Updated replacement for the Education (Specified Work and Registration) (Wales) Regulations 2004

Overview	The Welsh Assembly Government is consulting on proposals to update the Education (Specified Work and Registration) (Wales) Regulations 2004 in order to add two new categories to the list of persons who are not qualified teachers but who may carry out 'specified work' (i.e. teach) in maintained schools. The new categories are: trainees on initial teacher training courses leading to Qualified Teacher Status, and qualified further education teachers delivering courses within the local curriculum under the Learning and Skills (Wales) Measure 2009 in maintained schools. There are also some miscellaneous amendments and updating.

How the views and information you give us will be used

Any response you send us will be seen in full by Welsh Assembly Government staff dealing with the issues which this consultation is about. It may also be seen by other Welsh Assembly Government staff to help them plan future consultations.

The Welsh Assembly Government intends to publish a summary of the responses to this document. We may also publish responses in full. Normally, the name and address (or part of the address) of the person or organisation who sent the response are published with the response. This helps to show that the consultation was carried out properly. If you do not want your name or address published, please tell us this in writing when you send your response. We will then blank them out.

Names or addresses we blank out might still get published later, though we do not think this would happen very often. The Freedom of Information Act 2000 and the Environmental Information Regulations 2004 allow the public to ask to see information held by many public bodies, including the Welsh Assembly Government. This includes information which has not been published. However, the law also allows us to withhold information in some circumstances. If anyone asks to see information we have withheld, we will have to decide whether to release it or not. If someone has asked for their name and address not to be published, that is an important fact we would take into account. However, there might sometimes be important reasons why we would have to reveal someone's name and address, even though they have asked for them not to be published. We would get in touch with the person and ask their views before we finally decided to reveal the information.

Updated replacement for the Education (Specified Work and Registration) (Wales) Regulations 2004

What are the main issues?

1.1 The Welsh Assembly Government is consulting on proposals for an updated replacement for the Education (Specified Work and Registration) (Wales) Regulations 2004 (“the 2004 Regulations”).

1.2 The principal changes proposed are alterations to the list of persons who are not qualified teachers but who may carry out ‘specified work’ (i.e. teach). These changes would see some redundant categories of persons deleted, and two new categories added to the list in order to clarify their position: trainees on initial teacher training courses leading to Qualified Teacher Status, and qualified Further Education (FE) teachers delivering vocational courses in maintained schools within the local curriculum under the Learning and Skills (Wales) Measure 2009.

1.3 There are also some miscellaneous changes and updating to the 2004 Regulations generally.

Where are we now?

2.1 The 2004 Regulations set out the respective roles of teachers and other staff in schools in relation to the carrying out of ‘specified work’ related to teaching and learning, and specify circumstances under which certain kinds of staff may undertake specified work. The 2004 Regulations define the following activities as specified work in Regulation 6:

- a. Planning and preparing lessons and courses for pupils.
- b. Delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques.
- c. Assessing the development, progress and attainment of pupils.
- d. Reporting on the development, progress and attainment of pupils.

In this list, ‘pupils’ includes work with individual pupils as well as groups and whole classes.

2.2 There are, broadly, three groups of people that may carry out the specified work set out in the 2004 Regulations. They are:

- i. **Qualified Teachers** – These are teachers who meet the requirements of the Education (School Teachers’ Qualifications) (Wales) Regulations 2004, as amended.
- ii. **Other Teachers** – Categories of persons who are not qualified teachers but who meet designated requirements and are able to carry out specified work in a school on the same basis as qualified teachers.
- iii. **Other persons** who carry out specified work providing it is to assist or support the work of a teacher in group (i) or (ii) in the school, and providing they are subject to the direction and supervision of that teacher.

Full details are in annex 1.

2.3 The 2004 Regulations also provide for qualified teachers carrying out specified work in maintained schools to be registered with the General Teaching Council for Wales.

2.4 A copy of the 2004 Regulations may be seen at http://www.opsi.gov.uk/legislation/wales/wsi2004/wsi_20041744_mi.pdf

Why are we proposing change?

