

# Recent Admixture in an Indian Population of African Ancestry

Ankita Narang, Pankaj Jha, Vimal Rawat, Arijit Mukhopadhyay, Debasis Dash, Indian Genome Variation Consortium, Analabha Basu,\* and Mitali Mukerji\*

(The American Journal of Human Genetics 89, 111–120, July 15, 2011)

The Council of Scientific and Industrial Research was omitted in two places in the affiliations section in the version of this article originally published online. This has been corrected online and is correct in the July print issue. In addition, the fourth author's name was misspelled and is corrected here. *The Journal* regrets the errors.
