Corrigendum

Corrigendum to “C1qTNF-related protein-6 mediates fatty acid oxidation via the activation of the AMP-activated protein kinase” [FEBS Lett. 584 (2010) 968–972]

Wan Lee, Mi-Jin Kim, Eun-Ju Park, Young-Jin Choi, Seung-Yoon Park *

Department of Biochemistry, School of Medicine, Dongguk University, Kyungju 780-714, Republic of Korea

An unfortunate error occurred in the first line of the Introduction. “C1qTNF-related protein-6 (CTRP6) is a 240-amino acid

protein” should read “C1qTNF-related protein-6 (CTRP6) is a 278-amino acid protein”.
