<sup>a</sup> Department of Cardiology, Faculty of Medicine, Mansoura University, Egypt

<sup>b</sup> National Heart Institute, Ministry of Health, Cairo, Egypt

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

This paper has been retracted upon mutual agreement between the publisher and the Editor-in-Chief of EJCDT when it was discovered that this article had also been submitted and published in the International Heart Journal <http://dx.doi.org/10.1536/ihj.54.196>. The authors did not give clarification for the action; therefore the paper was retracted following international publishing practices.

DOI of original article: 10.1016/j.ejcdt.2012.10.004.
