

Erratum

Erratum to: **The N-terminal domain of the *Caulobacter crescentus* CgtA protein does not function as a guanine nucleotide exchange factor** (FEBS 24226) [*FEBS Letters* 484 (2000) 29–32][☆]

Bin Lin, Janine R. Maddock*

Department of Biology, University of Michigan, 830 N University, Ann Arbor, MI 48109-1048, USA

First published online 22 December 2000

Edited by Ned Mantei

In the original publication, our copy-edit department erroneously changed ‘guanine nucleotide exchange’ into ‘guanine nucleotide exchange factor (GEF)’. These inaccurate changes were made in the abstract and main body of the paper. The

correct version of the paper is reprinted on the following pages.

The publishers would like to apologize for any inconvenience caused.
