate professor in Eastern's School of Health, Physical Education, and Recreation.

Hardly did he, or anyone else, realize that those duties would have to be put off for a year and in their place would fall the responsibility of coaching Eastern's varsity basketball squad.

When Rex V. Darling accepted the head tennis coaching position at Pan-American College in late August, Eastern suddenly found itself without a basketball coach. Caine, who was off on a family vacation to California, was the logical choice—if he would take the job.

"I really had decided to quit coaching. I don't think I would have taken the responsibility except on the one year basis. That doesn't mean, of course, that this will be a lost year in Eastern's basketball history. I'll do everything possible to meet the challenge," he said after accepting the position.

The arrangement, if one wants to call it that, is ideal as far as Eastern is concerned. Caine, a veteran of 16 years of basketball coaching on the high school, junior college, and college level, brings an exceptional amount of experience to the position. Also, it gives Eastern a full year to select a new basketball coach instead of three weeks.

A graduate of UCLA, Caine attended the University of Louisville as a freshman. His first coaching position was at Bellflower High School, Bellflower, Calif., and from 1951 to 1958, his teams won 90 and lost 60 contests.

In 1958, he moved to Cerritos College, a junior college at Norwalk, Calif., with 10,000 students. Coaching there through the 1964 season, Caine posted a 114-61 record, finishing in the first division of the school's eight-team conference each season.

After a year's work on his doctorate degree at Colorado State College, Greeley, he coached Lea College's first basketball team to a 10-10 record, playing a number of varsity clubs with a team composed totally of freshmen.

A native of Ashland, Ky., Caine graduated from Ashland High School in 1942 and was an all-district guard as a senior. He was in the Army, seeing duty in Europe, until 1946 when he was discharged as a First Lieutenant.

After World War II, he enrolled at the University of Louisville, but transferred to UCLA in 1948, graduating with a bachelor's degree in 1950 and a master's in 1951.

Caine and his wife, Marilyn, have three children, two daughters and a son. Cindy is a senior at Charleston High School and Nancy is a sophomore there. Chip is a fourth grader at Lincoln School.

RONALD PAAP—Assistant Basketball Coach

Ronald Paap begins his fourth season as assistant basketball coach at Eastern Illinois University.

Paap has an extensive background in his home state of Nebraska. He coached all sports for two seasons at Palmer in western Nebraska, then coached six years at Papillion in the Omaha suburban area. At Papillion his 1960 basketball team came with in two games of the state tournament, and his 1959 and 1960 baseball teams placed second in the state Class B tournament. Paap was also freshman football

coach at Papillion.

He was a basketball squad member at Peru (Neb.) State Teachers College. He graduated in 1955 and received an M. A. in 1962 at Colorado State College, Greeley. He came to EIU in 1963.

ERNEST MORRIS—Varsity Assistant

Ernest R. Morris, a 1967 cum laude graduate of Rocky Mountain College, Billings, Montana, is Coach John Caine's varsity assistant this season.

As a three-year letterman in basketball at Rocky Mountain College, Morris earned first and second team all-conference honors and was voted the school's most valuable player as a senior.

He is a 1961 graduate of Wells High School in Chicago and was a 1966-67 Clark Memorial scholar at Rocky Mountain, graduating with a major in physical education and a history minor.

Besides serving as the varsity assistant, Morris will also teach courses in Eastern's Department of Physical Education for men and work with the intramural program.

PANTHER PREVIEW

The basketball picture at Eastern Illinois University is brighter than it has been the past two years, but it is doubtful anyone will be blinded by the glare of the 1967-68 Panthers even though six lettermen return.

Four of that total were starters on last year's 6-18 club, including Bill Carson, the squad's most valuable player, top scorer and rebounder. Also starting last year were returning veterans Jim LeMaster, Jim Corrona and Paul Craig.

Still, the Panthers will lack the "big man" until January when sophomore Dave Curry, a 6-8 transfer from the University of Alabama who graduated from Windsor High School, becomes eligible.

If Curry is as good as everyone thinks he is, he could be the key that turns on the nucleus of lettermen along with the aid of seven other new faces on the Panther roster.

Outstanding newcomers include Robin Perry, Steve Little, Greg Beenders and Bob Herdes. Others on the squad are Kirk Biggs, Ken Zimmerman, Randy Coonce, Gary Perkins.

Of the returning lettermen, Carson is the only one that averaged in double figures in 1966-67. LeMaster, Craig and Corrona all carried averages in the nine-point range and Klein was an even five-pointer while Smith hit a 4.1 clip.

