For further information contact : Martin Ryan, UCD, martin.ryan@ucd.ie

Web Page : <http://sites.google.com/site/isne2009/>

The conference is intended to provide a forum for new economists in post-graduate research programs or the private/public sector. Applicants are invited to present papers from any area of economics. This forum is intended for anybody in the early stages of research - eligibility to present has nothing to do with age. We strongly encourage those working on economics-related research in all settings to present.
