Government Spending In The Context Of The Developing Country Paradigm in Jamaica

Peter W Jones

Economic Development Institute Jamaica(EDIJ), Janus International Development agency(JIDA)

Abstract

There has been much discourse in the public media about the quality of and effectiveness of government spending in Jamaica. However to put in context and do a comparative analysis should serve to highlight critical discourse analysis and thinking rather than speaking to hyperbolic political diatribe furthermore it will also serve to promote Real Time Thinking (RTT).
