Giancarlo Corsetti

(Ph.D. Yale, 1992) is Pierre Werner Chair and Professor of Economics at the European University Institute of Florence, on leave from the University of Rome III. He has taught at the Universities of Rome, Yale and Bologna. He is

co-director of the Pierre Werner Chair Programme on Monetary Unions at the Robert Schuman Center. He is a fellow of CESifo and CEPR, and has been a regular visiting professor at the Bank of Italy, the European Central Bank, the Federal Reserve Bank of New York and the International Monetary Fund. His main field of interest is international economics and policy analysis. His articles have appeared in the *Brookings Papers on Economic Activity*, *Economic Policy*, *European Economic Review*, *Journal of International Economics*, *Journal of Monetary Economics*, *Quarterly Journal of Economics*, and the *Review of Economic Studies*, among others. His contributions include general equilibrium models of the international transmission for the analysis of optimal monetary policy; studies of the European currency turmoil in 1992–93 and the currency and financial crises in South East Asia; and models of the fiscal and financial roots of exchange rate instability. On EMU-related issues, he has contributed a critique of the Treaty of Maastricht and an analysis of the launch of the euro. He is currently co-editor of the *Journal of International Economics*.

Michael P. Devereux
(PhD University College London, 1990) is a Professor of the University of Oxford, and Director of the Oxford University Centre for Business Taxation. He is a Research Fellow of the Institute for Fiscal Studies and the Centre for Economic

Policy Research. Prior to Oxford, he was Professor and Chair of Economics Departments at the Universities of Warwick and Keele. He is Editor-in-Chief of International Tax and Public Finance and Associate Editor of Economics Bulletin. He is Research Director of the European Tax Policy Forum. He has been closely involved in international tax policy issues in Europe and elsewhere, working with the OECD's Committee of Fiscal Affairs, the European Commission and the IMF. His current research interests are mainly concerned with the impact of different forms of taxation on the behaviour of business – for example, the impact of taxation on corporate investment and financial policy and the location decisions of multinationals – and the impact of such behaviour on economic welfare. He has published widely in a range of academic journals.

Gilles Saint-Paul
(Ph.D. Massachusetts Institute of Technology, 1990) is Professor of Economics at the University of Toulouse, GREMAQ-IDEI. He was researcher at DELTA and CERAS, Paris, 1990–1997, and professor at Universitat Pompeu Fabra, Barcelona,

1997–2000. He has held visiting professorships at CEMFI, Madrid, IIES, Stockholm, UCLA and MIT. He has been a consultant for the IMF, the World Bank, the European Commission, and the British, Portuguese, Spanish and Swedish governments. He is a fellow of CESifo and IZA and a Programme Director of the Centre for Economic Policy Research in London. He is also a fellow of the European Economic Association, and a member of the Conseil d'Analyse Economique, the main economic advisory board to the French prime minister. In 2007, he was awarded the Yrjö Jahnsson medal to the best European economist below 45 years of age by the European Economic Association. His research interests are economic growth, income distribution, political economy, labour markets, unemployment, and fiscal policy. Selected publications include “Knowledge hierarchies in the labor market”, forthcoming, *Journal of Economic Theory* (2007), “Some evolutionary foundations for price level rigidity”, *American Economic Review* (2005); “The Political Economy of Employment Protection”, *Journal of Political Economy* (2002); *The Political Economy of Labour Market Institutions* (Oxford University Press, 2000); *Dual Labor Markets. A Macroeconomic Perspective* (MIT Press, 1996).

Hans-Werner Sinn

Hans-Werner Sinn is Professor of Economics and Public Finance at the University of Munich (LMU), President of the CESifo Group and President of the International Institute of Public Finance (IIPF). Sinn has been a member of the

Council of Economic Advisors to the German Ministry of Economics since 1989. From 1997 to 2000 he was president of the German Economic Association (Verein für Socialpolitik). He holds an honorary doctorate from the University of Magdeburg (1999) and an honorary professorship from the University of Vienna (1989). He taught at the University of Western Ontario, Canada, and held visiting fellowships at the University of Bergen, the London School of Economics, Stanford University, Princeton University, Hebrew University and Oslo University. He received the first prizes of Mannheim University for his dissertation and habilitation theses as well a number of other prizes and awards from various institutions including the international Corinne Award for his book “Can Germany be Saved”, which has sold more copies than any other scientific monograph on economic policy in Germany in the last 100 years. In 2005 he was awarded the Officer’s Cross of the Order of Merit of the Federal Republic of Germany. In 1999 he gave the Yrjö Jahnsson Lectures, in 2000 the Stevenson Lectures, in 2004 the Tinbergen Lectures, in 2005 the World Economy Annual Lecture at the University of Nottingham and in 2007 the Thünen Lecture. Sinn has published in the American Economic Review, the Quarterly Journal of Economics, the European Economic Review, the Journal of Public Economics and many other international journals, covering a wide range of fields and topics. He has published 11 monographs with 26 editions in six languages. They include titles such as Economic Decisions under Uncertainty, Capital Income Taxation and Resource Allocation, Jumpstart – The Economic Unification of Germany, and, most recently, The New Systems Competition.

Jan-Egbert Sturm

(Ph.D. University of Groningen, 1997) is Professor of Applied Macroeconomics as well as Director of the KOF Swiss Economic Institute at the ETH Zurich. He was researcher at the University of Groningen, The Netherlands, until

2001, and taught as Visiting Professor at the School of Business, Bond University, Gold Coast, Australia, 2000 and 2005. As Head of the Department for Economic Forecasting and Financial Markets at the Ifo Institute for Economic Research, he was also Professor of Economics at the University of Munich (LMU) at the Center for Economic Studies (CES), 2001–2003. He held the Chair of Monetary Economics in Open Economies at the University of Konstanz, Germany, which was coupled with the position of Director of the Thurgau Institute of Economics (TWI) in Kreuzlingen, Switzerland, 2003–2005. In his research, Jan-Egbert Sturm relies heavily on empirical methods and statistics, concentrating on monetary economics, macroeconomics as well as political economy. His applied studies have focused on, for example, economic growth and central bank policy. He has published several books, contributed articles to various anthologies and international journals like Applied Economics, Economics & Politics, Empirica, Empirical Economics, European Journal of Political Economy, German Economic Review, Journal of Banking and Finance, Journal of Economic Surveys, Journal of Macroeconomics, Kredit und Kapital, Kyklos, Public Choice, and Scandinavian Journal of Economics. Jan-Egbert Sturm headed the Ifo research team at the Joint Analysis of the Six Leading German Economic Research Institutes, 2001–2003. Since 2001 he has been member of the CESifo Research Network and since 2003 Research Professor at the Ifo Institute. In 2006 he was appointed member of the User Advisory Council of the Ifo Institute. At the beginning of 2007, he became President of the Centre for International Research on Economic Tendency Surveys (CIRET).
