ERRATUM

Gerd K. Steigleder, M.D. and Wolfgang P. Raab, M.D.—Skin Protection Afforded by Ointments. J. Invest. Derm., 38: 129, 1962. The authors wish to correct an error on page 130, the last paragraph:

“Several factors may be responsible for these findings: The lipophilic ointment A contains an oleate as a detergent which may act like Tween as substrate for esterases and so act by competitive inhibition.”
