The thirteenth annual Utah Winter Finance Conference will be held February 6 to 8, 2003. The opening reception begins Wednesday evening, February 5th. You are cordially invited to submit papers on any topic in financial economics for the 2003 Utah WFC. Four copies of the paper should be sent to the address listed below. Each paper will be reviewed by at least two members of our program committee. The deadline for paper submission is SEPTEMBER 1, 2002. Because of the growing popularity of the Utah Winter Finance Conference, space is limited for audience participants. Our policy is to give first priority to program participants and second priority to previous years participants. To potentially reserve a place in the 2003 conference for previous participants, we must receive your \$250 conference fee before December 15, 2002. After that date, participation at the conference will be available to people on our waiting list, given available space. We hope to accommodate as many interested participants as possible, while preserving a highly successful format. We look forward to seeing you at the Thirteenth Annual Utah Winter Finance Conference.
