a. Includes negotiable certificates of deposit.

b. Includes items payable in foreign currencies. Includes portions of liabilities to non-banks payable in foreign currencies.

c. Included in total but distribution among categories of liquid claims cannot be identified.

d. There was an important change in coverage of the official statistics in 1971: (a) liabilities of U.S. banks to their foreign branches and those liabilities of U.S. agencies and branches of foreign banks to their head offices and foreign branches, which were previously reported as deposits, are included in "Other Short-Term Liabilities"; (b) certain accounts previously classified as "Official Institutions" are included in "Banks"; and (c) a number of reporting banks are included in the series for the first time.
