

Serving Current and Emerging Business Strategies: SUSTA (Southern United States Trade Association)

Scott Hansen

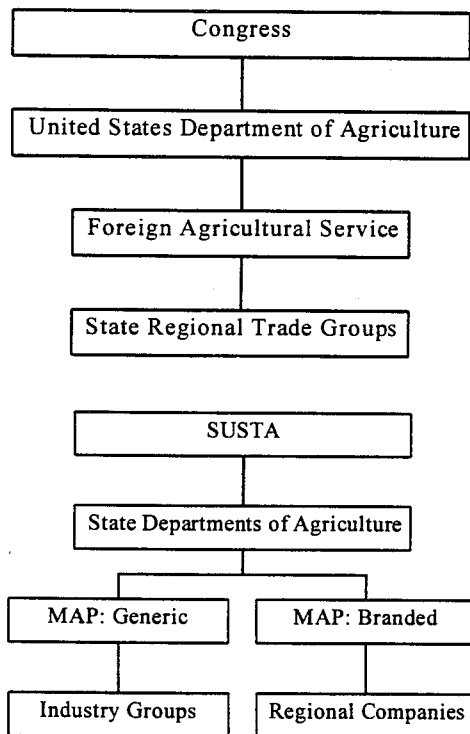

Mission Statement

The SUSTA mission is to increase the export of southern U.S. food and agricultural products in order to enhance the economic well-being of the region.

SUSTA States

Alabama	Oklahoma
Florida	South Carolina
Georgia	Tennessee
Kentucky	Texas
Louisiana	Virginia
Maryland	West Virginia
Mississippi	also including
North Carolina	Puerto Rico

SUSTA Relationships

SUSTA Services

Acts as a liaison between the federal and state governments and private industry to foster U.S. agricultural exports.

Administers FAS export development programs

- * Market Access Program (MAP)
- * Foreign Market Development Program (FMD)

Stimulates awareness of and demand for high-value food and agricultural products

- * Market Research
- * Trade Seminars
- * Trade Shows
- * Promotions (consumer and trade)
- * Trade Missions/Reverse Trade Missions

Provides information to SUSTA regional companies

- * FAS product marketing reports
- * FAS export statistics
- * Newsletter insight
- * Education and outreach programs
- * Trade leads, contacts, and export market info
- * Trade show and exporter database

Market Access Program (MAP)

Created by the Federal Agricultural Improvement and Reform Act of 1996 (FAIR)

- * Renames the Market Promotion Program (MPP) to better reflect program goals.
- * Administered by FAS and SUSTA.
- * Caps expenditures at \$90 million annually
- * Focuses on small businesses, farmer-owned cooperatives, and nonprofit export promotion associations, such as SUSTA

Scott Hansen is Executive Director of the Southern U.S. Trade Association, a nonprofit agricultural development association.