3.1 We would like to introduce two new categories to the list of people in the 'other teachers' group who can carry out 'specified work':

- a. trainees on initial teacher training (ITT) courses: at the moment there is not a clear, separate, category for ITT trainees undertaking the practical teaching experience element of those courses. We would like to highlight trainees on ITT courses as a separate group in the replacement for the 2004 Regulations so that everyone is clear what they may do.
- b. qualified FE teachers delivering vocational courses in maintained schools within the local curriculum under the Learning and Skills (Wales) Measure 2009: some teaching of vocational courses in the local curricula under the Learning and Skills (Wales) Measure 2009 which might have been organised as FE college-based teaching could be delivered to 14-19 year olds in maintained schools. But at present the 2004 Regulations do not allow FE teachers to teach (i.e. undertake 'specified work') on a general basis on a maintained school's premises.

Some FE teachers may be able to carry out specified work under the 'instructor with special qualifications or experience' category (see paragraph (ii)(b) of annex 1). However, because of the restrictions on that category (instructors can only be appointed if no suitable qualified teachers or teachers on the employment-based teacher training scheme are available for such appointment, and can only continue for so long as that situation lasts), they probably could not do this on a sufficiently general basis to allow it as a matter of course in all situations.

We would like to add a category to the 'other teachers' list which would more clearly allow FE teachers to deliver vocational courses in maintained schools within the local curriculum under the Learning and Skills (Wales) Measure 2009.

3.2 The categories of people in the 'other teachers' group includes some which are now redundant. We are proposing to remove these so that the legislation is clearer.

3.3 A number of detailed changes are also being proposed to update and clarify the legislation.

What specific changes are we proposing?

4.1 The main changes are:

- a. An addition to the wording used in regulation 5 of the 2004 Regulations so that where any paragraph in Schedule 2 allows a person to carry out specified work for a designated period of time, that period is extended to take account of any period when the person is absent from work because of maternity leave, parental leave, paternity leave, adoption leave or pregnancy.
- b. The addition of trainees on initial teacher training (ITT) courses to the list of people in the 'other teachers' group who can carry out 'specified work'.
- c. The addition of qualified FE teachers delivering vocational courses within the local curriculum under the Learning and Skills (Wales) Measure 2009 in maintained schools to the list of people in the 'other teachers' group who can carry out 'specified work'.

4.2 There are also a variety of detailed changes being proposed to bring necessary updates into the legislation and to clarify its wording. A full list of all the changes which are in the draft 2010 Regulations compared with the existing 2004 Regulations is at annex 3.

4.3 Although large parts of the measures introduced in the 2004 Regulations would remain in place, we are proposing to replace the 2004 Regulations completely with a new set of Regulations for ease of use. This will avoid complications in trying to establish which parts of the legislation are current. The full text of the draft legislation is attached at annex 2.

Annex 1

The Education (Specified Work and Registration) (Wales) Regulations 2004: people who may carry out ‘specified work’ at present

There are, broadly, three groups of people that may carry out the specified work set out in the 2004 Regulations. They are:

- i. **Qualified Teachers** (Regulation 5(a)) – these are teachers who meet the requirements of the Education (School Teachers’ Qualifications) (Wales) Regulations 2004, as amended. This covers those who have gained Qualified Teacher Status following completion of an initial teacher training course, as well as certain others such as teachers who have qualified in EU member states, Iceland, Norway, Liechtenstein and Switzerland.

A copy of the Education (School Teachers’ Qualifications) (Wales) Regulations 2004 can be seen at

http://www.opsi.gov.uk/legislation/wales/wsi2004/wsi_20041744_mi.pdf

These regulations have been amended by:

- the Education (Amendments to Regulations regarding the Recognition of Professional Qualifications) (Wales) Regulations 2007 – available at http://www.opsi.gov.uk/legislation/wales/wsi2007/pdf/wsi_20072811_mi.pdf
and
 - The Education (School Teachers’ Qualifications) (Amendment) (Wales) Regulations 2008 – available at http://www.opsi.gov.uk/legislation/wales/wsi2008/pdf/wsi_20080215_mi.pdf;
- ii. Other Teachers (Schedule 2, paragraphs 2-7) – the following groups of persons who are not qualified teachers are able to carry out specified work in a school on the same basis as qualified teachers. Those in sub-categories (b)-(f) below may be nominated by the head teacher as a “nominated teacher” to receive assistance or support from persons in category (iii) below and to direct and supervise them:
 - a. **Unqualified teachers in nursery classes and at nursery schools** who were permitted to be employed as a teacher by the Education (Teachers) Regulations 1982 and who were so employed immediately before 1 September 1989.
 - b. **Instructors with special qualifications or experience.** An instructor may carry out the ‘specified work’ in a school provided that the local authority or Governing Body for the school to which they are appointed is satisfied that they have the relevant qualifications or experience or both. This means that the body which normally appoints staff in the relevant school, either the local authority or Governing Body, makes the necessary judgement as to the instructor’s qualifications and experience. An

