The publication of the Tang et al. article was intended to be coordinated with the related report by Olia et al. However, Tang et al. was mistakenly published first with an incomplete reference for Olia et al. To correct this situation, we provide the full reference here:

Olia, Adam S., Prevelige, Peter E., Jr., Johnson, John E., and Cingolani, G. (2011). Three-dimensional structure of a viral genome-delivery portal vertex. *Nat. Struct. Mol. Biol.* 18, 597–603. Published online April 17, 2011. [10.1038/nsmb.2023](https://doi.org/10.1038/nsmb.2023).

Adam S. Olia's name was printed incorrectly as Adam Olia in the original *Structure* article. It appears correctly in the author list above.
