The authors wish to correct two errors in the paper. First, the Acknowledgments section, which was inadvertently omitted from the paper, is given below. Second, the middle initial of the second author, Bart G. Borghuis, was absent and is correct as shown here.

Acknowledgments

We thank Jian Li for electron microscopy, Sharron Fina for cone terminal reconstructions, Skyler Jackman for help with modeling, Marty Banks and Rob Smith for helpful advice, and Gary Matthews, Fred Rieke, and Frank Werblin for comments on the manuscript. This work was supported by NIH grants to R.H.K. (EY015514) and P.S. (EY00828).
