# Erratum to: Camel milk peptide improves wound healing in diabetic rats by orchestrating the redox status and immune response

Hossam Ebaid<sup>1,2\*</sup>, Bahaa Abdel-salam<sup>2,3</sup>, Iftekhhar Hassan<sup>1</sup>, Jameel Al-Tamimi<sup>1</sup>, Ali Metwalli<sup>4,5</sup> and Ibrahim Alhazza<sup>1</sup>

## Erratum

After publication of the original article [1], it came to the authors' attention that an institution had been inadvertently omitted from the Acknowledgements section. The results of the paper are part of a funded project from the National Plan for Sciences, Technology and Innovation (MAARIFAH), King Abdulaziz City for Science and Technology, which should have been acknowledged in the original article.

## Author details

<sup>1</sup>Department of Zoology, College of Science, King Saud University, P.O. Box 2455, Riyadh 11451, Saudi Arabia. <sup>2</sup>Department of Zoology, Faculty of Science, El-Minia University, El-Minia, Egypt. <sup>3</sup>Department of Biology, College of Science and Humanities in Quwaya, Riyadh 11961, Saudi Arabia. <sup>4</sup>Department of Food Science, College of Agriculture and Food Science, King Saud University, Riyadh, Saudi Arabia. <sup>5</sup>Department of Dairy, Faculty of Agriculture, El-Minia University, El-Minia, Egypt.
