Correction: Prediction and analysis of the modular structure of cytochrome P450 monooxygenases

Demet Sirim, Michael Widmann, Florian Wagner and Jürgen Pleiss*

Correction

In our article (Sirim et al. *BMC Struct Biol* 2010, 10: 34) [1] the cytochrome P450 monooxygenase P450cam was referred to as CYP101D. In the latest release 3.0 of our cytochrome P450 database CYPED (www.CYPED.uni-stuttgart.de) P450cam was reassigned to family CYP101A and referred to as CYP101A1.
