The 13th European Workshop on General Equilibrium Theory will be held at Venice International University on June 19 - June 21 , 2004. The organizers are soliciting papers on General Equilibrium Theory and its applications as well as on neighbouring fields. Young researchers, in particular, are encouraged to present their work. Participation in the workshop is not limited to researchers based in Europe. Accommodation costs will be covered for those people whose papers are accepted. The deadline for paper submissions is March 1, 2004. Papers and, in exceptional cases, extended abstracts should be submitted by email (pdf or ps) before March 1, 2004 to the following address: get04@univiu.org Hardcopies will also be considered if received by the deadline. Please mail them to: Piero Gottardi Dipartimento di Scienze Economiche Fond.ta S. Giobbe, Cannaregio 873 30121 Venezia, Italy We hope that you will be able to attend. Please mention the workshop to your colleagues who could be interested. The workshop's web site is: <http://www.viu.unive.it/get> (Note: within the next few weeks the site's address will change to the following one: <http://www.univiu.org/get>)