The top newcomers are Perry, Beenders, Little, Herdes and Curry. Perry and Little should fit into the forward picture with ease and Curry is the only "natural" center on the squad. Herdes and Beenders were both high scorers at Olney and Lincoln Community College, respectively, and offer much needed help at the guard position.

IIAC PICKS FOR '68

With four members of its starting unit of a year ago returning, hardly anyone doubts that Illinois State University's Redbirds are not the Interstate Intercollegiate Athletic Conference favorites.

With only one senior starting, Head Coach Jim Collie's club posted a 5-1 conference record in 1966-67 to tie Central Michigan University for the title.

The Chippewas, however, will not be regarded lightly by their conference opponents. Returning for action in Mount Pleasant are senior lettermen Willie Iverson and Bob Crocker. Iverson was a second team Little All-America selection last season.

Western Illinois and Eastern, the three-four finishers in 1966-67, hardly appear ready to challenge Illinois State for the crown. Western won two games in conference action last season, both over Eastern.

The Panthers, however, could come out of no where as they did three years ago. In Rex V. Darling's first year, 1965, Eastern romped to a conference title, much to everyone's surprise.

This year, the Panthers again have a new head coach, John Caine takes over the reins with Darling moving to the head tennis coaching position at Pan-American College. He left Caine with a whole crop of lettermen and the team's MVP and top scorer and rebounder, Bill Carson.

Carson, however, may not be the key to the Panther success although he undoubtedly will aid the cause. The key will probably be a 6-8 transfer student from Windsor, Ill., Dave Curry, who attended the University of Alabama as a frosh.

Curry will be eligible in early January and the Panthers will have played only two conference contests by that time, a pair of games with Central Michigan.

Since each team will play every other team two "double-headers" under the new league schedule, two losses or a split with Central Michigan in the conference openers would probably not be fatal.

The Panthers' fortune will probably be told when they battle Illinois State January 12-13. If they can up end the Redbird quartet of Jerry McGreal (the IIAC's MVP in 66-67), Steve Arends, George Terry, and Tom Taulbee, things may be in for a change in the IIAC in 1967-68.

CUBS' CAGE OUTLOOK

Balance again appears to be the key for the Panther Cubs. On the average, height is at a premium on the club even though Coach Ron Paap has two players 6-6 and two others 6-3. Only three members of the squad hit the ruler under five feet.

Tom Reynolds and Jeff Maynard are the club's big men. Height is not the only category they fit that characterization in, however, since Maynard tips the scales at 200 and Reynolds at 196.

Standing 6-3 are Dick Barnes of Lacon and Ed. St. Pierre of Collinsville. Seven of the 21 players Paap held from the 44 who turned out for frosh tryouts are 6-2.

Nearly all of the squad members earned all-conference honors and five of the total, Terry Thompson, Lee Potts, Greg Metz, Dennis Hinton, Steve Helmkamp and Brad Berger, earned mention on either one or a number of the all-state teams selected last year.

GYMNASTICS

Head Coach Robert W. Hussey

Bob Hussey enters his ninth season as head gymnastics coach at Eastern Illinois University. He also serves as freshman soccer coach in the fall.

The energetic Hussey came to Eastern in 1958 and quickly led the Panthers to a contending position in the IAC. In his last four years at the helm, the Panthers have taken three seconds and a third in the conference.

Hussey completed an Ed.D. at Colorado State College (Greeley) in 1966.

Hussey competed in baseball and gymnastics at LaCrosse (Wis.) State University, where he graduated in 1949. He coached football, basketball and track at Manistique, Mich., High School from 1949 to 1952, and coached football and track at Washington Junior High, Racine, Wis., from 1952-1958.

He is married and has seven children. His master's degree is from Michigan State University.

Richard Vaughan (EIU '59) is the assistant gymnastics coach. Vaughan, an assistant coach in football, is in his third year on the EIU staff. Vaughan, who has a master's degree from Eastern, is married and has two children.

GYMNASTICS PREVIEW

A conference champion and a pair of two-year lettermen return off of last year's squad, but Eastern's 1967-68 gymnastics team is probably one of the most inexperienced Head Coach Bob Hussey has ever fielded.

Six of the 11-member squad are sophomores and three others are juniors. Returning lettermen are Don Sabey, IIAC side horse champion in 1967; Ed Cheatham, all-around performer, and Terry Dieckhoff, ring specialist.

Three sophomores are promising, however, according to Hussey. They include all-around entrant Bill Cook; Jay Johnson, a floor exercise specialist, and Marv Farthing, a high bar and floor exercise combination.

