EEFS2009 European Economics and Finance Society Call for papers The eighth Annual EEFS Conference, will be held in Warsaw, Poland on 4th - 7th June 2009 hosted by the Faculty of Economics Sciences in the University of Warsaw, The theme of the Conference will be: "Current Challenges in the Global Economy: Prospects and Policy Reforms" The Conference will focus on changes in the global economy and the European Integration process. Papers are solicited in areas such as: - Analysis of Financial Markets - International Trade and General Equilibrium - Labour Economics - Macroeconomic Issues and Policy - Growth and Development - European Integration - International Monetary Economics - Economics of Transition - World Integration - Economic Geography - Spatial Economics - Regional Economics and Policy - Industrial Economics and Organisation - New Political Economy - Public Economics After the conference, participants will have the opportunity to submit their papers to several established journals that will publish peer-reviewed special issues of EEFS conference submissions. Paper Submission Abstracts of papers and/or session proposals should be submitted electronically by January 30th , 2009 to the scientific committee of the conference as attachments (doc or pdf format) at the following email address: eefs@eap.gr Abstracts of no more than 200 words should contain JEL classification codes. The authors' full name, affiliation, address, phone/fax, and e-mail for correspondence should also be indicated. An entire paper may be submitted, when available, but it must include an abstract. All abstract submissions and paper submissions should be accompanied by a properly filled-in excel file (see attached file "authors form.xls"), which should be submitted after having been renamed according to the corresponding author's last name (e.g. "Brown.xls"). Changes of contact details, author names, etc., should be submitted via this excel form as well. No submissions will be valid if they are not accompanied by the excel form. Proposals for complete sessions are also encouraged. Each session should be made up of three papers. In the submitted proposals, session organizers should also submit one excel file (see above) for each paper of the session. We welcome theoretical, empirical and policy-oriented papers. Participants are expected to serve as programme chairs at the Conference sessions. Paper acceptances will be sent by February 28th.
