Erratum

Erratum to “Ideals, bifiltered modules and bivariate Hilbert polynomials” [J. Symbolic Comput. 41 (2006) 112–121]

Giuseppa Carrá Ferro*

Department of Mathematics and Computer Science, University of Catania, Viale Andrea Doria 6, 95215 Catania, Italy

Received 21 December 2005; accepted 22 December 2005

Available online 24 January 2006

The publishers regret that there was an error as regards the compilation of Dr. Carrá Ferro's paper in the issue 41/1. The paper should have been compiled as part of the special issue “Logic, Mathematics and Computer Science: Interactions in honor of Bruno Buchberger (60th birthday)”, as paper number 10 in issue 41/3–4.

Please accept our apologies for this error.
