Erratum to: “φ production in Pb–Pb collisions at 158 GeV/c per nucleon incident momentum”  

NA50 Collaboration
B. Alessandro et al.
Received 28 March 2003

- Due to a typographical error at the end of Section 4, the sentence:
  “We choose to fit the $B_{\mu\mu} \times d\sigma_{\phi,\rho+\omega}/M_T dM_T$ spectra with $M_T e^{-M_T}$” should read
  “We choose to fit the $B_{\mu\mu} \times d\sigma_{\phi,\rho+\omega}/M_T dM_T$ spectra with $e^{-M_T}$”.

- Ref. [1] should be replaced by:

We would like to thank J. Rafelski who pointed out to us the misprinted reference in our published Letter.
