Inert (Other) Ingredients in Pesticide Products

Bibliography

This bibliography is provided as a service to our readers. It is compiled from the entries in the BCERF Environmental Risk Factors Bibliographic Database.

This bibliography is arranged topically. The topics include:

- Environmental Protection Agency (EPA)
  - Definitions
  - Categorized Lists of Inert Ingredients (by level of toxicity)
  - Strategy for Assessing the Risk and Regulating Inert Ingredients
  - Information on the Pesticide Registration Process
  - Pesticide Program Dialogue Committee and Inert Disclosure Workgroup Documents
- Office of the New York State Attorney General
  - Documents on Inert Ingredients
- Environmental Groups
  - Documents on Inert Ingredients
- Commentaries on Inert Ingredients, Risk, Regulation and Policy

Environmental Protection Agency (EPA)
Definitions

Categorized Lists of Inert Ingredients (by level of toxicity)

Strategy for Assessing the Risk and Regulating Inert Ingredients

Information on the Pesticide Registration Process

Pesticide Program Dialogue Committee and Inert Disclosure Workgroup Documents

Office of the New York State Attorney General

Documents on Inert Ingredients

United States Virgin Islands and Wisconsin requesting that the United States Environmental Protection Agency amend its rules governing the disclosure of "inert" ingredients on pesticide labels to require the disclosure of ingredients for which federal determinations of hazard have already been made, August 1, 2006 (pdf of petition available at http://www.oag.state.ny.us/press/2006/0aug/aug1a_06.html, cited 5/16/07) (Office of the New York State Attorney General), pp. 1-43.

Environmental Groups

Documents on Inert Ingredients

Commentaries on Inert Ingredients, Risk, Regulation and Policy

Prepared by Laschelle Dana-Marie Stewart, student research assistant, and Suzanne M. Snedeker, Ph.D., Associate Director for Translational Research.

We will make every effort to update this bibliography. If you have comments on this bibliography, or have a suggestion of a reference you would like us to review for inclusion in the bibliography, please send this information via email to: breastcancer@cornell.edu
