Weed Science Field Day 2002

The Weed Science Field Day will be held on June 27, 2002, at the Iowa State University Curtiss Farm on South State Street in Ames. The field day will begin with registration from 8:00 a.m. until 9:00 a.m. followed by a short program. Research and demonstrations of weed management techniques, herbicides, application strategies, and various crop traits will be available for review. Most of the ag chemical companies will be represented and available for discussions about their products. Farmers, ag chemical professionals, and the public are invited. Registration is $20, and refreshments and lunch will be provided. If you have questions, please contact me at (515) 294-1923 or e-mail mdowen@iastate.edu
