## Corrigendum

## Corrigendum to “Structure of the antimicrobial $\beta$ -hairpin peptide protegrin-1 in a DLPC lipid bilayer investigated by molecular dynamics simulation” [Biochim. Biophys. Acta 1768 (2007) 509–520]

Himanshu Khandelia<sup>a</sup>, Yiannis N. Kaznessis<sup>a,b,\*</sup><sup>a</sup> Department of Chemical Engineering and Materials Science and University of Minnesota, 421, Washington Avenue SE, Minneapolis, MN 55455, USA<sup>b</sup> The Digital Technology Center, University of Minnesota, 421, Washington Avenue SE, Minneapolis, MN 55455, USA

The authors regret that a calculation error in the code for the calculation for the angle  $\tau$  from the simulation resulted in reported values that were offset by exactly  $90^\circ$ . Thus, instead of reporting  $\tau$ , the values were accidentally reported  $90-\tau$  in Fig. 5B. The corrected figure is presented below. The agreement between the reported values from simulations and earlier experiments is still satisfactory.

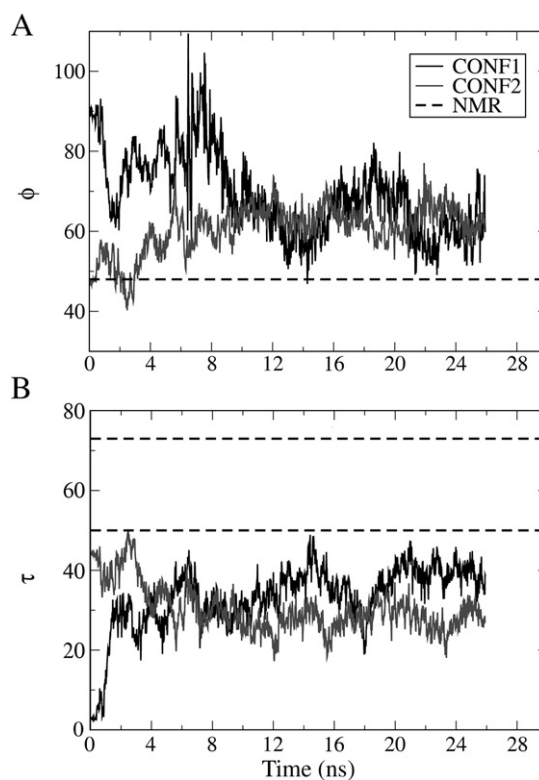

Fig. 5.
