2011. Secondary flow as a mechanism for the formation of biofilm streamers. *Biophys. J.* 100:1392–1399.

In the legend of Fig. 3 *d*, the styles of the curves were accidentally mislabeled: the solid line labeled “210°” has to be switched with the solid-dotted line labeled “330°”, and dashed line labeled “240°” has to be switched with the dot-dashed line labeled “300°”. The maximum values of  $u_z/U$  reported in the inset are correct. The corrected version of Fig. 3 is then:

This correction has no effect on the validity of the work. The authors thank Xintong Li for noticing this mistake.