instructor may only be appointed to teach if there is no qualified teacher, trainee on the Graduate Teacher Programme, Registered Teacher Programme or the employment based teacher training scheme available for that appointment; and they can undertake specified work only for so long as that situation persists.

- c. **Overseas Trained Teachers** who have successfully completed a programme of professional training for teachers in any country outside the United Kingdom and which is recognised as such a programme of training by the competent authority in that country. Such teachers may only teach under this category for a maximum period of two years.
 - d. **Graduate teachers** who are trainees with an authorisation to teach on the Graduate Teacher Programme issued before 1 September 2004.
 - e. **Registered teachers** who are trainees with an authorisation to teach on the Registered Teacher Programme issued before 1 September 2004.
 - f. **Employment based teacher training scheme trainees** who are undertaking training for the purposes of the scheme. The employment based teacher training scheme was introduced in 2006 under provisions in the Education (School Teachers' Qualifications) (Wales) Regulations 2004 and enables a person to train to be a teacher whilst employed in a school. This scheme includes the already established Graduate Teacher Programme and Registered Teacher Programme.
- iii. **Other persons** who may carry out specified work (Schedule 2, paragraph 8). Persons in this category may undertake the 'specified work' subject to a number of conditions:
- They must carry out the 'specified work' in order to assist or support the work of a qualified or nominated teacher in the school.
 - They must be subject to the direction and supervision of a qualified or nominated teacher in accordance with arrangements made by the head teacher of the school.
 - The head teacher must be satisfied that they have the skills, expertise and experience required to carry out the 'specified work'.

These persons will usually be support staff such as teaching assistants, nursery nurses, librarians and other staff in schools such as technical support staff, but could also include, for example, business persons or members of the emergency services, who may from time to time engage with learners.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations specify work that may be carried out in schools by qualified teachers and persons who satisfy specified requirements. The requirements to be satisfied are specified in Schedule 2.

The Education (Specified Work and Registration) (Wales) Regulations 2004 are revoked.

Schedule 2 to these Regulations provides for most of those persons who were mentioned in Schedule 2 to the Education (Specified Work and Registration) (Wales) Regulations 2004 to carry out specified work in schools, in the same circumstances as previously. Some requirements which no longer apply have been removed and new categories of persons who satisfy particular requirements have been included. Those persons now include trainees on initial teacher training courses leading to qualified teacher status and further education teachers delivering courses within the local curriculum as set out in the Learning and Skills (Wales) Measure 2009. Paragraph 8 of Schedule 2 to these Regulations provides for other persons to carry out specified work in schools if the conditions mentioned in that paragraph are satisfied.

These Regulations also provide for qualified teachers carrying out specified work in schools to be registered with the General Teaching Council for Wales.

(3) Head teachers may, if they consider the nomination appropriate in the circumstances, nominate persons who are mentioned in paragraphs 3, 4, 5, 6 or 7 of this Schedule as nominated teachers for the purpose of sub-paragraph (2).

(4) In determining whether the persons mentioned in sub-paragraph (1) have the skills, expertise and experience required to carry out work specified in regulation 7 in a school, head teachers may have regard to—

- (a) such standards for higher-level teaching assistants, or guidance concerning school support staff, as may be published from time to time by the Welsh Ministers; and
- (b) such guidance as to contractual matters relating to school support staff as may be published from time to time by any local authority or other employer.

