High Precision Micro Production Technologies - MS12 Handling concepts for all micro part demonstrators are available - DTU Orbit (08/11/2017)

General information
State: Published
Organisations: Department of Mechanical Engineering, Manufacturing Engineering, Sophion Bioscience A/S
Authors: Marhöfer, M. (Intern), Wilson, S. (Ekstern)
Number of pages: 20
Publication date: 2015

Publication information
Publisher: Hi-Micro project
Original language: English
Main Research Area: Technical/natural sciences

Bibliographical note
FP7-2012-NMP-ICT-FoF, Grant No.:314055

Relations
Projects:
