The author would like to thank Professor Barry Simon for pointing out an error in Lemma (III.1) on page 255 in the above article. This implies that there is a gap in Theorem (III.1) on page 257. A similar error occurs in the announcement of the result which appeared in the Journal of Mathematical Physics vol. 6 (1982) 917. A correct bound is given in an article by Hundertmark and Simon in JAT vol. 118 (2002) 106–130.