Annex 3

The draft Education (Specified Work and Registration) (Wales) Regulations 2010

List of changes made from the current Education (Specified Work and Registration) (Wales) Regulations 2004

Regulation 4 –

- (i) Definition of “the 1996 Act” is inserted to cover references to the Employment Rights Act 1996 in regulation 6 of the draft 2010 Regulations.
- (ii) Definition of “the 1993 Regulations” is deleted as it is no longer needed – references to these Regulations only occur in the savings and transitional provisions part of Schedule 1 in the 2004 Regulations, which we are not proposing to carry forward.
- (iii) Definition of “the 1999 Regulations” is deleted as it is no longer needed – it is only used in reference in the 2004 Regulations to “Graduate teachers” and “Registered teachers” who were trainees with an authorisation to teach on the Graduate Teacher Programme (GTP) or the Registered Teacher Programme (RTP) issued before 1 September 2004. These categories and their references are proposed to be deleted as redundant; they referred to people who would have been undertaking the GTP or RTP before the introduction of the employment based teacher training scheme, and there are no trainees now who fall into this category.
- (iv) Definition of “the 2002 Regulations” is inserted to cover references to the Further Education Teachers’ Qualifications (Wales) Regulations 2002.
- (v) Definition of “the 2004 Regulations” is inserted to cover references to the Education (School Teachers’ Qualifications) (Wales) Regulations 2004.
- (vi) Definition of “the National Assembly” is deleted as it is no longer needed.

Regulation 5 –

- (vii) Regulation 5(1)(b) – a replacement for old Regulation 5(b) – now refers to “the requirements specified in at least one of the paragraphs in Schedule 2” rather than the existing 2004 Regulations wording “the requirements specified in Schedule 2”. This change is aimed at making it clearer that a person who is not a qualified teacher can undertake specified work if they meet the definition of one of the categories of teachers set out there.

Regulation 6 –

- (viii) A new regulation has been inserted which would have the effect that where any paragraph in Schedule 2 allows a person to carry out specified work for a designated period of time, that period shall be extended to take account of any

period when the person is absent from work because of the exercise of their rights to maternity leave, parental leave, paternity leave, adoption leave or pregnancy. In relation to maternity, parental, paternity and adoption leave, this covers provisions conferred by the Employment Rights Act 1996, as amended (in particular, by amendments introduced by the Work and Families Act 2006).

Schedule 1, Part 2 –

(ix) Paragraph 2 of Part 2 of Schedule 1 in the draft 2010 Regulations (old paragraph 1(2) in the 2004 Regulations) now refers to the Welsh Ministers rather than the National Assembly to take account of the changes made by the Government of Wales Act 2006.

(x) Paragraphs 2, 3 and 4 of Part 2 of Schedule 1 to the 2004 Regulations are omitted from the draft 2010 Regulations. Paragraph 2 is a redundant provision. Paragraphs 3 and 4 are not carried forward as references to “Graduate teachers” and “Registered teachers” are no longer needed (see paragraph (iii) above).

Schedule 2, paragraph 1 –

(xi) Definition of “accredited institution” is inserted to go with the new provision covering ITT trainees in Schedule 2, paragraph 5. This covers England as well as Wales as some schools in Wales accommodate trainees from England.

(xii) The definition of “employment-based teacher training scheme” no longer refers to “the Education (School Teachers' Qualifications) (Wales) Regulations 2004” in full as the full title of these Regulations is now defined in regulation 4.

(xiii) Definitions of “Graduate teachers” and “Registered teachers” are deleted as they are no longer needed (see paragraph (iii) above).

Schedule 2, paragraph 2 –

(xiv) This paragraph is unchanged compared with the current 2004 Regulations version, but the header now refers to “Existing teachers of nursery classes and at nursery schools who are not qualified teachers”, rather than ‘unqualified teachers’. This follows the approach elsewhere in both the current 2004 Regulations and the draft 2010 Regulations and is aimed at being clear that someone who is not a ‘qualified teacher’, as defined in the Regulations, is not necessarily someone without qualifications.

Schedule 2, paragraph 3 (Persons with special qualifications or special experience) –

(xv) The header now refers to “Persons” rather than “Instructors” with special qualifications or special experience in order to make it clearer that this category does not relate only to those holding particular jobs or grades. References to “instruction” throughout this paragraph have been taken out.

(xvi) In paragraph 3(2), a new sub-paragraph (c) is added so that in respect of the delivery of vocational courses of study forming a part or the whole of a local curriculum, persons with special qualifications or special experience may only be appointed where no suitable person who holds required FE qualifications is available. Similarly, in 3(3) additional wording is added so that any such appointment can only continue for as long as no suitable person who holds required FE qualifications is available.

