**Jane Chapman is a historian who trained at University College London, Cambridge and LSE, and has worked as a media industry executive before returning to academic research into the history of communications. She is the author of 6 books and numerous articles, and specialises in France and India. She is Principle Investigator for an ESRC funded project 'Women, Press and Protest in British & French India, 1928-48' that explores the interface of economics and ideology and the relationship with the heritage of citizenship.**
