

**RETRACTION**

# Notice of Retraction of “Significant Association of HLA-DQ5 with Autoimmune Hepatitis in Taiwan”, *J Formos Med Assoc* 2007;106(12):1063–8

To our readers,

The authors of the article titled “Significant Association of HLA-DQ5 with Autoimmune Hepatitis in Taiwan”, Drs Lok-Beng Koay, Chi-Shu Sun, Sun-Lung Tsai and Ching-Yih Lin from the Division of Gastroenterology and Hepatology, Department of Internal Medicine, Chi-Mei Medical Center, Tainan, Taiwan, wish to formally retract their article from the *Journal of the Formosan Medical Association* as it contains some material that was previously published in the article below:

Koay LB, Lin CY, Tsai SL, Lee C, Lin CN, Sheu MJ, Kuo HT, Sun CS. Type 1 Autoimmune Hepatitis in Taiwan: Diagnosis Using the Revised Criteria of the International Autoimmune Hepatitis Group. *Digestive Diseases and Sciences* 2006;51(11):1978–84.

The authors apologize for their oversight that led to this situation.

Professor Li-Min Huang  
Editor-in-Chief

*Journal of the Formosan Medical Association*
