RETRACTION NOTICE

Fatma Mohamed Awad a, Hanaa Ismaeil b

a Radiology Department, Faculty of Medicine, Cairo University, Egypt
b Surgery Department, Royal Commission Hospital, Saudi Arabia

This article has been retracted: please see Elsevier Policy on Article Withdrawal (http://www.elsevier.com/locate/withdrawalpolicy).

This paper has been retracted upon the request of the EIC and the approval of the editorial board when they received a letter from Gustave Roussy Cancer Campus complaining that the authors of this paper used two clinical images (without citations) from two previous publications; Dual-energy contrast-enhanced digital mammography: initial clinical results of a multireader, multicase study, Published in Breast Cancer Research 2012, DOI: http://dx.doi.org/10.1186/bcr3210 and Contrast-enhanced digital mammography, Published in European Journal of Radiology 69 (2009) 34–42, DOI: http://dx.doi.org/10.1016/j.ejrad.2008.07.035.
