

African Development Review - Author Guidelines

Information for Contributors

The *African Development Review* is interested in publishing papers, research notes and book reviews on development issues in Africa. The journal focuses on quality policy-oriented papers. Articles submitted should not be under consideration elsewhere. Manuscripts will be sent anonymously to at least two referees.

NEW: Online production tracking is now available through Blackwell's Author Services.

Author Services enable authors to track their articles - once accepted - through the production process to publication online and in print. Authors can check the status of their articles online and choose to receive automated e-mails at key stages of production. The author will receive an e-mail with a unique link that enables them to register and have their article automatically added to the system. Please ensure that a complete e-mail address is provided when submitting the manuscript. Visit www.blackwellpublishing.com/bauthor for more details on online production tracking and for a wealth of resources including FAQs and tips on article preparation, submission and more.

Preparation and submission of manuscripts

1. Manuscripts should be submitted, double spaced throughout and typed clearly on one side of the paper only at <http://mc.manuscriptcentral.com/adrev>. Authors will be able to track the status of their papers online.
2. Papers should be no more than 7,000 words. There are no submission fees.
3. The paper must be preceded by an abstract of no more than 200 words which should be submitted in English or French, and should state, in condensed form, the contribution made by the paper.
4. No more than 3 levels of headings should be used. Footnotes are to be avoided and should take the form of endnotes listed prior to the references. The Harvard style of referencing is used (author's name and date of publication bracketed in the text) and all works cited should be listed alphabetically by the author after the main body of the text, style as follows:

Bosrup, E. (1981), "Populations and Technological Change", University of Chicago Press, Chicago, USA.

Cohen, J. (1980), "Land Tenure and Rural Development in Africa", in *Agricultural Development in Africa*, R. Bates and M. Lofchie (eds), Praeger, New York, USA.

Nissanke, M. and Thorbecke, E. (2008), "Introduction: Globalization-Poverty Channels and Case Studies from Sub-Saharan Africa", *African Development Review*, Vol. 20, No.1, April, 1-19.

Venables, A. J. (2009), "Rethinking Growth in a Globalizing World: an Economic Geography Lens", *African Development Review*, Vol. 21, No.2, September, 331-351.

Tables and artwork

All tables and figures should be included within the text. Figures should be supplied as high quality, original artwork and any lettering or linework should be able to sustain reduction to the final size of reproduction. Tints and complex shading should be avoided.

Copyright

The contribution of the author(s) should be completely original, it should in no way violate any existing copyright, and it should contain nothing of a libelous or scandalous nature.

Exclusive License Form

Authors will be required to sign an Exclusive License Form (ELF) for all papers accepted for publication. Signature of the ELF is a condition of publication and papers will not be passed to the publisher for production unless a signed form has been received. Please note that signature of the Exclusive License Form does not affect ownership of copyright in the material. (Government employees need to complete the Author Warranty sections, although copyright in such cases does not need to be assigned). After submission, authors will retain the right to publish their paper in various media/circumstances (please see the form for further details). To assist authors an appropriate form will be supplied by the editorial office. Alternatively, authors may like to download a copy of the form online at http://www.blackwellpublishing.com/pdf/AFDR_CAF.pdf.
