Announcement

Reviewer of the month – January 2014: Dr Salvatore Giordano

Dr Salvatore Giordano works full-time at Plastic Surgery Department of Töölö Hospital, Helsinki University Hospital, in Finland.

After graduating from Medical School of University of Rome “La Sapienza” in 2005, he moved to Finland for his residency training.

He has worked as a resident in different hospitals, including Vaasa Central Hospital and Turku University Hospital, always in Finland.

He published over 25 clinical papers in peer-reviewed international journals concerning different surgical specialties. However, his current research interest focuses on bariatric surgery outcomes and plastic surgery indications after massive weight loss.

He also works as a reviewer for four distinguished surgical journals and evaluates submitted manuscripts.