(xvii) In paragraphs 3(2)(b) and 3(3), the references to “graduate teachers” and “registered teachers” are omitted as no longer necessary (see paragraph (iii) above).

Schedule 2, paragraph 4 (Overseas Trained Teachers) –

(xviii) This paragraph follows the existing provision except that:

- Paragraph 4(1) now uses the ‘This paragraph applies’ formulation used elsewhere in Schedule 2.
- The reference to the old 1999 Regulations in paragraph 4(2) has been dropped as this is now redundant.

Schedule 2, old paragraphs 5 and 6 (Graduate teachers and Registered teachers) –

(xix) Both the “Graduate teachers” and “Registered teachers” paragraphs have been deleted as no longer needed (see paragraph (iii) above).

Schedule 2, paragraph 5 (Trainees on initial teacher training courses) –

(xx) This is one of the new categories of people who we are proposing to add to the list of people in the ‘other teachers’ group who can carry out ‘specified work’. This specifically covers trainees on initial teacher training (ITT) courses who are undertaking the practical teaching experience element of those courses, in the following way:

- The proposed wording covers all those who are on courses at accredited ITT providers in Wales.
- It also covers those who are on courses at accredited ITT providers in England, as some schools in Wales provide placements for students at English institutions.
- Coverage of accredited ITT providers in England includes those operating school-centred initial teacher training (SCITT); some SCITT consortia run on the English/Welsh border and may use Welsh schools as part of their programmes.
- We are proposing that trainees would be included in the categories which may be nominated by the head teacher as a “nominated teacher”. This means that if they are so nominated they can receive assistance or support from persons in the ‘other persons’ category (see paragraph (iii) of Annex 1), and are able to direct and supervise them.

- the proposed wording does not include those on the employment-based teacher training scheme, who are covered in a separate category in Schedule 2, paragraph 7.

Schedule 2, paragraph 6 (Qualified FE teachers teaching vocational courses within the local curriculum) –

(xxi) This is one of the new categories of people who we are proposing to add to the list of people in the ‘other teachers’ group who can carry out ‘specified work’. This specifically covers further education (FE) teachers with FE qualifications required under the Further Education Teachers’ Qualifications (Wales) Regulations 2002 who are delivering vocational courses in maintained schools within the local curriculum under the Learning and Skills (Wales) Measure 2009, in the following way:

- The local curriculum is one which has been formed:-
 - By a local education authority under section 116A of the Education Act 2002, for 14 to 16 year olds (this was inserted by section 4 of the Learning and Skills (Wales) Measure 2009 and commenced on 7 December 2009 for certain purposes and on 1 January 2010 for the remaining purposes).
 - By the Welsh Ministers under section 33A of the Learning and Skills Act 2000 for 16 to 18 year olds (this was inserted by section 22 of the Learning and Skills (Wales) Measure 2009; at present it has not been commenced).
- The proposed wording would not allow these FE teachers to teach all pupils in maintained schools. It would allow them to undertake teaching work in maintained schools to deliver vocational courses within the local curriculum under the Learning and Skills (Wales) Measure 2009; in other words, to undertake aspects of FE teaching in relation to vocational courses within a maintained school.
- We are proposing that these FE teachers teaching in maintained schools to deliver vocational courses within the local curriculum under the Learning and Skills (Wales) Measure 2009 would be included in the categories which may be nominated by the head teacher as a “nominated teacher”. This would allow other persons to support their work whilst it was undertaken on a school’s premises. These need not be existing school support staff, and could be staff who undertake a support role in FE institutions. However, for consistency we think the head teacher should be required to make judgements on all nominations and on the skills, expertise and experience required to carry out specified work of the support staff.

Schedule 2, paragraph 7 (Employment-based teacher training scheme) –

(xxii) No change.

Schedule 2, paragraph 8 (Other persons who may carry out specified work) –

(xxiii) A reference to the Welsh Ministers is used rather than the National Assembly (see paragraph (ix) above). The ‘nominated teacher’ paragraph references are unchanged, but now include the two new categories of ITT trainees and qualified FE teachers.
