(Cell Reports 13, 2741–2755; December 29, 2015)

In the originally published version of this article, Elizabeth M. Duncan and Alejandro Sánchez Alvarado were erroneously listed as being affiliated with the University of Oregon.

Additionally, the submission date was erroneously listed as January 28, 2015. The correct date is July 28, 2015.

Both errors have been corrected in the article online, and the corrected author list appears here as well.

The journal regrets the errors.
