EU launches digital library

Md. Ashraful Alam

Eastern University (EU) library organized a launching ceremony of automated digital library services through KOHA and greenstone digital library software at the library room on December 30.

Professor SM. Zabed Ahamed, Chairman, Department of Information Science and Library Management, University of Dhaka was present on the occasion as the Chief Guest.

Dilara Begum, Country Coordinator of digital library network, South Asia, President, Library Association of Bangladesh (LAB) and Librarian of East-West University was also present as the Special Guest.

Vice Chancellor of EU Professor Nurul Islam presided over the function. Dilara Begum said, without

using digital library we can't get the benefits of ICT. Professor S M. Zabed Ahamed said, digital

libraries is important to build a digital nation but it remains a big challenge for all of us to achieve it.
