### LIBRARY TO BE NAMED IN HONOR OF DR. PFAU

By unanimous approval of the CSU Board of Trustees Wednesday, the college Library will be named in honor of Dr. John M. Pfau. For President Pfau, the trustees waived a policy that requires a building not be named

until one year after the honoree's retirement. The action also marks the first time a building on this campus has been named for an individual.

The naming of the library was first proposed by the Associated Students, then supported by the Faculty Senate and the Alumni Association. A formal announcement will be made at the Friday, June 4 dinner honoring President Pfau, who is retiring in July after 20 years as president of Cal State, San Bernardino. Late reservations for the dinner will be accepted through Wednesday, June 2 by the office of the vice president for administration, Ext. 7411.

Faculty members escorting the graduates, faculty and platform party will be Dr. Judith Rymer (Education), faculty marshal; Dr. John Chaney (Administration), student marshal; and Dr. William Slout (Theatre Arts), college marshal.

The invocation and benediction this year will be given by Maura O'Neill, chaplain with the Newman Center in San Bernardino. In addition to conferring of degrees, Dr. Pfau will present the college's outstanding professor award to Dr. Frederick Newton (Psychology).

The Alumni Assn. again has arranged for a commercial photographer to take pictures of all graduates receiving their diplomas from President Pfau. Following the ceremony, everyone is invited to the traditional reception in the gymnasium.

## BLUE CROSS/BLUE SHIELD: KNOWN AND UNKNOWN

The Personnel Office has provided a summary of the current status of Blue Cross/Blue Shield insurance coverage. First of all, the company has terminated its present health benefits plan with the State of California as of July 31. Blue Cross/Blue Shield also has submitted and the State of California has accepted a new plan, effective Aug. 1.

It has not been determined whether there will be a June 15 open enrollment period, but at the present time this possibility seems unlikely. The open enrollment period probably will not be held until September. Also not known at the present is whether employees covered under the old plan automatically will be covered under the new plan.

Because of the unknowns, employees with Blue Cross/Blue Shield coverage are urged to inform George Brundrett (Personnel) if they are going to be out of the area in June or the first part of July.
