Quarterly Update for Jefferson Digital Commons: July – September 2013

The July-September 2013 quarter ends with a total of 8,233 assets, 1,565,650 downloads and 345 new assets added to the Jefferson Digital Commons. Currently, the most downloaded asset is the handout Obtaining Full-Text Articles When Searching PubMed with 163 downloads. View the complete quarterly inventory.

The JDC continues to grow. The two charts below show the growth in assets added and total downloads since December 2012.
Highlighted additions from the past quarter:
