Reason: This article has been retracted: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

This article has been retracted at the request of the Publisher.

The authors have plagiarized a paper that had already appeared in “Queen’s 25th Biennial Symposium on Communications”, page 168-172, print ISBN 978-1-4244-5709-0, <http://dx.doi.org/10.1109/BSC.2010.5472979>.

One of the conditions of submission of a paper for publication is that authors declare explicitly that their work is original and has not appeared in a publication elsewhere. Re-use of any data should be appropriately cited. As such this article represents a severe abuse of the scientific publishing system. The scientific community takes a very strong view on this matter and apologies are offered to readers of the journal that this was not detected during the submission process.
