Reports from the International Recovery Platform (IRP; Kobe) & Int. Labour Organization (ILO)

Ms. Battistin
ILO's Tsunami Response in Aceh

Program focus

✓ Restoring livelihoods and generating employment opportunities
✓ Socio-economic reintegration of disadvantaged groups and reduction of their vulnerabilities
✓ Jobs for those that can work and protection for those who can not

ILO's Tsunami Response in Aceh

Table of contents

Main Sections

- Program Focus
- Guiding principles
- Partnerships and collaborations
- Labour market situation in Aceh: The challenges
- Program components
  1. Local Economic Recovery and Development (LERIED)
  2. Employment services
  3. Vocational training
  4. Business promotion and women empowerment
  5. Microfinance
  6. Labour-based rural infrastructure reconstruction
  7. Child labour prevention
- Contacts

Guiding Principles

- Local ownership and participatory approach
- Meeting the needs of local communities
- Rebuilding and capitalizing on local productive means, resources and networks
- Institutional and local-stakeholder capacity building
- Gender equality
- International labour standards

Partnerships

ILO's interventions in Aceh are conducted within the framework of the Joint UN Programs for post-disaster reconstruction in Aceh

- ILO's constituents (Manpower Ministry and local Manpower Offices; Trade Unions; Employers' Organizations)
- BRR and other government agencies
- Provincial Government
- NGOs and associations (Mercy Corps, Education International, Oxfam)
- UN agencies (UNDP, WB, UNHABITAT, UNFPA)

Labour Market situation in Aceh

The challenges

Analysis of the situation of the labour market in Aceh. Major results:

- 340,000 people are looking for job
- Women: higher economic inactivity rate than men
- Traditional labour division: between men and women
- Youth: premature entry in the labour market
  Jobseekers: mostly unskilled, inexperienced, and young
- Rising labour costs due to post-crisis inflation and competition for skilled labour

Proposal to BRR for strengthening the labour force survey.
ILO's Tsunami Response in Aceh

Program Components

1. Local Economic Recovery and Development (LER/LED)
2. Employment Services
3. Vocational and Skills Training
4. Enterprise Development and Women's Entrepreneurship Promotion
