Corrigendum

Corrigendum to: “Receptor specificity does not affect replication or virulence of the 2009 pandemic H1N1 influenza virus in mice and ferrets” [Virology 446 (1–2) (2013) 349–356]

Seema S. Lakdawala ^{a,1}, Angela R. Shih ^{a,1}, Akila Jayaraman ^{b,1}, Elaine W. Lamirande ^a, Ian Moore ^a, Myeisha Paskel ^a, Ram Sasisekharan ^{b,*}, Kanta Subbarao ^{a,*}

^a Laboratory of Infectious Diseases, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, MD 20892, USA

^b Department of Biological Engineering, Koch Institute for Integrative Cancer Research, Singapore-MIT Alliance for Research and Technology, Massachusetts Institute of Technology, Cambridge, MA, USA

We regret that there we inadvertently left out Heather Kenney's name as a coauthor and would like to submit a corrigendum to amend this error. She contributed to the work and should have been listed as an author.

The author line should read as follows:

Seema S. Lakdawala, Angela R. Shih, Akila Jayaraman, Elaine W. Lamirande, Ian Moore, Myeisha Paskel, Heather Kenney, Ram Sasisekharan, Kanta Subbarao

DOI of original article: <http://dx.doi.org/10.1016/j.virol.2013.08.011>

* Corresponding authors. Fax: +1 301 4968312.

E-mail addresses: rams@MIT.edu (R. Sasisekharan), ksubbarao@niaid.nih.gov (K. Subbarao).

¹ Authors contributed equally.
