

"Jump Start and Gain" Model for Dosage Compensation in *Drosophila* Based on Direct Sequencing of Nascent Transcripts

Francesco Ferrari, Annette Plachetka, Artyom A. Alekseyenko, Youngsook L. Jung, Fatih Ozsolak, Peter V. Kharchenko, Peter J. Park,* and Mitzi I. Kuroda* *Correspondence: peter_park@hms.harvard.edu (P.J.P.), mkuroda@genetics.med.harvard.edu (M.I.K.) http://dx.doi.org/10.1016/j.celrep.2013.11.024

(Cell Reports 5, 629-636; October 31, 2013)

In the originally published version of this article, the text "Jump start" in Figure 4E was cut off and illegible. Figure 4 has now been corrected online.

The journal apologizes for any confusion this error may have caused.