Adding to the Panther gymnasts' problems is this year's schedule which puts them on the road against eight opponents while only six make appearances in the Lantz Building.

SWIMMING

Head Coach Raymond Padovan

Raymond Padovan, a former national record holder in the 50 and 100-yard freestyle, is beginning his second year as Eastern's head swimming coach.

Padovan, who hails from North Miami, Florida, holds a master's degree in physical education from Southern Illinois University. His undergraduate work was also done at Southern.

Formerly swimming coach at Eastern New Mexico University, Padovan coached his team to a second place finish in the NAIA nationals.

Padovan will also serve as the assistant tennis coach in the spring under Coach Francis Teller. Padovan is married and has no children.

SWIMMING PREVIEW

Eastern's tankers of a year ago won only one of their dual meets, but that was improving. It was the first victory for an Eastern swim team in two years.

This year, for the first time in recent history, Eastern will have some depth on the tanker squad. Head Coach Ray Padovan, beginning his second year, did a masterful recruiting job and has 18 swimmers on the roster.

Last year the squad numbered seven and only two of that total, Tom Roderick and Dick Van Hook return to perform this season.

A total of 12 sophomores are listed on this year's roster and, according to Padovan, one of that total, Don Speacht, is the most outstanding swimmer on the squad. Other mainstays, all sophomores, include diver Tom Collins, individual medley performer Mel Krieger, breaststroker Dan Furlan, backstroker Tom Bonnell, and freestyler John McJunkin.

Although Padovan does not see the 1967-68 season as one in which Eastern can claim its first IIAC championship, he does feel the team will make an excellent showing. Its strength, he says, is the depth the tankers have in the backstroke and breaststroke where six members of the squad will perform.

WRESTLING

Head Coach Harold O. (Hop) Pinther

Eastern Illinois' wrestling fortunes have been on the upswing ever since Harold O. (Hop) Pinther took command in 1954. In his 12 years as head coach, the Panthers have compiled a 76-43-3 dual record and produced two national individual champions.

EIU has gone through five of the past seven seasons with only two dual-meet defeats, and have been consistent challengers for the IAC title the past six years. Ironically, "Hop" was on leave of absence during the title season of 1962-63, but there have been three second-place finishes and one third in the five-year span.

Pinther received a B.S. degree from Central State (Wis.) and an M.S. from the University of Wisconsin. He has done further graduate work at Colorado State, Greeley. He is married and has three children.

Assisting Pinther again this year is Frank Chizevsky, Jr., who also serves as an assistant football coach. Chizevsky is a former NAIA All-American in football and has taught in the public schools of Decatur. He is married and received his master's degree from Millikin University in 1962.

WRESTLING PREVIEW

Two conference champions and a total of 10 lettermen grace Head Coach Harold (Hop) Pinther's varsity wrestling roster this year and, judging from early workouts, the squad could be one of the best in EIU history.

The returning IIAC champions are Jerry Nyckel, the 137-pound champion and the meet's MVP, and Larry Kanke, 167-pound titlist. Also returning is Lonn Ipsen, the 1967 NAIA District 20 heavyweight champion.

Other lettermen on the roster are Ray Cummings (115), Dennis Phegley (123), Dennis Mattox (137), Bill Crail (160), Randy Richardson (166), Roscoe Moore (106) and Gary Wintjen (191), giving Pinther lettermen at every weight division except 130 and 152.

INDOOR TRACK PREVIEW

Any statement on indoor track is strictly conjecture at this point, but Eastern Illinois is expected to be improved in its second year of competition.

Head Coach Maynard (Pat) O'Brien will start working his 1967-68 charges after the start of the winter term and a roster of the candidates is not available.

A number of last year's standouts in both indoor track and track and field and some of this fall's IAC championship cross country squad are being counted upon, however.

Foremost among them is John Craft, the defending NAIA National Champion in the triple jump and a NAIA Track and Field first team selection as an All-America.

Also returning are dash specialists Bill Dortch and Charles Flamini. Both hold Lantz Building records in their specialties and both are also members of O'Brien's 880-yard relay squad.

Rounding out the top candidates are members of Eastern's first undisputed IAC cross country title team. Larry Mayse, Dike Stirrett, Virgil Hooe, Marv McIntire and Jim Fehrenbacher should all finish strong in the distance races and help should also come from Phil Powers and Victor Ford in the same events.

Eastern finished its initial season with a 1-3 dual meet record, dropping Illinois State and losing to Southeast Missouri, Bradley and Central Michigan. This year's schedule is in the tentative stages.
