

DPY19L2 Deletion as a Major Cause of Globozoospermia

Isabelle Kosciński, Elias ElInati, Camille Fossard, Claire Redin, Jean Muller, Juan Velez de la Calle, Françoise Schmitt, Mariem Ben Khelifa, Pierre F. Ray, Zaid Kilani, Christopher L.R. Barratt, and Stéphane Viville*

(The American Journal of Human Genetics 88, 344–350; March 11, 2011)

In this paper, the middle initial of one author (Pierre F. Ray) was mistakenly omitted in the author list. Above is the correct list of contributing authors and their affiliations. The authors regret this error.
