PROGRESS

- (1) Completed the effort on this investigation;
- (2) Submitted the draft of the final report; and
- (3) Received the time extension on the contract. The current expiration date is July 31, 1975.

NEXT PERIOD

During the next period, the Principal Investigator is expected to present the paper on "The Significance of the Skylab Altimeter Experiment - Results and Potential Applications", at the NASA Earth Resources Survey Symposium. The paper will also be prepared for publication in the Symposium proceedings.

TRAVEL PLANS

The Principal Investigator is expected to travel to Houston to attend the above Symposium.
