Editorial note: Welcome to the Journal of Investigative Dermatology (JID) Cells to Surgery Quiz. In this monthly online-only quiz, the first question (“What is your diagnosis?”) relates to the clinical image found below, while additional questions concern the findings reported in a JID article that provides new information about that disease entity.

The quiz questions may be found in the menu bar on the right-hand side of this page. A list of references relevant to the quiz follows the image.
